Subject: Cargill Launches the 2015-2016 Competition of the Cargill Global Scholars Program

Dear Prof. Yogesh Singh,

Cargill and the Institute of International Education (IIE) are pleased to announce the launch of the Cargill Global Scholars Program 2015-2016 competition cycle.

We have deeply valued our partnership with **Delhi Technological University (DTU)** for the last three years of the program and hope to continue this partnership in the program's fourth year. As a partner university, your second year undergraduate (UG) students who demonstrate exemplary academic achievement, leadership potential and study in **science, technology & engineering** related fields are eligible to apply.

In addition to an annual scholarship award of US \$2,500 for up to two years, the Cargill Global Scholars Program provides leadership development opportunities through seminars, networking events, and a one-on-one mentoring program with executives from Cargill. These enrichment activities have been designed to help foster and enhance the Cargill Global Scholars' leadership potential and critical thinking skills, and equip them with the tools necessary for becoming global leaders and decisions makers.

In India, 10 scholarships will be awarded during the 2015-2016 academic year.

The application deadline is **March 1, 2016** and we are currently accepting applications online, through our website. To access the application or learn more about the Cargill Global Scholars Program please visit: <http://www.cargillglobalscholars.com/>.

For further information on the Cargill Global Scholars Program in India, please contact: cargillglobalscholarsindia@iie.org.

We will soon be also visiting your College to detail out the Program and meet with your students to encourage them to apply to this unique scholarship opportunity.

Best regards,

Namrata Jha
