NOTICE

Attention: All the students of II & IV Semester of B.Tech.(New Scheme)

Attention of all the students of B.Tech., II & IV Semester is drawn to the following provisions of the B.Tech Ordinance (2015-16).

1. There is no provision of Back-Paper in the new B.Tech Ordinance. The students who get an 'F' or 'I' grade in any course can clear that course in the following ways:
 - (i) By appearing in the supplementary/ makeup exams of that subject conducted immediately after the declaration of the results.
 - (ii) By re-registering in the failed paper next year. In this case he/ she will have to attend classes with regular batch and his/ her complete assessment will be done afresh.
2. There is no provision of IMPROVEMENT or BACK PAPER in the new scheme.
3. If after completion of the B.Tech program his/ her CGPA is less than 5 and willing to improve then he/ she will be allowed to re-register in a course afresh. Maximum period allowed to complete course is seven years.
4. A student with any backlog in the 1st year (I Sem and II sem) cannot register for a course in 3rd year {V & VI Sem} until he/she has cleared all his backlog of 1st year. The students are thus advised to first clear all backlog papers of 1st year.

Example:- If a student 'Mr. X' has backlog in 2 papers in I semester and he is registering in III semester he/ she should first register afresh in two backlog papers of I sem, and then can register for desired number of papers from III Semester, scheme subject to maximum of total 32 credits in a semester. Any paper codes left in III Sem at this stage has to be taken up during V sem registration.

Similarly, If a student 'Mr. Y' has backlog in 3 papers in II semester and he is registering in IV semester he/ she should first register afresh in three backlog papers of II sem, and then can register for desired number of papers from IV Semester, scheme subject to maximum of total 32 credits in a semester. Any paper codes left in IV Sem at this stage has to be taken up during VI sem registration.

5. Similarly a student cannot register for any course in 4th year (VII & VIII Sem) unless he/she has cleared all his/her 2nd year subjects.
6. The IV semester B.Tech students are thus advised to register for their backlog II semester subject first.
