GUIDELINES FOR PREPARATION OF TIME TABLE FOR 4TH /6TH /8TH SEMESTER

The centralized timetable has been prepared for B.Tech. 2nd semester (both A and B groups) by University Time-table Committee. Annexure 1 presents a typical format for 1st year time table wherein two slots viz, 'Y' AND 'Z' have been defined. Five sections of groups A and group B each have been allotted Y slots and similarly five sections of groups A and group B each have allotted slot Z. Following guidelines are to be adhered while preparing time table of 4th /6th /8th semester of your respective department:

1. Student will be required to re-register for the courses in which he/she has been declared failed in the previous year/semester and has to attend all L/T/P as applicable, for the registered course.
2. To avoid overlapping of time tables of 2nd and 4th semesters either of the 'Y' or 'Z' slots must be completely excluded in the time table of particular section in a branch, while preparing 4th semester timetable.
3. Thus students of any section of 4th semester will be able attend classes of re-registered courses of 2nd semester either in Y or Z slot.
4. Further to ensure flexibility, it is suggested that all re-registered students of 4th semester may be put in same section, so that only one slot needs to be excluded.
5. Following the same guidelines new slots for conducting Elective courses in 6th semester (DEC 3&4) and 8th semester (DEC 6,7,8 or DEC 7,8 (as the case may be).) have also been proposed and attached in Annexure 2.

All the Time Table Incharges are advised to ensure the above guidelines, while preparing time table of 4th,6th,8th semester courses for forthcoming academic section.
