## B.Tech. Admissions 2016-17

### NOTICE

#### Final Freezing of Branch

Students admitted in B.Tech. program in year 2016 through Joint Admission Counselling (JAC) Delhi 2016 are requested to submit final branch freezing request. All candidates who have admitted in round-1/round -2/round-3/round-4/SPOT round of JAC counselling are permitted to submit branch freezing request if they have not submitted any freezing request during any of the counselling rounds. A list is available on this website with current allotted branch for all students admitted through JAC 2016.

Only Following candidates can submit branch freezing request:

- Those who want to **freeze their current branch** and have not submitted any branch freezing request during any of the rounds.
- Those admitted in spot round and branch allotted to them is not their first choice and they want to freeze their allotted branch.

Those who have either allotted a branch of their first choice or already submitted a branch freezing request during JAC counselling round, are not required to submit any branch freezing request. For all admitted candidates (including those admitted in SPOT round), next upgradation of their branch will be done in JUNE 2017 as per their filled choices. Change in filled choices is not permitted in any case.

Branch Freezing forms are available on this website and filled form along with a copy of JAC admission letter can be submitted in **Room number FW2FF6** (First floor in CSE department adjacent to stairs) between 3PM to 5PM. Last Date for submitting the request is **28-10-2016 5PM**.
