CLARIFICATIONS

Sub: Regarding M.Tech Admissions-2020

1. In the ongoing M.Tech Admissions-2020, for the M.Tech (Part-Time) and M.Tech (Sponsored Full-Time) programmes, the rules for seat allotment are as follows:

a. Merit List shall be prepared on the basis of percentage of marks in the qualifying degree. In case CGPA or conversion formula has not been provided by the concerned institute/university, then equivalent percentage of marks would be computed as per the following formula:

$$\text{Percentage of Marks} = 10 \times \text{CGPA}$$

b. In highly unlikely event of candidates having same percentage of marks in the qualifying degree, then Date of Birth will be considered. Elder candidate will be given preference.

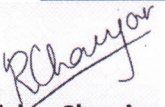

c. In highly unlikely event of candidates having same Date of Birth, then marks in Class-XII will be considered.

2. Further, for M.Tech (Sponsored Full Time) programmes, the selected candidates need to submit the minimum one-year completion employment certificate by 01.09.2020.

In case, the candidate fails to submit the one-year completion employment certificate by the above said date, his/her admission will stand cancelled.

3. Due to COVID-19, the number of days required for conduct of admissions needs to be increased and hence, Spot Round of Admissions, as notified in the M.Tech Admission Brochure-2020 has been converted to Third Round of Counselling for the full time M.Tech Programmes.

NOTE: Candidates are advised to read the admission brochure carefully and to visit the website www.dtu.ac.in regularly for further updates.
