About University School of Management & Entrepreneurship (USME)

The USME was established in the East Delhi campus (EDC) of DTU in the year 2017, to fulfill its mission of offering a portfolio of the highest quality of programs aimed at emerging areas such as analytics and venture development, and the creation of an ecosystem for learning, research and practice in management and entrepreneurship. It aims to grow into a nodal centre for entrepreneurship, and to become a multidisciplinary practise-oriented school.

Situated in the East of Delhi, the Campus comprises three disciplines of Management, Economics and Innovation, Entrepreneurship, and Venture Development, with faculty having a background of leading institutions such as IIM Kolkata/Lucknow, IIT Madras/Ropar, JNU, DSE, etc. It houses an ecosystem that is not only multidisciplinary, but multidimensional in its range of activities. There is a network of student entrepreneurs from the MBA Entrepreneurship streams, and ventures (including the DTU-IIF incubates), mentors and professionals, in-house and visiting faculty from premier institutions and industry, and a vibrant student community.

USME not only offers degree programs at the UG, PG and doctoral levels, it has also conducted intense workshops for students such as in Entrepreneurship, Business Strategy, R for Machine Learning, the Start-up Conclave etc. which provide a lot of co-curricular learning. The cultural fest "Traction", including business contests, and many other celebrations of youthful artistic expression, including sixteen clubs in different professional and other interest areas, all lead to a rich extra-curricular life on Campus. These activities have drawn students from across India, including from the IIMs and other premier colleges, and students also participate in many national level festivals and competitions.

Last year, the first USME Internship fair resulted in over three hundred fifty internship offers to undergraduate students. This will be extended to the PG level in this session. The placement of MBA candidates is through the Central DTU Training and Placement Cell, where last year, over fifty companies presented final placement opportunities for MBA, jointly with DSM.

It has added very modern classroom infrastructure and discussion spaces, a state of art library and information center, seminar rooms, and a 200-capacity state of the art Manthan Hall. The Campus students organize various events ranging from cultural fests, talks, business contests, and internship/final placement fairs, workshops and a lecture series of thought leaders across disciplines.

There is a separate common room for girl students, and it has many facilities along with carrom and TT tables, found in all common rooms. Badminton courts are also there on Campus, along with shared international standard hockey facilities, and access to all the famed DTU Main Campus sports complex facilities for lawn tennis, cricket, gymnastics, basketball, etc. It also sends its own teams to competitions in various sports.

The USME Vision

To develop and nurture the spirit of management leadership and entrepreneurship with a sense of social conscience for the common good of the society

The USME Mission

- To impart management education through a portfolio of professionally designed programmes with focus on management, entrepreneurship, family business, public policy, business analytics, financial markets and many more
- To establish centres of excellence in entrepreneurship development, innovation, incubation and organization development
- To create a new knowledge-based learning ecosystem through relevant and useful research in the context of changing technology and societal needs
- To encourage and foster the spirit of enquiry and develop scientific temper
- To nurture responsible ethical leaders
- To contribute towards enrichment of corporate and professional life by providing consultancy and training

Centres Of Excellence

Entrepreneurship Development Centre (EDC): The aim of the centre is to develop an institutional mechanism to create entrepreneurial culture in science and technology and to foster techno entrepreneurship and knowledge enterprise development for generation of wealth and employment by personals. The centre guides the budding students to pursue entrepreneurship as their career. At the nascent stage, the centre has organised experiential workshop on entrepreneurship under the government's Technical Education Quality Improvement Programme (TEQIP), and has hosted a start-up business plan competition in the annual fest Traction which saw participation from various leading institutions such as IIM Lucknow, IIM Shillong, IIM Rohtak, among others, from various parts of India, with a participation from over a hundred management students. It has worked with the Enactus programs to engage in social ventures that help improve the quality of life for the people in need.

Innovation and Incubation Centre (IIC): The aim of the centre is to provide start-up grants for students and faculty members in the areas of management, innovation, along with entrepreneurship. It also promotes management and innovation-driven business ventures that will lead to technical renaissance. This is in association with the DTU Innovation and Incubation Foundation, headed by CEO: Dr. Girish K Sharma, which has incubation infrastructure at the East Campus under the IIC based at East Campus.

Centre for Organizational Development (COD): The aim of this centre is to provide research, education, consultancy and extension services which enable organizations to transform its human resources effectively for consistent improvement and enable efficient change management. A major challenge for start-ups is that of managing growth and acceleration, with the structure and functioning of the organisation at this stage of initiation, acceleration and scaling being a key issue. The COD would endeavour to provide research-based insights and solution to these issues.

Training and Placement

The training and placement centre of USME works in collaboration with the Training and Placement Department of DTU. The USME centre is headed by Prof. Nidhi Maheshwari, with Prof. Harleen Kaur coordinating placement for MBA while Prof. Puneet Kumar Arora and Prof. Varsha Sahgal look after undergraduate placement and training. The placement process is, like all premier institutions, a student-run affair, working under the guidance of the faculty coordinators. The team of training and placement cell acts as an interface between the industry and students, and provides counselling, practical assistance and runs programs, to help develop students in various spheres, so that they can achieve their aspirations. The centre also helps students in getting internships and short duration industry projects. Industry experts are invited to groom the students according to the industry specific requirements. The cell organizes career guidance Programmes for all the students from first semester onwards. To enrich the professional competencies of the students there are assessment centers which includes activities like personality profiling, mock interviews, group discussions, business simulations. Along with the placement activities the cell is collecting feedback from industry about performance of students employed and transmitting the same appropriately for corrective actions.

Corporate Engagement Week: 2020-21

To bridge the gap between ambitious students and esteemed recruiters amidst the Covid pandemic, the placement cell of USME-DTU with the three other pioneering state universities of the Delhi government, namely NSUT, AUD, and IGDTUW organised a virtual Corporate Engagement Week. The event saw participation from 69 companies, with over 638 registered students receiving over 625 offers. Over 350 USME students availed the offers made to them.
