Office of International Affairs

From the desk of the **VICE CHANCELLOR.....**

Delhi Technological University (formerly Delhi College of Engineering) has an illustrious history spanning over 80 years. This prestigious institution is well known throughout the world for its world class education and student centric research & innovations. In this university the culture of research and innovations is inculcated right from the UG level. We have brilliant faculty and highly distinguished alumni who have made a mark worldwide. It is a testament to the ability of the university in educating future leaders.

In this university we have been actively promoting internationalization and are strongly committed towards further internationalization. We believe that the one of the important criteria for internationalization is not only to admit certain number of students and promote partnerships between institutions, but to have good quality programs, faculty, students and research & innovation environment that meets the international and global standards.

On behalf of DTU, I am pleased that you are considering DTU and hope that this institution will best meet your academic needs. The members of the Office of International Affairs are available to answer all your queries and assist you. The Office of International Affairs will make every effort to support you and make your educational experience wonderful.

The university is committed to internationalization and globalization. Your decision for selecting DTU will mean more than just earning a degree. We at administration are firmly committed to give you the best environment for your holistic development. You will be an integral part of the institution and your participation will broaden the university's understanding about various cultures in the world that will make DTU a stronger university and better place. I therefore welcome all the international students who are desirous of joining DTU for their higher education.

About **Delhi Technological University (DTU)**

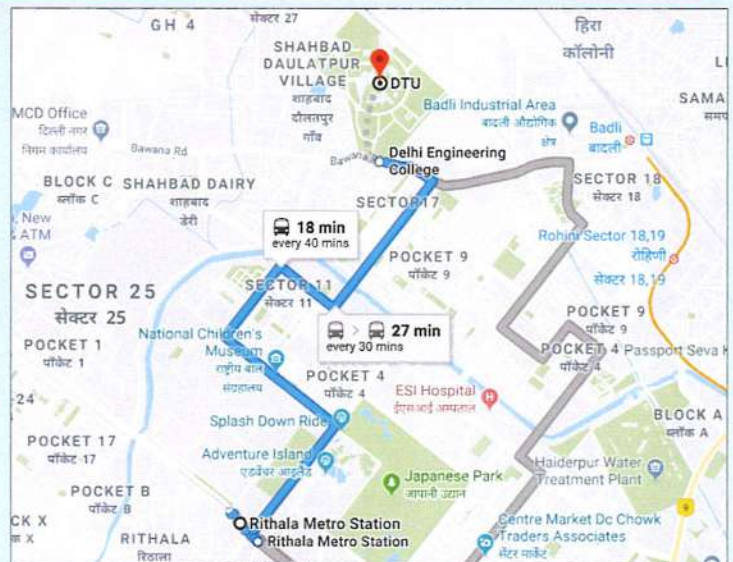

Introduction

DTU, a leading World Class Technological University, plays a vital role in National and Global Knowledge Network. It is empowering India with the Wings of Knowledge and Power of Innovations. With 80 years of tradition of excellence in "Engineering & Technological Education" and "Research & Innovations" Delhi Technological University, initially established with the name - Delhi Polytechnic in the year 1941 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. In 1952 established as Delhi College of Engineering (DCE) was affiliated with University of Delhi and started formal Degree level programmes. Since July 2009, the DCE has become Delhi Technological University vide Delhi act 6 of 2009.

Location

Delhi Technological University offers a flourishing educational environment, set in the north of a lively metropolitan city. It is situated at Rohini in North West Delhi. The campus is about 32 Kms from Indira Gandhi International Airport. For the first time visitor, a prepaid taxi/ three wheeler run by Delhi Police at airport is the best way of transport to reach Delhi Technological University.

Education System

Continuous and comprehensive evaluation with Choice Based Credit System (CBCS) is practiced, based on periodic homework assignments and examinations, intended to ensure that the student is aware of his/her level of proficiency. Academic year at DTU consists of two semesters, commencing in August and January respectively. Medium of instruction at DTU is ENGLISH.

Programs Offered by the University

Undergraduate Engineering Programs

Bachelor of Technology (B.Tech) (4 years)

1. Electronics & Communication Engineering (ECE)
2. Computer Engineering (COE)
3. Mechanical Engineering (ME)
4. Electrical Engineering (EE)
5. Production & Industrial Engineering (PIE)
6. Civil Engineering (CE)
7. Environmental Engineering (ENE)
8. Chemical Engineering (CHE)
9. Information Technology (IT)
10. Biotechnology (BT)
11. Software Engineering (SE)
12. Mechanical Engineering with specialization in Automotive Engineering (MAM)
13. Engineering Physics (EP)
14. Mathematics and Computing (MC)

Other Undergraduate Programs

1. Bachelor of Business Administration (BBA) (3 years)
2. Bachelor of Arts in Economics (BA(ECO)) (3 Years)
3. Bachelor of Design (B. Des.) (4 years)

Postgraduate Engineering Programs

Master of Technology (M.Tech) (2 years)

1. Polymer Technology (PTE)
2. Material Science & Technology (MST)
3. Bioinformatics (BIO)
4. Industrial Bio Technology (IBT)
5. Geotechnical Engineering (GTE)
6. Hydraulics & Water Resources Engineering (HRE)
7. Structural Engineering (STE)
8. Geoinformatics (GINF)
9. Computer Science & Engineering (CSE)
10. Artificial Intelligence (AI)
11. Data Science (DSC)
12. Software Engineering (SWE)
13. Information System (ISY)
14. Microwave & Optical Communication (MOCE)
15. Signal Processing & Digital Design (SPD)
16. VLSI Design and Embedded System (VLS)
17. Power Electronics & Systems (PES)
18. Control & Instrumentation (C & I)
19. Power System (PSY)
20. Environmental Engineering (ENE)
21. Production Engineering (PIE)
22. Thermal Engineering (THE)
23. Industrial Engineering and Management (IEM)
24. Energy Systems and management (ESM)
25. Computer Aided Analysis and Design (CAD)

Postgraduate Programs in Science, Design and Management (2 Years)

1. Master of Science in Mathematics
2. Master of Science in Physics
3. Master of Science in Biotechnology
4. Master of Science in Chemistry
5. Master of Design in Interaction Design
6. Master of Business Administration
7. Master of Business Administration in Business Analytics
8. Master of Business Administration (Family Business & Entrepreneurship)
9. Mater of Business Administration (Entrepreneurship, Innovation & Venture Development)

Current Areas of Research

S. No.	Department	Areas of Research
1.	Applied Chemistry	Chemistry Including Synthetic Organic Chemistry, Bio Inorganic Chemistry, Bio Organic Chemistry, Cheminformatics; Medicinal Chemistry; Including Gene Delivery Applications, Bio Materials, Drug Delivery Systems; Polymer Science Including Fiber Technology, Conducting Polymers/Composites / Hydrogels: Chemical Engineering Including Reaction Engineering, Multiphase Reactor Systems And Design, Pollution Abatement Technology And Gene; Advance Materials Development
2.	Applied Mathematics	Information Theory, Graph Theory, Discrete Mathematics, Numerical Analysis, General Relativity and Cosmology, Optimization Technique, Complex Analysis, Mathematical Modelling, Approximation Theory, Stochastic Processes. Fuzzy logic and optimization, Algebra. Mathematical Finance
3.	Applied Physics	Nanotechnology, Especially Carbon Nano Tube And Graphene, Dusty Plasma/Thz Radiation Emission, High Power Microwave Devices, Photonics And Photonic Crystals, Waveguide Based Devices, Nanophotonics, Strongly Coupled Dusty Plasma, Glass Science And Technology Phosphors, Photoluminescence, Organic & Nano-material, Time-resolved Spectroscopy, , Semiconductor Devices-modeling And Simulation, FPGA, Waveguide Based Devices, Fibre And Integrated Optics, Luminescent Materials, Glasses, Nanophosphors, Materials Science, Experimental Lithium Ion Battery, Multiferroic Materials, Experimental Atomic Physics, Gas Sensors Atmosphere Science
4.	Biotechnology	Molecular Neuroscience, Functional Genomics, Neurooncology, Bioremediation, Water Quality Management, Immunostimulation, Radiation Biology, Genome Informatics, Nanobiotechnology, Biosensors, Immunology, Plant Biotechnology
5.	Civil Engineering	Structural Engineering, Concrete Technology, Cementitious Materials, Prestressed Concrete, Tall Structures and Rehabilitation of Structures, Geotechnical Engineering, Rock Mechanics, Soil Mechanics, GeoEnvironment Engineering, Water Resources Engineering, Pavement Engineering. Hyper Spectral Microwave and LIDAR Remote Sensing
6.	Computer Science & Engineering	Software Testing & Quality, Software Metrics, Machine Learning, Software Reliability, High Performance Computing, Soft Computing, Optimisation Techniques, Parallel Computing, Web Technology, Image Processing, Soft Computing, Evolutionary Computing, Artificial Intelligence, Information Security.
7.	Electronics and Communication Engineering	VLSI Design, Computer Vision, Pattern Recognition, Object Tracking, Image Processing, Human Computer Interaction, Wireless Sensor Network, Microwave Engineering, Antenna Design, Digital Signal Processing, Wireless Communication, RF Devices, Nano-electronics, Network Security, and Cloud Computing. Optical Communication. Optical Communication
8.	Electrical Engineering	Power Electronics and Drives, Power Quality, Renewable Energy Systems, Smart Grid, Micro Grid Analog and Digital Signal Processing, Power Systems, Power Systems Restructuring Intelligent Control, Robotics, Electric Vehicles, Energy Storage and Charging Infrastructure, Grid Integration of Renewable Energy Sources, Smart Cities, Building Energy Management System, Smart Instrumentation and Sensing etc

S. No.	Department	Areas of Research
9	Information Technology	Pattern Recognition, Soft Computing, Biometric Security System, Neural Networks/ Deep Learning. Fuzzy- Neural Networks, Computer Vision. Big Date Analytics Web Mining Internet Technologies, Data Mining Social Networks Machine Learning Human Behaviour, Multimedia Systems, Human Computer Interaction. Image Processing, Evolutionary Computing
10	Mechanical Engineering	Turbo Machinery, Fluid Mechanics, Power Plant Engineering, I.C. Engines, Automobile Engineering, Refrigeration and Airconditioning, Computational Fluid Dynamics, Solar Energy, Bio Fuels, Power Plant, Industrial Engineering & Supply Chain Mgmt, Robotics, CAD/CAM, Welding, Production Engineering, System Dynamics, Structural Vibration, Modeling & Simulation, Automation, Advanced Manufacturing Process, Human Factor Engineering, Industrial Management, Quality Engineering
11	Humanities	Women, Education and Inclusive Growth
12	Delhi School of Management	Managerial Themes Such As E-governance, Information Technology Management & Strategy, Marketing Management, Distribution And Retail Management, Organizational Behaviour & Human Resource Management, Corporate Governance And Ethics, Public Policy And Governance, Accounting And Finance, Portfolio Management, Mergers And Acquisition And Corporate Restructuring. Knowledge Management, Economics and Business analysis.
13	Environmental Engineering	Water Pollution, Waste Water Treatment, Environment Modelling, Phytoremediation, Water Management, Air Pollution, Geo-environmental Engineering, Solid Waste Management And Noise Pollution.

ADMISSION PROCESS

Eligibility

Definitions

- 1. Indian Nationals Studying Abroad:** An Indian citizen who is ordinarily residing outside India and holds an Indian Passport and must have had at least 3 (three) years of education in a Foreign country during the last 6 (six) years and must pass the qualifying examination (inclusive of 11th and 12th standard or equivalent) from abroad only.
- 2. Overseas Citizen of India (OCI):**
 - a) The citizens of another country (except Pakistan and Bangladesh) but was a citizen of India at the time of, or at any time after, the commencement of the constitution; or was eligible to become a citizen of India at the time of the commencement of the constitution; or belong to a territory that became part of India after the 15th day of August, 1974; or who is a child or a grand-child or a great grandchild of such a citizen; or
 - b) A person, who is minor child of a person mentioned in clause (a); or
 - c) A person, who is a minor child, and whose both parents are citizens of India or one of the parents is a citizen of India; or
 - d) Spouse of foreign origin, of a citizen of India or spouse of foreign origin, of an Overseas Citizen of India Cardholder registered under section 7A, Citizenship Act 1955.
And as per Gazette Notification No. 26011/01/2014-IC.I dated 09.01/2015 the Persons of Indian Origin (PIO) cardholders shall now be OCI cardholders. The student admitted under this category can do all activities except research work for which special permission is required from the Indian Mission/Post/FRRO concerned
- 3. Foreign Nationals:** Citizens of all countries other than India, who are not of Indian Origin as defined under OCI.

Essential Academic Eligibility for Undergraduate Program

Applicant should have 60% aggregate marks or 6.00 CGPA on a 10 point grade or equivalent grades for B.Tech students, 50 % marks or 5.00 CGPA on 10 point grade or equivalent grades for BBA, B.A (Economics) and B.DES students in aggregate for all subjects of qualifying examination i.e Senior Secondary [10+2] or equivalent from any system of education as recognized by the Association of Indian Universities (AIU) with:

- a) Physics and Mathematics as compulsory subjects and any one of the following subjects Chemistry, Bio-technology, Computer Science, Biology for admission to B.Tech program.
- b) Mathematics as one of the compulsory subject for admission to BA (H) Economics.
- c) English as a compulsory subject for admission to BBA program.
- d) Any stream of courses for B.DES program

Essential Academic Eligibility for Postgraduate Program

Essential Academic Eligibility for Postgraduate Program in Engineering and Management

Applicant should have 60% aggregate marks or 6.00 CGPA on a 10 point grade or equivalent grades in aggregates in their qualifying degree recognized as equivalent by the AIU/UGC/AICTE/other statutory bodies as applicable.

- (a) Applicant must have passed the qualifying examination i.e four/five year undergraduate program in Engineering/Technology or equivalent in relevant disciplines pertaining to the M.Tech program of application.
- (b) For MBA program: An appropriate UG degree from any stream of education.

Essential Academic Eligibility for Postgraduate program in Sciences and Design

Applicant should have 55% aggregate marks or 5.5 CGPA on a 10 point scale or equivalent CGPA provided by concerned Institute/University in their qualifying degree recognized as equivalent by the AIU/UGC/AICTE/other statutory bodies as applicable.

- I. Mathematics: BA/B.Sc. (Gen or Hons) with mathematics as one of main subject.
- II. Physics: B.Sc. (Gen or Hons) with Physics as one of main subject.
- III. Bio Technology: B.Sc. (Gen or Hons) with biology as one of main subject.
- IV. Chemistry: B.Sc/ (Gen or Hons) with chemistry as one of the main subjects.
- V. M.Design – An appropriate UG degree from any stream of education

Essential Academic Eligibility for Doctor of Philosophy

Applicant should have 60% aggregate marks or 6.00 CGPA on a 10 point grade or equivalent grades in aggregates in their qualifying degree.

The minimum entry qualification for admission to PhD program shall be a master's degree in Engineering/ Technology / Science / Economics / Humanities /

Management of the DTU or any other equivalent qualification recognized by University in exceptional cases candidates with Bachelor of Engineering/ Technology degree with a minimum of 75% marks in aggregate or equivalent CGPA will also be considered for admission.(for more details visit www.dtu.ac.in/admission/PhD)

General Eligibility Criterion for International Students

- The Degrees/Certificates of the International Students should have been recognized and approved by the Association of Indian Universities (AIU) as equivalent to the corresponding Indian Degrees/ Certificates.
- They must hold a valid passport from their respective countries.
- Evidence of required academic performance must be in the form of certified English transcripts listing all the programs with the grades or marks earned. Transcripts in languages other than English are not acceptable.
- If the applicant has passed the qualifying examination where grades are awarded:
- Where the grade sheet doesn't mention the equivalent percentage of marks from grade points, the candidate should submit a certificate of conversion from the concerned Institution/University mentioning either the converted percentage or the formula for the actual conversion of grade point average to percentage of marks
- Where the grade sheet itself mentions the equivalent percentage of marks from the grade points or formula for such conversion, the candidate should get both sides of the Degree/Grade Sheet photocopied showing the equivalent percentage of marks/conversion formula and enclose with the Application Form.

Notes

- Candidates admitted to any course in this University shall not be eligible to pursue simultaneously any other full time course in this or in any other University/Institution.
- An international student who has been granted admission to a particular course shall not be allowed to change the course.
- All the International students required to produce medical fitness certificate. As per government rules all International students entering India on student visa have to be tested for HIV and will not be given admission if found to be positive. The following medical fitness test need to be performed. Only those students who are found medically fit shall be admitted to different programmes of the University.
 - HIV Test (AIDS Test)
 - Chest Check-up (through X-Ray)
 - Hepatitis surface Antigen (HBsAg) before admission
 - Corona Virus Test
 - General Medical Test
- All international students will be required to obtain medical insurance cover for the entire course of study, initially for the first year and then subsequently renew it for further years.

Age

Maximum age as on 31st August 2022

For all Undergraduate programmes where entry qualification is 12th class – 25 years.

For all Postgraduate programmes where entry qualification is undergraduate degree - 35 years.

Mode of Admission

Out of the 15% seat on supernumerary basis, three modes of admission of Foreign Nationals/Indian Nationals studying abroad/Overseas Citizen of India are prescribed.

Mode 1 (M1) Direct Admission of Student Abroad (DASA) (5% seats supernumerary basis)

DASA is a scheme of Ministry of Human Resource Development, Government of India (GoI) for admissions to premier institutions of India.

Under this category the student directly apply through DASA portal. Complete information regarding the procedure of admission, eligibility and payment of fee will be available on DASA website (link: <http://www/dasanit.org>)

Admission shall be done centrally through the central counseling held at nodal centre, appointed by DASA Ministry of Human Resource and Development, Government of India (MHRD, GoI) on yearly basis.

Mode 2 (M2) Indian Council of Cultural Relation (ICCR)

- 2% for foreign nationals from countries other than (a) above: (details given in seat matrix)
- 3.5% for foreign nationals from countries other than (a) above: (details given in seat matrix)

Under this category the application of the candidates shall be routed directly through Indian Council of Cultural Relation (ICCR), (link: <http://a2ascholarships.iccr.gov.in/>) GoI. The form shall be accompanied by relevant documents attested by the authorized persons of their respective countries.

Additional requirement / qualifications (UG)

- The candidate should be in possession of valid TOEFL/IELTS score. However, the candidates with medium of instruction as English at the level of qualifying degree/certificate with the certification from Head of Institution/Govt. official of the country can avail the waiver from valid TOEFL/IELTS score.
- Merit list shall be prepared on the basis of their aggregate score in the subject Physics, Mathematics and the other core subject.
- Any other requirement prescribed by the University from time to time.

Additional requirement / qualifications (PG)

- Should have a valid TOEFL/IELTS score. The condition shall be waived-off in the event the University/Board from where the candidate has obtained the degree/certificate for qualifying examination that the medium of instruction of the courses taught for qualifying degree has been English.
- Admission shall be done on the basis of their aggregate score in the qualifying degree.

Additional requirement / qualifications (PhD)

Candidates for online interview shall be short listed on the basis of aggregate score in qualifying degree. The selection will be based on online interview by respective Department Research Committee.

Mode 3 (M3) DTU Portal/Embassies in India.

- 1.5% for foreign nationals from SAARC and ASEAN and, {details given in seat matrix M3 (a)}
- 1.5% for foreign nationals from countries other than (a) above: (details given in seat matrix.)
- 1.5% for foreign national qualify through JEE Mains.

Under Mode 3 the requirement of passing class 11th & 12th or equivalent from foreign country is mandatory.

Application Process Mode 3: Under this category candidates shall apply on-line in the prescribed format before the last date directly on the web portal of the office of International Affairs (link: <https://intaffairs.dtu.ac.in/>), Delhi Technological University. The form shall be accompanied by relevant documents attested by the authorized persons of their respective countries. Alternatively, the application may be received from the foreign embassies in India. Information to Ministry of External Affairs, GoI, FRRO be made before reporting of student for the admission.

Additional requirement/qualifications (UG) for M3 (a) & M3 (b) -

- Mandatory SAT-II score of 1800 and above in Physics, Mathematics and other core subject.
- The candidate should be in possession of valid TOEFL/IELTS score. However, the candidates with medium of instruction as English at the level of qualifying degree/certificate with the certification from Head of Institution/Govt. official of the country can avail the waiver from valid TOEFL/IELTS score.
- Merit list shall be prepared on the aggregate SAT - II score obtained in Physics, Mathematics and the other core subject.
- Any other requirement prescribed by the University from time to time.

Additional requirement/qualifications (UG) for M3 (c)

- Mandatory qualifying JEE (Mains) score in Physics, Mathematics and Chemistry.
- Merit list shall be prepared on the basis of JEE Mains Score.
- Any other requirement prescribed by the University from time to time.

Additional requirement/qualifications (PG)

- Should have a valid TOEFL/IELTS score. The condition shall be waived-off in the event the University/Board from where the candidate has obtained the degree/certificate for qualifying examination states that the medium of instruction of the courses taught for qualifying degree has been English.
- Admission shall be done on the basis of their aggregate score in the qualifying degree

Additional requirement/qualifications (PhD)

- Short listing will be done on the basis of aggregate score in qualifying degree, and admission will be decided on the basis of online interview at par with regular PhD admission.

Note: Students who are awarded scholarships by any Indian/International agencies shall be given preference for admission and for hostel accommodation.

The admission in any course shall not be granted on predicted scores.

Scholarship Opportunities

SCHOLARSHIP FOR FEMALE FOREIGN NATIONAL STUDENTS

Female foreign national applicants seeking admission in UG, PG and PhD program at DTU under direct admission through Mode 3 be given 50% or 100%, tuition fee waiver for to UG, select* PG and PhD programs in accordance with the following table

FEMALE FOREIGN NATIONAL STUDENT							
Mode of Admission	DTU Portal						
Program	Region	SAARC	ASEAN	AFRICAN	LATIN America	Central Asia	East European
UG (50% fee waiver)		4	4	3	2	3	2
PG (50% fee waiver)		2	2	1	1	2	1
PhD (100% fee waiver)		3	3	2	2	3	2

*Electronics and Communication Engineering, Electrical Engineering, Production Engineering, Polymer Technology, Biotechnology and Applied Physics

The number of scholarships may increase and can be switched between categories.

Admission Procedure

Admission of all the international students will be done through the University's Office of the International Affairs. The admission of International students is carried out in following different stages.

Application Procedure for International Students

International students have to follow the following steps for applying for admission in different programmes of the University:

- i. Apply online for mode 1, 2, 3 and 4 on the website aforementioned.
- ii. The office of International Affairs, Delhi Technological University will get the applications scrutinized by the Departmental co-coordinators by the departmental co-coordinator's, department research committee and admission committee of DTU.
- iii. The admission committee, DTU will compile the information on the basis of scrutiny, prepare the merit list and send the list of selected and wait listed candidates for the approval of Hon'ble Vice-Chancellor DTU, and upon getting the same, issue a provisional admission letter to the applicants.
- iv. The provisional admission letter covering all the important information of the student like Name of the student, Passport No., Name of the programme, etc. for meeting VISA requirements, will be sent to the student will be sent to the student (under mode 3 and mode 4). However the information regarding admission, registration etc shall also be sent to applicants under mode 1 and mode 2.
- v. The applicant will pursue for visa formalities from the country of domicile (student visa for Bachelors and Masters Courses and Research visa for Ph.D. course).
- vi. After getting the Student/Research VISA, the student shall be required to pay the University Fee (see Fee Structure).
- vii. Admission of International students will be confirmed only after verification of original certificates, medical fitness test and payment of required fees.
- viii. Within two weeks of arrival in India foreign national students are required to register their names for residency permit with the Foreigner Regional Registration Office (FRRO) and with the local police.

Notes:

No International student shall be admitted to Delhi Technological University without a Research/Student's Visa issued in the name of Delhi Technological University. No other endorsement in lieu Research/Student's VISA is acceptable. Such Research Visa/ Student visa will be extended by the Ministry of Home Affairs after ascertaining that student is pursuing his/her studies as per regulations of the University and is receiving remittance through proper banking channels.

Online Application Filing Process for DTU Portal

Authentication
(Creation of Login ID and Password)

Online Filling-out the Application

Compulsory fields
filled out

Documents
to be Uploaded

Payment of Application Fee (USD 50)

Authentication of fee receipt

Signing the Declaration

Final Submission of the Application Form

Acknowledgement of successful
reception (of the form) sent to the
applicant via e-mail

Check List of Certificates to be Produced to Secure Final Admission

- Original and two sets of photocopies of Academic Transcripts.
- Original and two sets of photocopies of Passing/Qualifying Certificate.
- Tuition Fees – Admission fee and one year tuition fee / fees deposit receipt or proof for Admission fee and one year tuition fee deposited by student.
- 6 passport size color photographs
- Original work experience certificate (if applicable).
- Parent's acceptance letter along with ID/ original Residential Address Proof.
- Original and Photocopy of Passport, National ID, OCI card (whichever is applicable).
- Photocopy of Indian Visa stamped in the name of DTU (NOT MANDATORY for Bhutanese and Nepalese students).
- Residential Permit obtained from Local Foreigner Regional Registration Office (FRRO) (NOT MANDATORY for Bhutanese and Nepalese students) / No objection or recommendation letter from the respective Embassy.
- Sponsorship letter from student Organization or Ministry of Education of concerned country(if applicable).
- Medical Fitness certificate for health and fitness from any registered doctor/medical practitioner (No HIV / AIDS / Corona Virus Certificate).

Miscellaneous Information

Payment of fee for foreign nationals admitted through modes other than DASA

APPLICATION FEE: AT THE TIME OF SUBMISSION OF APPLICATION, A NON-REFUNDABLE FEE OF US\$ 50 (US DOLLAR FIFTY ONLY) SHALL BE REMITTED	REGISTRATION FEE: AN AMOUNT OF US\$ 250 TO BE CHARGED TOWARDS NON-REFUNDABLE COMPREHENSIVE REGISTRATION FEE ON ARRIVAL AT DTU.
---	--

The students admitted through Mode 1 shall be exempted since they have already paid the same to DASA secretariat.

In respect of the students admitted through Mode 2, the ICCR shall remit (US\$ 300) on their behalf.

Tuition and other component of fee for UG and PG students admitted in Academic Year 2021-22								
Category/Fee	Tuition fee				Other fee (Non-Government Component)

Foreign The candidates from Nepal and Bhutan can Medical Insurance submit their fees in Equivalent Indian Rupees. However, they will be required to get Exchange Rate Certificate from the bankers and submit the same.

Fee for Ph.D. Students shall be US\$2500 for first year and subsequently they have to pay US\$1000 per annum.

Hostel Accommodation and Other Expenses: The University will host nearby accommodation and help the students to sign a contract with the property owners for their stay. However, limited seats could be provided inside the University premises. The information of all available accommodation will be posted on the University website. Those interested, may apply in advance. In addition, the mess facility at the University can be availed by all the students.

Medical Insurance

International students must have adequate medical insurance during their entire stay in India on their own initiative.

Proof of Residency

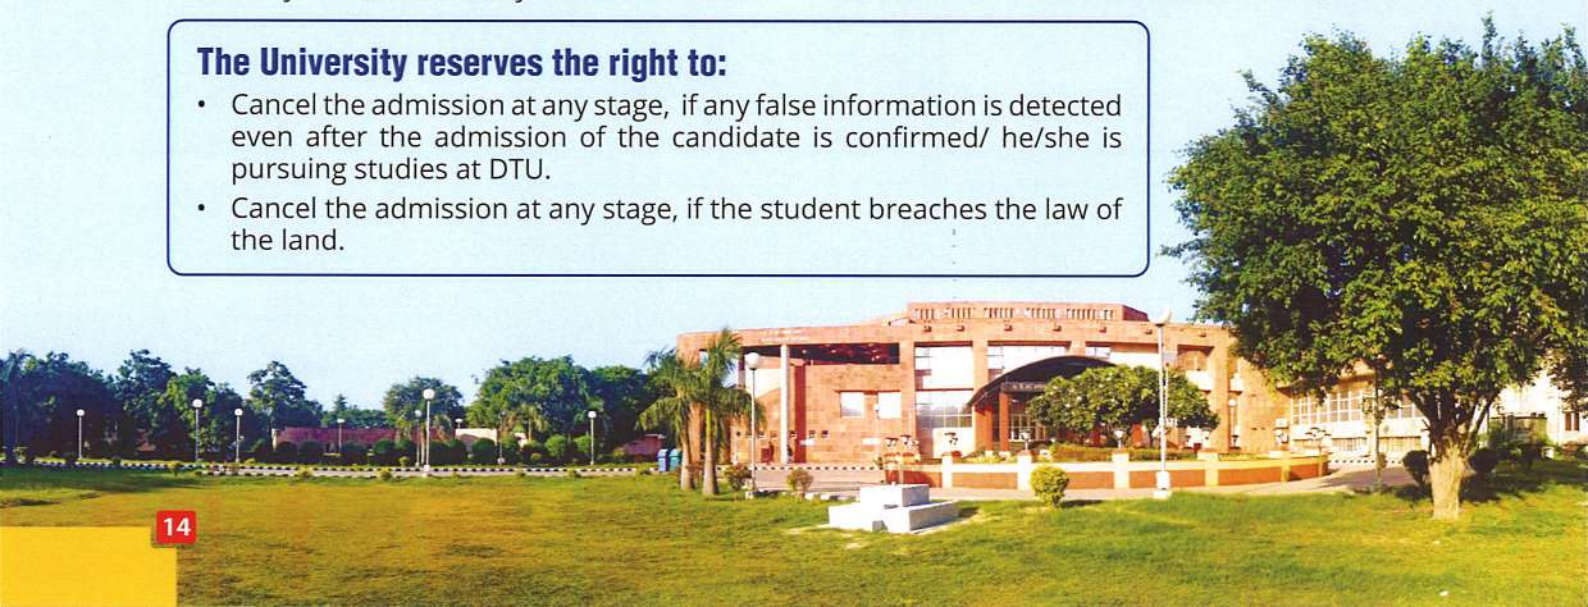

Copy of the passport issued by their respective countries (Nationals of Nepal who do not have a passport, copy of Authenticated Citizenship Card has to be submitted).

VISA Requirements

All foreign nationals are required to obtain Student/ Research VISA before they can register at Delhi Technological University.

The University reserves the right to:

- Cancel the admission at any stage, if any false information is detected even after the admission of the candidate is confirmed/ he/she is pursuing studies at DTU.
- Cancel the admission at any stage, if the student breaches the law of the land.

Hostel

Hostel life is one of the most enjoyable and memorable time of one's life. There are nine boys' hostels and six girl's hostels in DTU, besides, one separate hostel for international students (boys). Each hostel in the campus gives each individual ample opportunity to develop various qualities as each hostel is equipped with recreation room, reading room, mess and gymnasium. Additionally every hostel subscribes to the latest magazines and newspapers for the residents.

The hostels are connected to the campus via the campus wide wi-fi network and LAN which enables the residents to browse the internet and access the online library resources for their academic and research related work.

Library

The centrally air conditioned library at Delhi Technological University also acquires a prominent place among the students and faculty for academic and research activities. The Library has a very rich collection of relevant books and journals. Library is updated regularly by way of adding new literature in the form of text books, reference books, reports, proceedings, abstracts & indexes, encyclopedias, data books, standards (National & International), Journals & database on CD-ROM.

Extra Curricular Activities

DTU is not just about studies. Its aim is to cultivate the leaders of future. DTU offers abundant opportunities for the students to indulge in various activities apart from studies. Everyone is encouraged to develop various hobbies. Two annual student festivals form an integral part of life at DTU, namely

- **ENGIFEST** (Cultural Fest)
- **TECHFEST** (Technical Fest)
- **YUVAAN** (Literary Fest)

Sports

Physical education & sports play a vital role in achieving the aims and objectives of education. The students of DTU are provided with excellent facilities and encouraged to take part in the tournaments. The sports council organizes sports festival. **ARENA** (Intra

University Sports Fest) and **AHAVAAN** (Inter University/College Sports Fest). The festival witnesses the large participation of boys and girls in athletics, badminton, table tennis, basketball, carom, chess, cricket, tennis and volleyball.

Medical Facilities

- DTU has a well equipped health care center. The medical practitioners are available to the students requiring medical attention.
- The healthcare centre has specialized medical practitioners including ENT, dental care, Physiotherapy, Nutrition, Gynecology and Obstetrics etc.
- Further, medical camps are also being organized by the University on regular basis.
- In addition, Ambulance facility is also available in case of emergency.
- The University has also tie-ups with the major hospitals of Delhi for emergency cases.
