Disclaimer: This brochure contains information about admission process, tuition fees, programs, campus life of the Delhi Technological University applicable at the time of printing. Amendments of the Information in this brochure may be updated from time to time without prior notification. The truthfulness of the information contained in this brochure is therefore not guaranteed by the University at any given time and is always subject to verification. The user is kindly requested to verify the correctness of the published information with the University at all times. Failure to do so will not give rise to any claim or action of any nature against the University by any party whatsoever.
From the desk of the VICE CHANCELLOR........

Delhi Technological University (formerly Delhi College of Engineering) has an illustrious history spanning over 80 years. This prestigious institution is well known throughout the world for its world class education and student centric research & innovations. In this university the culture of research and innovations is inculcated right from the UG level. We have brilliant faculty and highly distinguished alumni who have made a mark worldwide. It is a testament to the ability of the university in educating future leaders.

In this university we have been actively promoting internationalization and are strongly committed towards further internationalization. We believe that the one of the important criteria for internationalization is not only to admit certain number of students and promote partnerships between institutions, but to have good quality programs, faculty, students and research & innovation environment that meets the international and global standards.

On behalf of DTU, I am pleased that you are considering DTU and hope that this institution will best meet your academic needs. The members of the Office of International Affairs are available to answer all your queries and assist you. The Office of International Affairs will make every effort to support you and make your educational experience wonderful.

The university is committed to internationalization and globalization. Your decision for selecting DTU will mean more than just earning a degree. We at administration are firmly committed to give you the best environment for your holistic development. You will be an integral part of the institution and your participation will broaden the university’s understanding about various cultures in the world that will make DTU a stronger university and better place. I therefore welcome all the international students who are desirous of joining DTU for their higher education.

About Delhi Technological University (DTU)

Introduction

DTU, a leading World Class Technological University, plays a vital role in National and Global Knowledge Network. It is empowering India with the Wings of Knowledge and Power of Innovations. With 80 years of tradition of excellence in “Engineering and Technological Education” and “Research and Innovations” Delhi Technological University, initially established with the name - Delhi Polytechnic in the year 1941 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. In 1952 established as Delhi College of Engineering (DCE) was affiliated with University of Delhi and started formal Degree level programmes. Since July 2009, the DCE has become Delhi Technological University vide Delhi act 6 of 2009.

Location

Delhi Technological University offers a flourishing educational environment, set in the north of a lively metropolitan city. It is situated at Rohini in North West Delhi. The campus is about 32 Kms from Indira Gandhi International Airport. For the first time visitor, a prepaid taxi/ three wheeler run by Delhi Police at airport is the best way of transport to reach Delhi Technological University.

Education System

Continuous and comprehensive evaluation with Choice Based Credit System (CBCS) is practiced, based on periodic homework assignments and examinations, intended to ensure that the student is aware of his/her level of proficiency. Academic year at DTU consists of two semesters, commencing in August and January respectively. Medium of instruction at DTU is ENGLISH.
Programs Offered by the University

Undergraduate Engineering Programs

Bachelor of Technology (B.Tech) (4 years)
1. Electronics & Communication Engineering (ECE)
2. Computer Engineering (COE)
3. Mechanical Engineering (ME)
4. Electrical Engineering (EE)
5. Production & Industrial Engineering (PIE)
6. Civil Engineering (CE)
7. Environmental Engineering (ENE)
8. Chemical Engineering (CHE)
9. Information Technology (IT)
10. Biotechnology (BT)
11. Software Engineering (SE)
12. Mechanical Engineering with specialization in Automotive Engineering (MAM)
14. Mathematics and Computing (MC)

Other Undergraduate Programs
1. Bachelor of Business Administration (BBA) (3 years)
2. Bachelor of Arts in Economics (BA(ECO)) (3 Years)
3. Bachelor of Design (B. Des.) (4 years)

Postgraduate Engineering Programs

Master of Technology (M.Tech) (2 years)
1. Polymer Technology (PTE)
2. Material Science & Technology (MST)
3. Bioinformatics (BIO)
4. Industrial Bio Technology (IBT)
5. Geotechnical Engineering (GTE)
6. Hydraulics & Water Resources Engineering (HRE)
7. Structural Engineering (STE)
8. Geoinformatics (GINF)
9. Computer Science & Engineering (CSE)
10. Artificial Intelligence (AI)
11. Data Science (DSC)
12. Software Engineering (SWE)
13. Information System (ISY)
14. Microwave & Optical Communication (MOCE)
15. Signal Processing & Digital Design (SPD)
16. VLSI Design and Embedded System (VLS)
17. Power Electronics & Systems (PES)
18. Control & Instrumentation (C & I)
19. Power System (PSY)
20. Environmental Engineering (ENE)
21. Production Engineering (PIE)
22. Thermal Engineering (THE)
23. Industrial Engineering and Management (IEM)
24. Energy Systems and management (ESM)
25. Computer Aided Analysis and Design (CAD)

Postgraduate Programs in Science, Design and Management (2 Years)

1. Master of Science in Mathematics
2. Master of Science in Physics
3. Master of Science in Biotechnology
4. Master of Science in Chemistry
5. Master of Design in Interaction Design
6. Master of Business Administration
7. Master of Business Administration in Business Analytics
8. Mater of Business Administration (Entrepreneurship, Innovation & Venture Development)
### Current Areas of Research (PhD Programme):

ADMISSION PROCESS

Eligibility

Definitions

1. Indian Nationals Studying Abroad: An Indian citizen who is ordinarily residing outside India and holds an Indian Passport and must have had at least 3 (three) years of education in a Foreign country during the last 6 (six) years and must pass the qualifying examination (inclusive of 11th and 12th standard or equivalent) from abroad only.

2. Overseas Citizen of India (OCI):
   a) The citizens of another country (except Pakistan and Bangladesh) but was a citizen of India at the time of, or at any time after, the commencement of the constitution; or was eligible to become a citizen of India at the time of the commencement of the constitution; or belong to a territory that became part of India after the 15th day of August, 1974; or who is a child or a grandchild of a great grandchild of such a citizen; or
   b) A person, who is minor child of a person mentioned in clause (a); or
   c) A person, who is a minor child, and whose both parents are citizens of India or one of the parents is a citizen of India; or
   d) Spouse of foreign origin, of a citizen of India or spouse of foreign origin, of an Overseas Citizen of India Cardholder registered under section 7A, Citizenship Act 1955. And as per Gazette Notification No. 2601/01/2014-IC.I dated 09.01.2015 the Persons of Indian Origin (PIO) cardholders shall now be OCI cardholders. The student admitted under this category can do all activities except research work for which special permission is required from the Indian Mission/Post/FRRO concerned.

3. Foreign Nationals: Citizens of all countries other than India, who are not of Indian Origin as defined under OCI.

Essential Academic Eligibility for Undergraduate Program

Applicant should have 60% aggregate marks or 6.00 CGPA on a 10 point grade or equivalent grades for B.Tech students, 60% marks or 6.00 CGPA on 10 point grade or equivalent grades for BBA, B.A (Economics) and B.DES students in aggregate for all subjects of qualifying examination i.e. Senior Secondary [10+2] or equivalent from any system of education as recognized by the Association of Indian Universities (AIU) with:

Essential Academic Eligibility for Postgraduate Program

Essential Academic Eligibility for Postgraduate Program in Engineering and Management

Applicant should have 60% aggregate marks or 6.00 CGPA on a 10 point grade or equivalent grades in aggregates in their qualifying degree recognized as equivalent by the AIU/UGC/AICTE/other statutory bodies as applicable.

(a) Applicant must have passed the qualifying examination i.e. four/five year undergraduate program in Engineering/Technology or equivalent in relevant disciplines pertaining to the M.Tech program of application.

(b) For MBA program: An appropriate UG degree from any stream of education along with valid CAT/MAT score.

Essential Academic Eligibility for Postgraduate program in Sciences and Design

Applicant should have 60% aggregate marks or 6.00 CGPA on a 10 point scale or equivalent CGPA provided by concerned Institute/University in their qualifying degree recognized as equivalent by the AIU/UGC/AICTE/other statutory bodies as applicable.

I. Mathematics: B.A/B.Sc. (Gen or Hons) with mathematics as one of main subject.
II. Physics: B.Sc. (Gen or Hons) with Physics as one of main subject.
III. Bio Technology: B.Sc. (Gen or Hons) with Biology as one of the main subjects.
IV. Chemistry: B.Sc (Gen or Hons) with Chemistry as one of the main subjects.
V. M.Design – An appropriate UG degree from any stream of education.

Essential Academic Eligibility for Doctor of Philosophy

Applicant should have 60% aggregate marks or 6.00 CGPA on a 10 point grade or equivalent grades in aggregates in their qualifying degree.

The minimum entry qualification for admission to PhD program shall be a master's degree in Engineering/Technology / Science / Economics / Humanities / Management of the DTU or any other equivalent qualification recognized by University in exceptional cases candidates with Bachelor of Engineering/Technology degree with a minimum of 75% marks in aggregate or equivalent CGPA will also be considered for admission.(for more details visit www.dtu.ac.in/admission/PhD)
General Eligibility Criterion for International Students

- The Degrees/Certificates of the International Students should have been recognized and approved by the Association of Indian Universities (AIU) as equivalent to the corresponding Indian Degrees/Certificates.
- They must hold a valid passport from their respective countries.
- Evidence of required academic performance must be in the form of certified English transcripts listing all the programs with the grades or marks earned. Transcripts in languages other than English are not acceptable.
- If the applicant has passed the qualifying examination where grades are awarded:
  - Where the grade sheet doesn’t mention the equivalent percentage of marks from grade points, the candidate should submit a certificate of conversion from the concerned Institution/University mentioning either the converted percentage or the formula for the actual conversion of grade point average to percentage of marks.
  - Where the grade sheet itself mentions the equivalent percentage of marks from the grade points or formula for such conversion, the candidate should get both sides of the Degree/Grade Sheet photocopied showing the equivalent percentage of marks/conversion formula and enclose with the Application Form.

Notes
- Candidates admitted to any course in this University shall not be eligible to pursue simultaneously any other full time course in this or in any other University/Institution.
- An international student who has been granted admission to a particular course shall not be allowed to change the course.
- All the International students required to produce medical fitness certificate. As per government rules all International students entering India on student visa have to be tested for HIV and will not be given admission if found to be positive. The following medical fitness test need to be performed. Only those students who are found medically fit shall be admitted to different programmes of the University:
  - HIV Test (AIDS Test)
  - Chest Check-up (through X-Ray)
  - Hepatitis surface Antigen (HBsAg) before admission
  - Corona Virus Test
  - General Medical Test
- All international students will be required to obtain medical insurance cover for the entire course of study, initially for the first year and then subsequently renew it for further years.

Age

Maximum age as on 31st August 2023
For all Undergraduate programmes where entry qualification is 12th class – 25 years.
For all Postgraduate programmes where entry qualification is undergraduate degree - 35 years.
Mode of Admission

Out of the 15% seat on supernumerary basis, three modes of admission of Foreign Nationals/Indian Nationals studying abroad/Overseas Citizen of India are prescribed.

Mode 1 (M1) Direct Admission of Student Abroad (DASA) (5% seats supernumerary basis)
DASA is a scheme of Ministry of Human Resource Development, Government of India (GoI) for admissions to premier institutions of India. Under this category the student directly apply through DASA portal. Complete information regarding the procedure of admission, eligibility and payment of fee will be available on DASA website (link: http://www.dasanit.org).
Admission shall be done centrally through the central counseling held at nodal centre, appointed by DASA Ministry of Human Resource and Development, Government of India (MHRD, GoI) on yearly basis.

Mode 2 (M2) Indian Council of Cultural Relation (ICCR)
1. 2% percent of foreign nationals from SAARC and ASEAN (details given in seat matrix M2)
2. 3.5% for foreign nationals from countries other than (a) above: (details given in seat matrix)

Under this category the application of the candidates shall be routed directly through Indian Council of Cultural Relation (ICCR), (link: http://a2ascholarships.iccr.gov.in/) GoI. The form shall be accompanied by relevant documents attested by the authorized persons of their respective countries.

Additional requirement/qualifications (UG) for M3 (a) & M3 (b) -
1. The candidate should be in possession of valid TOEFL/IELTS score. However, the candidates with medium of instruction as English at the level of qualifying degree/certificate with the certification from Head of Institution/GoI official of the country can avail the waiver from valid TOEFL/IELTS score.
2. Merit list shall be prepared on the basis of their aggregate score in the subject Physics, Mathematics and the other core subject.
3. Any other requirement prescribed by the University from time to time.

Additional requirement/qualifications (PG)
1. Should have a valid TOEFL/IELTS score. The condition shall be waived-off in the event the University/Board from where the candidate has obtained the degree/certificate for qualifying examination that the medium of instruction of the courses taught for qualifying degree has been English.
2. Admission shall be done on the basis of their aggregate score in the qualifying degree or CAT/MAT score (which ever is applicable).

Additional requirement/qualifications (PhD)
Candidates for online interview will be short listed on the basis of aggregate score in qualifying degree. The selection will be based on online interview by respective Department Research Committee.

Mode 3 (M3) DTU Portal/Embassies in India.
a. 1.5% for foreign nationals from SAARC and ASEAN and, (details given in seat matrix M3 (a))
b. 1.5% for foreign nationals from countries other than (a) above: (details given in seat matrix.)
c. 1.5% for foreign national qualify through JEE Mains.

Under Mode 3 the requirement of passing class 11th & 12th or equivalent from foreign country is mandatory.

Application Process Mode 3: Under this category candidates shall apply on-line in the prescribed format before the last date directly on the web portal of the office of International Affairs (link: https://dtu.ac.in/), Delhi Technological University. The form shall be accompanied by relevant documents attested by the authorized persons of their respective countries. Alternatively, the application may be received from the foreign embassies in India. Information to Ministry of External Affairs, GoI, FRRO be made before reporting of student for the admission.

Additional requirement/qualifications (UG) for M3 (c) -
1. Mandatory qualifying Scholastic Aptitude Test (SAT) / American College Testing (ACT) in Mathematics, Physics/Science, and other core subject.
2. The candidate should be in possession of valid TOEFL/IELTS score. However, the candidates with medium of instruction as English at the level of qualifying degree/certificate with the certification from Head of Institution/GoI official of the country can avail the waiver from valid TOEFL/IELTS score.
3. Merit list shall be prepared on the basis of SAT/ACT score as per concordance tables obtained in Physics/Science, mathematics and the other core subject. If clash in SAT/ACT score is observed then preference is given to higher average mathematics and Physics/Science percentage marks. If Again clash is observed then preference is given to the higher candidate's age.
4. Any other requirement prescribed by the University from time to time.

Additional requirement/qualifications (PG) for M3 (c) -
1. Mandatory qualifying JEE (Mains) score in Physics, Mathematics and Chemistry.
2. Merit list shall be prepared on the basis of JEE Mains Score.
3. Any other requirement prescribed by the University from time to time.

Additional requirement/qualifications (PG) -
1. Should have a valid TOEFL/IELTS score. The condition shall be waived-off in the event the University/Board from where the candidate has obtained the degree/certificate for qualifying examination states that the medium of instruction of the courses taught for qualifying degree has been English.
2. Admission shall be done on the basis of their aggregate score in the qualifying degree or CAT/MAT score (which ever is applicable).

Additional requirement/qualifications (PhD)
1. Short listing will be done on the basis of aggregate score in qualifying degree, and admission will be decided on the basis of online interview at par with regular PhD admission.

Note: Students who are awarded scholarships by any Indian/international agencies shall be given preference for admission and for hostel accommodation.

The admission in any course shall not be granted on predicted scores.

Note: The unfilled seats of a particular specialization under M2 and M3 categories shall be filled from waitlisted applicants of other modes for all UG and PG programs.

### Fee Payment Details

All applicants to submit fees in below mentioned account only. In case dollar fees is submitted in INR then it is mandatory to submit bank certified exchange rate (between dollar & INR) of the same date as that of transaction date of fee submission. The fee submission to be done with the exchange rate certified by bank for that day in case fees is submitted in INR.

Bank Name: State Bank of India
Bank Account Holder Name: REGISTRAR, DTU- INTERNATIONAL AFFAIRS
Bank Account Number: 37143752513
Bank IFSC Code: SBIN0010446

Please NOTE that without bank certified exchange rate, the respective fee transaction will not be accepted.
Admission Procedure

Admission of all the international students will be done through the University's Office of the International Affairs. The admission of International students is carried out in following different stages.

Application Form → Provisional Selection → Issuing of VISA
FRRO Registration for Residency Permit ← Registration ← Remittance of Fee ← Medical Examination

Application Procedure for International Students

International students have to follow the following steps for applying for admission in different programmes of the University:

i. Apply online for mode mode 1, 2, and 3 on the website aforementioned.

ii. The office of International Affairs, Delhi Technological University will get the applications scrutinized by the Departmental co-ordinators, department research committee and admission committee of DTU.

iii. The admission committee, DTU will compile the information on the basis of scrutiny, prepare the merit list and send the list of selected and wait listed candidates for the approval of Hon'ble Vice-Chancellor DTU, and upon getting the same, issue a provisional admission letter to the applicants.

iv. The provisional admission letter covering all the important information of the student like Name of the student, Passport No., Name of the programme, etc. for meeting VISA requirements, will be sent to the student will be sent to the student (under mode 3 and mode 4). However the information regarding admission, registration etc shall also be sent to applicants under mode 1 and mode 2.

---

### The University reserves the right to:

- Cancel the admission at any stage, if any false information is detected even after the admission of the candidate is confirmed/ he/she is pursuing studies at DTU.
- Cancel the admission at any stage, if the student breaches the law of the land.
Campus Life

Hostel

Hostel life is one of the most enjoyable and memorable time of one's life. There are nine boys' hostels and six girl's hostels in DTU, besides, one separate hostel for international students (boys). Each hostel in the campus gives each individual ample opportunity to develop various qualities as each hostel is equipped with recreation room, reading room, mess and gymnasium. Additionally every hostel subscribes to the latest magazines and newspapers for the residents.

The hostels are connected to the campus via the campus wide wi-fi network and LAN which enables the residents to browse the internet and access the online library resources for their academic and research related work.

Library

The centrally air conditioned library at Delhi Technological University also acquires a prominent place among the students and faculty for academic and research activities. The Library has a very rich collection of relevant books and journals. Library is updated regularly by way of adding new literature in the form of text books, reference books, reports, proceedings, abstracts & indexes, encyclopedias, data books, standards (National & International), Journals & database on CD-ROM.

Extra Curricular Activities

DTU is not just about studies. Its aim is to cultivate the leaders of future. DTU offers abundant opportunities for the students to indulge in various activities apart from studies. Everyone is encouraged to develop various hobbies. Two annual student festivals form an integral part of life at DTU, namely

- **ENGIFEST** (Cultural Fest)
- **TECHFEST** (Technical Fest)
- **YUVAAN** (Literary Fest)
Sports

Physical education & sports play a vital role in achieving the aims and objectives of education. The students of DTU are provided with excellent facilities and encouraged to take part in the tournaments. The sports council organizes sports festival, ARENA (Intra University Sports Fest) and AHAVAAN (Inter University/College Sports Fest). The festival witnesses the large participation of boys and girls in athletics, badminton, table tennis, basketball, carom, chess, cricket, tennis and volleyball.

Medical Facilities

- DTU has a well equipped health care center. The medical practitioners are available to the students requiring medical attention.
- The healthcare centre has specialized medical practitioners including ENT, dental care, Physiotherapy, Nutrition, Gynecology and Obstetrics etc.
- Further, medical camps are also being organized by the University on regular basis.
- In addition, Ambulance facility is also available in case of emergency.
- The University has also tie-ups with the major hospitals of Delhi for emergency cases.
