

SMART INDIA HACKATHON 2019

Innovation and entrepreneurship are at the peak in India. In order to make development a comprehensive mass movement and innovate on all fronts, MHRD, AICTE, i4c and Persistent Systems have come together to organise Smart India Hackathon (SIH) 2019 - a unique Open Innovation Model for identifying new and disruptive technology innovations to solve the challenges faced in our country. It's a non-stop product development competition, where problem statements are posed to technology students for innovative solutions.

Registration for SIH 2019 ends on 20th January, 2019. Interested students can apply. Teams can contain a maximum of 6 students. Teams must get a consent letter signed by Single Point of Contact (SPOC), DTU.

This year's SPOC is Dr. N.S. Raghava, Professor Electronics and Communication Engineering.
