**DELHI TECHNOLOGICAL UNIVERSITY**  
(Formerly Delhi College of Engineering)  
Shahbad Daultapur, Main Bawana Road, 110042

**Dated:17/05/2021**

**VISUAL STORY TELLING**  
**|| 4 Week Internship Programme 2021||**

**4WIP 2021 VST**

Internships are the best way to get experience in Visual Story Telling if you are starting with none. Real-life experience working on real projects with real release dates, with a team of real professionals.

An internship on a resume sets you apart on paper, and it will also set you apart in your skills, abilities, and experience.

As an intern, you will have the unique opportunity to work directly with Visual Story Telling mentors, as you explore all aspects of art of storytelling, Animation and illustration. Your internship will also allow you to meet and collaborate with a talented group of students from around the place and become part of a multi-disciplinary team focused on both individual and group projects.

The Department of Design of Delhi Technological University is offering a 4-week Internship program during the Given summer Break. Details are as given below:
