SHAHBAD DAULATPUR, DELHI-42.

Dated : 21/12/2015

Shortlisted Candidates for post of Junior/Senior Research Fellow

Thank you for your interest in applying for JRF/SRF position under DST sponsored research project entitled "Reliable and Efficient System for Community Energy Solution-RESCUES". Since, more than 200 number of applications have been received, so, only limited number of candidates will be called for interview on 23rd December, 2015. The selection criteria for short listing is as per following:

1. B.Tech in EE/EEE/IC with minimum 75% and above (JRF).
2. M.Tech with specialization in PE/PS/Power engineering with 75% in B.Tech and 70% or equivalent in M.Tech or above (SRF*).
3. Valid GATE score.
4. Relevant research experience in power electronics & DSP/micro-controller programming and embedded control.

* Those with specialization other than aforesaid shall be considered only against JRF

**Venue: Committee Room, Electrical Engineering Department
Delhi Technological University, Delhi-110042**

**Prof. Vishal Verma
(PI, DST Project)**
