Central library, Delhi Technological University is organizing a Workshop/ Training/ Demo session on **EBSCO Discovery Service** on 16<sup>th</sup> March 2018 (Friday) at 11:00 a.m. in the Conference Hall on 3<sup>rd</sup> floor of the Central Library.

*EBSCO Discovery Service* brings together the most comprehensive collection of content—including superior indexing from top subject indexes, high-end full text and the entire library collection—all within an unparalleled full-featured, customizable discovery layer experience.

With *EBSCO Discovery Service*, faculty, researchers can conduct a discovery search of their library's entire collection on a single, powerful search platform—including databases, special collections, eBooks, catalog records, archives and a wide range of digital content available through their library. EDS uses the same intuitive features that are available on *EBSCOhost*—the leading research platform designed to optimize the user search experience.

All Deans, HODs, faculty members, Ph.D and M.Tech students are invited to attend the Workshop/ Training/ Demo session. Since there are limited seats a registration is necessary. To register yourself kindly use the following link please:-
