GUIDELINES FOR CORPUS FUND AT DELHI TECHNOLOGICAL UNIVERSITY

Higher education including Technical Education in India is mainly funded by the government through Grant in Aid or budgetary support. With the expansion of higher education as well as to improve the quality of education through better infrastructure and other facilities, the fund requirements in future will increase. The world over, including India, many institutions have established the Corpus Fund in order to generate funding from sources other than GIA and also to meet the needs of funds of the university.

Therefore, building of a corpus fund is important, in order to ensure smooth sustenance of university. Though, core activities of the university will continue with the help of University Generated Fund, Grant-in-Aid from Government, creation of corpus fund is envisaged by Delhi Technological University Act, 2009 for specific purpose and it will be generated from different sources. Delhi Technological University Corpus Fund may involve contributions from alumni, parents, businesses, Corporates, professionals, and friends in building up a strong financial base for the purpose of extending support to young talents to achieve their dreams without any financial constraints.

A OBJECTIVES OF THE FUND

- To enlarge the resource base by mobilizing participation of society.
- To evolve a process for the participation of Society in the University development.
- To develop the best human resource for teaching and research activities in the University.
- To create research infrastructure.
- To support in enhancing healthy and motivating environment in the University
- To create and modernize facilities in the University.
