NOTICE

Subject: - Internship during May-July 2020

In view of current ongoing COVID-19 situation, the classes have been held in online teaching mode and online teaching ended on 9th May,2020. Considering the current situation, the examination for intermediate semesters of all the programs will be held w.e.f. mid July 2020. As the classes are already over, **the students are advised to start the internship/ practical training at the earliest and complete the internship/practical training by mid July 2020, i.e. before commencement of End term examination.**

Further, it has been noticed that majority of companies are offering virtual internship/training due to current lockdown situation. Students who have not received any internship offers can apply for internship at following AICTE recommended portals:

https://internshala.com/

https://smartinternz.com/rsip2020

The department of Training & Placement is planning to organise internship program involving the DTU faculty and experts from industry, for such students who do not get an internship. The students can work on a challenging project under guidance of a faculty member as part of their internship. The details of proposed internship program will be shared after receiving the internship related information from the students.

All the students of B.Tech(1st, 2nd , 3rd year) , MBA(1st year), BBA/BA(2nd year) are required to fill up the following form to provide information regarding internship (by 14th May 2020, 7pm)
