**Advisory Measures Against COVID-19**

In view of the rise in COVID-19 cases recently, the following precautionary measures are to be followed at Kidz Den-Day Care Centre :

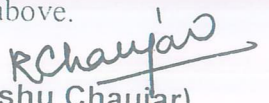

1. **Physical Distancing**: Modify in-classroom activities, use available space, and scatter schedules to have fewer children in each area.
2. **Shared Objects**: Keep each child's belongings separated and avoid shared objects as far as possible.
3. **Outdoor Play Area**: Being outdoors reduces the risk of spreading COVID-19, but preventive measures are still needed. Keep hand hygiene and cleaning supplies readily available.
4. Actions like **wearing masks properly**, staying home when sick, **frequent handwashing**, regular and consistent cleaning and disinfecting to be followed.

The Caretaker at the Day Care Centre shall ensure that children wash their hands everytime:

- When they arrive at the centre and before they go home
- Before and after eating and drinking
- After using the restroom
- After playing outside
- After sneezing or coughing

**To minimize exposure, only enrolled children and staff shall have the access to the Centre. There will be absolutely no visitors or volunteers during this time. Any visit, if required, should be brought to the knowledge of the undersigned.**

The Kidz Den-Staff shall ensure a strict compliance of all the procedures as mentioned above.
