**Exchange student's application process**

Dear student,

Before completing your application, please carefully read the explanations below.

**1- Eligibility**

To be eligible to study as an exchange/Erasmus student at EPF, your university must have a reciprocal agreement with EPF.

Please note that EPF only accept students for a study period, and not for an internship (or for a Final Project / thesis).

**2- Academic calendar**

The academic year is divided into 2 semesters:

φ *Fall semester*: from beginning of September to end of January

φ *Spring semester*: from end of January to end of June

An orientation meeting is organised during the week before the beginning of the classes.

**3- Courses available**

During the fall semester, only 5<sup>th</sup> year courses are available.

4<sup>th</sup> year courses are taking place during the Spring semester.

1<sup>st</sup> to 3<sup>rd</sup> year courses are not open to exchanges.

The courses are spread on our 3 campuses:

Campus	Name of the Major	Language of instruction
Sceaux	Aeronautics & Space	50 % English
	Structure & Material	100 % French
	Engineering & Digital Technologies	100% French
	Engineering & Management	100 % English
	Engineering & Health	100% French
Montpellier	Energy & Environment	50 % English
	Data Engineering	100 % English
Troyes	Building & Eco-cities	100% French

Please check the location before selecting your programme.

#### 4 - Language requirements

As you already know, most courses are conducted in French. In order to successfully complete modules and courses, you must first demonstrate sufficient French language skills. A B1 level in French is required, if you select courses taught in French.

Students who have selected courses taught in English will have to prove a B2 level in English. Official test results are required (or OLS test results for Erasmus students).

We nevertheless recommend you to get at least a beginner's level of French language before you arrive in France. An intensive French Language programme is organised during summer (more information: <http://www.epf.fr/en/international/french-engineers-programme>)

#### 5 - Other requirements

Exchange students must take and participate in a minimum of 20 ECTS credits / semester (maximum 30).

You will also be expected to attend classes and take all assessment for all of your registered courses at EPF.

#### 6 - Deadlines

For a stay in the Fall semester, the deadline is April 30<sup>th</sup>.

Students wishing to study at EPF in the Spring semester have to apply by October 30<sup>th</sup>.

#### 7 - Content of the online application

A complete application contains:

- φ Online application form,
