## Important Dates
Last date for submission of filled Registration Forms: 20th January, 2015

Date for confirmation – 25th January, 2015

Commencement of the Course: 9th February, 2015

# Delhi Technological University

Delhi Technological University was established in 1941 as Delhi Polytechnic by then Government of India and upgraded as Delhi College of Engineering (DCE) in 1965. In 2009, Delhi College of Engineering became Delhi Technological University (DTU) vide Delhi Act no. 6 of 2009 by the Government of NCT of Delhi. It is a leading world class Technological University with an illustrious past. A large number of its alumni have made their mark in their respective fields. Some of the distinguished alumni are Shri Vinod Dham – Designer of Platinum Chip, Shri Raj Soin – Chairman, Soin International, Ohio, USA, Shri K.L. Chugh, Chairman Emeritus, ITC Limited, Prof. Yogesh Goswami – Distinguished Professor of Solar Energy Technologies, University of Florida, USA. Today, Delhi Technological University (DTU) is a key node in the national and global knowledge network, thus empowering India with the wings of knowledge and power of innovations.

# Department of Humanities

The Department is an integral part of Delhi Technological University since its inception in 1941 as Delhi Polytechnic and later, Delhi College of Engineering in 1965. It has had its own share in contributing to the growth and development of DTU and in giving a human face to the core engineering and managerial skills acquired by the students. Beside teaching compulsory and elective subjects at B.Tech., M. Tech. and M.B.A. level, the department offers full time and Part-time Ph.D. programme. The atmosphere of the department is quite vibrant and faculties as well as students regularly publish and present their research findings at national and international platforms.

# Objective

The main objective is to provide a comprehensive understanding of skills related to the exploration, development and publication of research ideas.

# Course Contents

(i)    Developing ideas into research topic

(ii)   Qualitative methods of conducting research
(a)    Case study-Field work
(b)    Ways to interpret case studies

(iii)  Quantitative Methods of conducting research
(a)     Sample sizes
(b)    Data analysis of conducting research through Statistical techniques
(c)    Interpretation of result

(iv)   Presenting, writing and publishing research findings
(v)    IPR, Impact factor of the journal etc.
(vi)   Plagiarism

# Resource Persons

Eminent resource persons from various reputed institutes and leading Publication Houses will deliver lectures.

# Participation

The Short Term Training program is open to the research scholars, young faculty from any discipline and professionals from corporate sector. Interested candidates are required to register and send the duly filled registration form forwarded by the competent authority to the Principal Coordinator at the earliest but not later than 20.01.2015 either by mail or post. The selection will be on first come first serve basis depending upon the availability of the seats. The selected participants will be informed by email and the list will be uploaded on DTU website.

## Accommodation and Travel

Accommodation is limited and will be made available at DTU guest house on prior request in writing on payment basis. The participants will not be paid TA/DA for attending the program.
