## **MESSAGE**

It gives me immense pleasure to announce the commencement of the admission process of the B.A. (H) Economics and MA (Economics) programmes for the academic year 2023-24 at the University School of Management & Entrepreneurship (USME), East Delhi Campus, DTU.

Delhi Technological University is a premier Indian University dedicated to the creation of a synergetic partnership between academia and industry. It has a long history of achievements with a profound commitment to both undergraduate and postgraduate education. The University currently offers various interdisciplinary and industry-relevant programmes in science, technology, management and allied areas.

The University School of Management & Entrepreneurship (USME) was established at the East Delhi Campus of DTU in 2017, with programmes at the undergraduate and postgraduate levels, keeping in mind the expanding horizon of professional education in entrepreneurship development and the ever-growing demand for management professionals in the corporate world. The programmes in the three disciplines of Management, Economics and Innovation, Entrepreneurship and Venture Development, introduced at USME, have been designed with a practice orientation. The focus is on experiential learning aimed at participants' entrepreneurial awakening and exposure, enhancing their creativity, and professionalism based on effective managerial skills and orientation in the participants, enabling them to become future leaders.

The BA (H) Economics and MA (Economics) programs offered by USME are designed to align with USME's vision of serving society and industry through specialized programs with a practice-based approach. These programs capitalize on the strengths of the USME and the University, which include rigorous foundational courses in economics, a curriculum driven by real-world practice, emphasis on applying and analyzing economic concepts, integration of technology and analytics, and an overall scientific perspective. Moreover, the programs provide specializations in both traditional core areas of economics and emerging fields within the discipline.

My best wishes to all eligible aspirants applying for admission to the B.A. (H) Economics and MA (Economics) programmes.

# ABOUT UNIVERSITY SCHOOL OF MANAGEMENT & ENTREPRENEURSHIP

The USME was established in the East Delhi campus (EDC) of DTU in the year 2017, to fulfill its mission of offering a portfolio of the highest quality of programs aimed at emerging area such as analytics and venture development, and the creation of an ecosystem for learning, research and practice in management and entrepreneurship. It aims to grow into a nodal centre for entrepreneurship, and to become a multidisciplinary practise-oriented school.

Situated in the East of Delhi, the Campus comprises three disciplines of Management, Economics and Innovation, Entrepreneurship, and Venture Development, with faculty having a background of leading institutions such as IIM Calcutta/Lucknow, IIT Madras, JNU, DSE, etc. It houses an ecosystem that is not only multidisciplinary, but multidimensional in its range of activities. There is a network of student entrepreneurs from the MBA Entrepreneurship streams, and ventures (including the DTU-IIF incubates), mentors and professionals, in-house and visiting faculty from premier institutions and industry, and a vibrant student community.

USME not only offers degree programs at the UG, PG and doctoral levels, it has also conducted intense workshops for students such as in Entrepreneurship, Business Strategy, R for Machine Learning, the Start-up Conclave etc. which provide a lot of co-curricular learning. The cultural fest "Traction", including business contests, and many other celebrations of youthful artistic expression, including sixteen clubs in different professional and other interest areas, all lead to a rich extra-curricular life on Campus. These activities have drawn students from across India, including from the IIMs and other premier colleges, and students also participate in many national level festivals and competitions.

The first USME Internship fair organised in February 2020 resulted in over three hundred fifty internship offers. This was followed by a Corporate Engagement Week organised in April 2021 which witnessed over five hundred offers to both UG and PG students.

USME has added very modern classroom infrastructure and discussion spaces, a state-of-art library and information centre, seminar rooms, and a 200-capacity state of the art Manthan Hall. The Campus students organize various events ranging from cultural fests, talks, business contests, and internship/final placement fairs, workshops and a lecture series of thought leaders across disciplines.

There is a separate common rom for girl students, and it has many facilities along with carrom and TT tables, found in all common rooms. Badminton courts are also there on Campus, along with shared international standard hockey facilities, and access to all the famed DTU Main Campus sports complex facilities for lawn tennis, cricket, gymnastics, basketball, etc. It also sends its own teams to competitions in various sports.

# ABOUT UNIVERSITY SCHOOL OF MANAGEMENT & ENTREPRENEURSHIP

USME offers the Master of Business Administration (MBA) program, the MBA (Business Analytics), an MBA (Innovation, Entrepreneurship & venture development) and Master of Arts (MA) in Economics programmes at the PG level and the Bachelor of Business Administration (BBA) and Bachelor of Arts (Honours) in Economics programmes at the UG level. The Executive MBA – Data Science and Analytics is also being offered this year. The Ph.D. programs in Management, Economics and Entrepreneurship/Venture Development disciplines has nineteen scholars at present. There are over one thousand students on the USME Campus at present.

## The USME Vision

To develop and nurture the spirit of management leadership and entrepreneurship with a sense of social conscience for the common good of the society.

## The USME Mission

- To impart management education through a portfolio of professionally designed programmes with focus on management, entrepreneurship, family business, public policy, business analytics, financial markets and many more
- To establish centres of excellence in entrepreneurship development, innovation, incubation and organization development
- To create a new knowledge-based learning ecosystem through relevant and useful research in the context of changing technology and societal needs
- To encourage and foster the spirit of enquiry and develop scientific temper
- To nurture responsible ethical leaders
- To contribute towards enrichment of corporate and professional life by providing consultancy and training

## **CENTRES OF EXCELLENCE**

### **Entrepreneurship Development Centre (EDC):**

The aim of the centre is to develop an institutional mechanism to create entrepreneurial culture in science and technology and to foster techno entrepreneurship and knowledge enterprise development for generation of wealth and employment by personals. The centre guides the budding students to pursue entrepreneurship as their career. ## **ABOUT B.A. (H) Economics Programme**

The B.A. (H) Economics programme aims to provide a sound understanding of core, pure and applied economics. While students study economics in considerable depth in this specialized degree, students also apply ideas and techniques from many other disciplines too; including analytics, computers, mathematics, statistics, and other ability enhancement courses. Apart from building core knowledge in economics, the course permits students to adopt electives of their interest in management subjects.

## **Course structure of B.A. (H) Economics**

The University is offering a four-year undergraduate program in BA (H) Economics from the 2023-24 academic session. The programme is based on the philosophy and structural elements proposed in the New Education Policy 2020, and the Curriculum and Credit Framework for undergraduate programs published by the UGC in December 2022. The major elements of NEP 2020 such as a structure of certification providing flexibility of learning curriculum, multidisciplinary of learning, interdisciplinary courses, providing for deeper learning in dual disciplines such as through a Minor, have been brought into the curriculum. It is envisaged that with Economics, the streams of Management and Decision Sciences/Analytics that have proven to be of great value, will be strengthened with the provision of a minor in either area.

The programme will offer multiple exit options to the students with an option to obtain a certificate/diploma/3-Year Degree with or without the Minor Specialization/4-Year Honours Degree with or without the Minor Specialization. Drawing upon the strengths of the University and the department, the minor specialization will be offered in the areas of Management and Data Science. In line with the objectives of NEP 2020 and the curriculum framework of undergraduate programmes proposed by UGC, the course structure will include multidisciplinary courses to broaden the intellectual experience of the students; ability enhancement courses to enable the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, and skill-enhancement courses, including value-added courses which will seek to impart practical skills, hands-on training, soft skills, etc., to enhance the employability of students.

## **Admission Eligibility for MA (Economics):**

1. The candidate must have appeared in the Common University Entrance Test (CUET) - PG 2023 conducted by the National Testing Agency (NTA).
2. The candidate must be a graduate in any discipline with at least 50% marks or equivalent CGPA from a recognised university.
3. Candidates belonging to the SC/ST/PWD categories will be eligible for a 5% relaxation in the minimum marks criterion.
4. In case the conversion formula is not provided by the concerned University/Institution, the equivalent percentage will be computed as per the DTU Guidelines i.e, Percentage of Marks = 10 x CGPA
5. Candidates who are in the final year of graduation are also eligible to apply, provided they submit the proof of eligibility by a specific date to be decided by the Admission Committee, failing which their admission will be cancelled.
6. There is no age limit for applying to the programme.

## **Admission Criteria for MA (Economics):**

Admission to the MA (Economics) programme for the 2023-24 academic session will be based on the score obtained in any one of the following subjects in the Common University Entrance Test (CUET) – PG exam being administered by the National Testing Agency (NTA):

- Economics
- Statistics
- Mathematics

To resolve and determine inter-se merit of candidates having same score in the CUET (PG) exam, the following criterion will be used in the stated order of preference:

1. Date of birth will be compared and elder candidate will be given preference
2. In highly unlikely event of date of birth being same, then rank will be decided on the basis of marks/CGPA obtained in the qualifying degree.
