### Message from the Hon'ble Vice Chancellor

I am delighted to announce the commencement of the admission process for the B.A. (H) Economics and M.A. (Economics) programmes for the academic session 2025-26 at the University School of Management & Entrepreneurship (USME), East Delhi Campus, Delhi Technological University (DTU).

DTU stands as one of India's premier institutions, committed to nurturing a vibrant interface between academia and industry. With a distinguished legacy and a strong focus on both undergraduate and postgraduate education, the university offers a wide array of interdisciplinary and industry-oriented programmes in science, technology, management, and allied fields.

Established in 2017, USME has been at the forefront of promoting professional education in the areas of economics, management, and entrepreneurship. The school offers dynamic undergraduate and postgraduate programmes, all of which are rooted in experiential learning. Its pedagogy emphasizes hands-on training, practical exposure, and entrepreneurial thinking to develop future-ready professionals and leaders.

The M.A. (Economics) programme reflects DTU's vision of contributing to societal and industrial progress through high-quality, application-oriented education. It offers rigorous training in core economic theory and quantitative methods, while also integrating real-world applications, data analytics, and technology-driven insights. Students are encouraged to apply concepts and techniques from allied disciplines such as analytics and management, fostering a multidimensional understanding of economic issues.

Meanwhile, the BA(H) Economics programme incorporates multidisciplinary and interdisciplinary learning, flexible exit options, and the opportunity to pursue a Minor in Management or Data Science. It emphasizes deep learning through a broad curriculum that includes ability enhancement, skill-based, and value-added courses to improve students' academic and professional competencies. I extend my heartfelt wishes to all eligible candidates aspiring to join these programmes and invite them to embark on this enriching academic journey at Delhi Technological University.

## GENERAL INSTRUCTIONS

1. The application forms can be accessed through the University's website at: [www.dtu.ac.in](http://www.dtu.ac.in).
2. Candidates are advised to go through the Admission Brochure carefully and acquaint themselves with all the requirements related to filling out the Online Application Form.
3. The registration fee of Rs. 1500/- for GN/OBC/EWS/SC/ST/PwD/KM candidates is to be paid online through credit/debit card or net banking at the time of registration. If a candidate completes the application form successfully but does not pay the registration fee, he/she will not be considered for seat allotment in any round of counselling. The registration fee paid shall be non-refundable.
4. It is the responsibility of the candidate to ascertain whether he/she possesses the requisite eligibility and qualifications for admission, as specified in this brochure.
5. If a candidate is found ineligible at any stage — before or after the examination/declaration of result or during any stage of the programme — his/her candidature/admission will be cancelled without any notice, and suitable action shall be initiated against him/her, including forfeiture of the fee.
6. Applicants are advised to preserve the Online Application Form as well as any acknowledgements, if provided, for future reference.
7. While filling out the application form, candidates must verify the correctness of all the particulars furnished by them. If any candidate is found to have furnished false information or concealed any information in his/her application, he/she will be debarred from admission. Further, the University reserves the right to take suitable action against the applicant in this regard, including forfeiture of the fee.
8. After the application form is complete in all respects and all the required documents have been uploaded, candidates must confirm all details before final submission. No editing or changes will be allowed once the form has been submitted.
9. Candidates must ensure that the mobile number and email address provided by them are valid and belong to the candidate or his/her immediate family members. These will be used by the University for future communication. The University will not be responsible for communication failures due to invalid or incorrect contact details provided by the candidate.
10. It is in the candidate's interest to remember his/her password and keep it highly confidential to avoid misuse by others.
11. If a candidate wishes to apply for admission to a programme offered by a different department, he/she must register separately for that department and pay a separate online registration fee.
12. Tentative dates for the commencement of the first and subsequent rounds of admission are mentioned in this Admission Brochure. Any updates or changes will be notified on the DTU website ([www.dtu.ac.in](http://www.dtu.ac.in)).
13. The list of documents required for admission counselling is mentioned in this brochure. Candidates are advised to bring or upload, wherever specified, all the relevant documents at the time of admission.
14. Candidates seeking admission under reserved categories must mandatorily produce the caste/category certificate in their own name at the time of counselling. A certificate issued in the name of either parent or any other family member will not be accepted, and the candidate will not be entitled even to provisional admission. The caste certificate must also be uploaded on the online admission portal. NCL/EWS certificates should be issued after 31st March, 2025.
15. It is the sole responsibility of the candidate to prove his/her eligibility for claiming reservation under any of the reserved categories. A candidate who is offered a seat under a reserved category or sub-category in any round of seat allotment but fails to produce the appropriate supporting documents will have the allotted seat cancelled. He/she may be considered for allotment under the GENERAL (GN) category in subsequent rounds, subject to submission of a written request to the University, eligibility, availability of vacant seats, and his/her merit. The University reserves the right to accept or reject such requests.

# ABOUT DELHI TECHNOLOGICAL UNIVERSITY

Delhi Technological University (DTU), a leading World Class Technological University, plays a vital role in National and Global Knowledge Network. It is empowering India with the Wings of Knowledge and Power of Innovations. With more than 84 years of tradition of excellence in “Engineering & Technological Education” and “Research & Innovations”. DTU came into being after the reconstitution of the Delhi College of Engineering by the Government of NCT of Delhi in 2009, by Act 6 of 2009, passed by the assembly of the NCT of Delhi. It is a non-affiliating, teaching and research University, committed to achieve excellence in Engineering, Science, Technology, Management and allied areas and matters connected therewith or incidental thereto. The university, in its various avatars, namely, the ‘Delhi Polytechnic’ and ‘Delhi College of Engineering’ (DCE), has been serving the nation and the global community since its inception in 1941, by providing trained manpower of highest quality in the field of engineering and technology, and, is globally well known for its outstanding education, research and innovations. The University

currently offers various inter-disciplinary and industry relevant programs in Science, Technology, Management, and allied areas at the Undergraduate, Postgraduate and Doctoral level. The University has established a strong academia-industry interface and has collaborations with reputed research organizations, industries, and premier institutions. A great many alumni of the institute have excelled at home and abroad and through their contributions to the profession of engineering they have brought high honour and enhanced the dignity of engineering fraternity being rolled out from institutions in India. The University lays great emphasis on assisting students in the development of national character, self-confidence, leadership and fostering an ecosystem for creativity and imagination.

Currently operating from two campuses—its main campus at Shahbad Daulatpur on Bawana Road and its East Delhi Campus at Vivek Vihar—DTU ensures access to world-class facilities for students across locations.

## VISION

To be a world class university through education, innovation and research for the service of humanity

## MISSION

To establish centres of excellence in emerging areas of science, engineering, technology, management and allied areas

To foster an ecosystem for incubation, product development, transfer of technology and entrepreneurship

To create an environment of collaboration, experimentation, imagination and creativity

To develop human potential with analytical abilities, ethics and integrity

To provide environment friendly, reasonable and sustainable solutions for local & global needs.

## PROGRAMMES OFFERED

The University offers 14 Undergraduate engineering programmes (B.Tech.), four bachelor programmes [i.e. B.Des., BBA, Bachelor of Business Administration (Innovation, Entrepreneurship and Venture Development) and B.A.(H) Economics], 4 B.Tech. Programmes in Continuing Education, 25 M.Tech. programmes, M.Tech by Research, 5 MBA programmes, 5 M.Sc. programmes, M.A. (Economics), M.Des. Programme and 5 5-Year Integrated B.Sc.-M.Sc. programmes. The university also offers Ph.D. programmes in all areas of engineering, science, management and economics. The UG and PG programmes of DTU offer most modern curricula, based on the Choice Based Credit System (CBCS), having rich mix of courses from science, engineering, management, social sciences, humanities, fine arts, liberal arts, classical music, sports, etc. The course curricula have been developed with a view to integrate advancements in science and engineering, while also incorporating industry relevant technologies. To provide further flexibility there is provision for credit transfer and earning credits through massive online courses (MOOCs) from different platforms such as NPTEL, SWAYAM, Coursera and Edx etc. The curriculum is regularly updated keeping in view the new technologies and changes in needs of industries and society.

### Faculty and Research

The university has a very talented pool of experienced, as well as young faculty members who are well qualified in their area of specialization and have very good national and international exposure. To engage the students and faculty in research and innovation the university offers provisions

like funding for students' innovative projects, financial assistance to students for attending internship overseas, research project grants to all faculty members etc.

To celebrate the individual's excellence in research, the university gives Research Excellence Awards to researchers in three categories of awards annually, namely, Outstanding Research Awards, Premier Research Awards, and Commendable Research Awards. The awards are open to all the researchers of DTU. The University provides funds to faculty and students to organize and attend various faculty development programs, seminars, and conferences.

### Accreditations and Rankings

The university is having ISO 9001:2015 certification since 27.11.2018, accredited with 'A' grade by NAAC (National Assessment and Accreditation Council) and has been accorded 2(f) and 12-B status by the University Grants Commission (UGC). Many of its UG & PG engineering programmes are also accredited by the National Board of Accreditation (NBA). The University is consistently ranked among best 10 engineering institutions as per the various independent surveys on best engineering institutions of the country. The university has been ranked 9th by India Today's Top engineering colleges in India 2024. The 2024 NIRF rankings placed DTU at the 27th position among the engineering institutions and at 48th in the categories of universities. DTU has been placed at 801- 1000 bracket in the Times Higher Education World University Ranking 2025.

## CENTRES OF EXCELLENCE AT DTU

### **Vinod Dham Centre of Excellence for Semiconductors and Microelectronics (VDCoE4SM)**

Focuses on advancing research and training in semiconductors and IC manufacturing. Hosts major events like faculty development programs and international conferences, supporting India's semiconductor mission.

### **Nodal Centre for Excellence in Energy Transition (NCEET)**

Aims to drive R&D in clean energy technologies and energy efficiency. Engages in collaborative projects and workshops to promote renewable energy adoption and reduce carbon footprints.

### **Centre of Excellence for Electric Vehicles and Related Technologies (CoE for EVRT)**

Promotes R&D in electric vehicle technologies with support from DKDF and DTU. Offers training, internships, and interdisciplinary research in motors, charging infrastructure, and battery systems.

### **Centre of Excellence in Disaster Risk Reduction (COEDRR)**

Aims to innovate technologies for mitigating natural and man-made disasters. Plans include offering elective courses, M.Tech., and joint Ph.D. programs in collaboration with national and global institutions.

### **Centre of Excellence for The Science of Happiness**

Promotes well-being through research, training, and workshops on happiness and mental health. Seeks to enhance personal growth, productivity, and community harmony at DTU.

### **Entrepreneurship Development Centre (EDC)**

Cultivates an entrepreneurial ecosystem through workshops, competitions, and mentoring. Encourages techno-entrepreneurship and social ventures via collaborations like Enactus.

### **Centre for Community Development and Research (CCDR)**

Works on sustainable livelihoods and inclusive growth through tech-driven grassroots initiatives. Engages in community-focused research, frugal innovations, and capacity-building.

### **Multidisciplinary Centre for Geoinformatics (MCG)**

Aims to become a premier hub for geospatial education and research. Collaborates with DST, ISRO, and other agencies, offering M.Tech. and Ph.D. programs in geoinformatics.

## Centre for Extension & Field Outreach

Centre for Extension and Field Outreach was established in DTU in the year 2018. The various activities/ program performed by the Centre is to sensitize the students to develop social values, widespread their responsibilities and knowledge in societal issues and problems by making them to involve with the community people. DTU is a Participating Institute under “Unnat Bharat Abhyan”- a Project of Ministry of HRD, Govt. of India and adopted five villages and are conducting classes in their schools. Directorate of Education, Govt. of NCT of Delhi awarded a Project “Youth for Education” and has launched “Desh Ke Mentor”, which is one of the largest mentoring program in school education. Centre has also started a certificate course titled as “Basic Computer Course”

Under Lab on Wheels (LOW) Scheme for the candidates from the Government Schools of NCT of Delhi or from society. Centre at DTU is coordinating with Delhi Police conducting Skill development program through one-month basic computer training to Juveniles in conflict with law/ weaker section in Rohini. Centre is regularly organizing Seminars/ online webinars/ workshops/ Awareness programs etc and is working towards increasing productivity, enhancing skills and abilities, focusing on growth and helping people to work on their own future development. Additionally, NSS at DTU facilitates enhanced student engagement with community contributing to deeper reservoirs of ideas.

### Innovation and Incubation Foundation (DTU-IIF)

DTU-IIF is a Technology Business Incubator (TBI) established in 2016 as a non-profit section 8 company. Currently, this TBI is supported by the Government of Delhi and Delhi Technological University. DTU-IIF helps start-up companies and individual entrepreneurs to develop their

business ideas by providing a range of services including co-working office space, mentoring support, funding support with venture capital financing, and other supports & resources they need, all under one roof. During last five years, IIF provided 70 lakhs of funds to 56 start-up companies. Also, DTU-IIF promotes the culture of innovation and Entrepreneurship by organizing various webinars/workshops/Hackathons, etc. The Business Review Committee screens the new ideas and recommends incubation at DTU-IIF. The Finance Review Committee recommends the investment of Rs. 7.5 lakh per start-up. Delhi Technological University established Technology Business Incubator (TBI) in the name of DTU Innovation and Incubation Foundation (DTU-IIF). DTU-IIF was incorporated as section 8 Company on 06.09.2016.

### DCE-DTU Alumni Network

DCE-DTU Alumni are serving leadership positions in many of the best-known companies in India and abroad, in marketing, finance, human resources, information technology, research & analytics, innovation & entrepreneurship. And the worldwide network of illustrious alumni includes world-known personalities like Prof. Vinod Dham (Father of the Pentium Chip), Dr. Raj Soin (Founder, CEO of Soin, and LLC), Prof. D. Yogi. Goswami (Inventor, Author, Entrepreneur and Educator), Dr. Durga Das Aggarwal (President, CEO Piping Technology & Products, Inc). Mr. Vijay Shekhar Sharma, (Founder of Paytm), Sh. Karnal Singh (Former Chief of Enforcement Directorate), Sh. Arun Goyal (Member-CERC & Former Secretary, Cabinet Secretariat).

Alumni have been traditionally contributing generously towards placement opportunities, sponsorships/ Fellowship programs and infrastructural developments of their alma mater. Donations for Raj Soin Hall by Dr. Soin, Clean Energy Research

Centre establishment by Prof. Yogi Goswami, and several scholarships for the students of DTU have shown the dedication of the alumni for the betterment of their alma mater. Vinod Dham has sponsored “Centre of Excellence for Semi-conductors and Micro-electronics” to established centralized state of art infrastructure facility for device design / material research / fabrication for cutting edge R&D in Semi-conductors and Micro-electronics.

## Events and Festivals

The university organizes annual cultural, literary, sports and technical festivals. These festivals not just provide an opportunity to the students to connect with the professional world, but also display their creative and technical skills in several interesting events and activities organized during the fests. The ENGIFEST, one of the most well attended student’s cultural event in northern India and the YUVAAN, the literary Fest, is annual cultural extravaganza

of the university and offers a good mix of literary, cultural, and entertainment events. The “INVICTUS” is annual technical festival of the university where all technical societies of the university host various technical activities and competition. The AAHVAAAN is the annual sports fest organized by DTU sports council.

## Medical Facilities

DTU has a well-equipped health care centre. The medical practitioners are available to the students requiring medical attention. The healthcare centre has specialized medical practitioners including ENT, dental care, Physiotherapy, Nutrition, Gynaecology and Obstetrics etc. Further, medical camps are also being organized by the University on regular basis. In addition, Ambulance facility is also available in case of emergency. The University has also tie-ups with the major hospitals of Delhi for emergency cases.

More information about DTU can be accessed at [www.dtu.ac.in](http://www.dtu.ac.in).

## ABOUT UNIVERSITY SCHOOL OF MANAGEMENT & ENTREPRENEURSHIP (USME)

The USME was established in the East Delhi campus (EDC) of DTU in the year 2017, to fulfill its mission of offering a portfolio of the highest quality of programs aimed at emerging area such as analytics and venture development, and the creation of an ecosystem for learning, research and practice in management and entrepreneurship. It aims to grow into a nodal centre for entrepreneurship, and to become a multidisciplinary practise-oriented school.

Situated in the East of Delhi, the Campus comprises three disciplines of Management, Economics and Innovation, Entrepreneurship, and Venture Development, with faculty having a background of leading institutions such as IIM Kolkata/Lucknow, IIT Madras/Ropar, JNU, DSE, etc. It houses an ecosystem that is not only multidisciplinary, but multidimensional in its range of activities. There is a network of student entrepreneurs from the MBA Entrepreneurship streams, and ventures (including the DTU-IIF incubates), mentors and professionals, in-house and visiting faculty from premier institutions and industry, and a vibrant student community.

USME not only offers degree programs at the UG, PG and doctoral levels, it has also conducted intense workshops for students such as in Entrepreneurship, Business Strategy, R for Machine Learning, the Start-up Conclave etc. which provide a lot of co-curricular learning. The cultural fest "Traction", including business contests, and many other celebrations of youthful artistic expression, including sixteen clubs in different professional and other interest areas, all lead to a rich extra-curricular life on Campus. These activities have drawn students from across India, including from the IIMs and other premier colleges, and students also participate in many national level festivals and competitions.

USME has added very modern classroom infrastructure and discussion spaces, a state-of-art library and information centre, seminar rooms, and a 200-capacity state of the art Manthan Hall. The Campus students organize various events ranging from cultural fests, talks, business contests, and internship/final placement fairs, workshops and a lecture series of thought leaders across disciplines. Common Rooms, Sports and Recreation.

There is a separate common room for girl students, and it has many facilities along with carrom and TT tables, found in all common rooms. Badminton courts are also there on Campus, along with shared international standard hockey facilities, and access to all the famed DTU Main Campus sports complex facilities for lawn tennis, cricket, gymnastics, basketball, etc. It also sends its own teams to competitions in various sports.

USME offers the Master of Arts (MA) in Economics and Executive MBA (Data Science and Analytics) programmes at the PG level and the Bachelor of Business Administration (BBA), BBA IEV and Bachelor of Arts (Honours) in Economics programmes at the UG level. The Ph.D. programs in Management, Economics and Entrepreneurship/Venture Development disciplines has nineteen scholars at present. There are over one thousand students on the USME Campus at present.

### The USME Vision

To develop and nurture the spirit of management leadership and entrepreneurship with a sense of social conscience for the common good of the society

### The USME Mission

To impart management education through a portfolio of professionally designed programmes with focus on management, entrepreneurship, family business, public policy, business analytics, financial markets and many more

To establish centres of excellence in entrepreneurship development, innovation, incubation and organization development

To create a new knowledge-based learning ecosystem through relevant and useful research in the context of changing technology and societal needs

## Training and Placement

The training and placement centre of USME works in collaboration with the Training and Placement Department of DTU. The placement process is, like all premier institutions, a student-run affair, working under the guidance of the faculty coordinators. The team of training and placement cell acts as an interface between the industry and students, and provides counselling, practical assistance and runs programs, to help develop students in various spheres, so that they can achieve their aspirations. The centre also helps students in getting internships and short duration industry projects. Industry experts are invited to groom the students according to the industry specific requirements. The cell organizes career guidance Programmes for all the students from first semester onwards. To enrich the professional competencies of the students there are assessment centres which includes activities like personality profiling, mock interviews, group discussions, business simulations. Along with the placement activities the cell is collecting feedback from industry about performance of students employed and transmitting the same appropriately for corrective actions.

## Annual Internship and Placement Week 2025-26

The Training and Placement Cell of the University School of Management and Entrepreneurship (USME), Delhi Technological University (DTU) successfully organized its annual Internship and Placement Fair, PRATIBHA 5.0, on April 16–17, 2025. A total of 22 esteemed companies participated in the event, offering opportunities across various domains, 165 students received offer letters, marking a successful outcome for both students and recruiters.

## ABOUT THE B.A. (H) Economics Programme

The B.A. (H) Economics programme aims to provide a sound understanding of core, pure and applied economics. While students study economics in considerable depth in this specialized degree, students also apply ideas and techniques from many other disciplines too; including analytics, computers, mathematics, statistics, and other ability enhancement courses. Apart from building core knowledge in economics, the course permits students to adopt electives of their interest in management subjects.

### Course structure of B.A. (H) Economics

The University is offering a four-year undergraduate program in BA (H) Economics from the 2023-24 academic session. The programme is based on the philosophy and structural elements proposed in the New Education Policy 2020, and the Curriculum and Credit Framework for undergraduate programs published by the UGC in December 2022. The major elements of NEP 2020 such as a structure of certification providing flexibility of learning curriculum, multidisciplinary of learning, interdisciplinary courses, providing for deeper learning in dual disciplines such as through a Minor, have been brought into the curriculum. It is envisaged that with Economics, the streams of Management and Decision Sciences/Analytics that have proven to be of great value, will be strengthened with the provision of a minor in either area.

The programme will offer multiple exit options to the students with an option to obtain a certificate/diploma/3-Year Degree with or without the Minor Specialization/4-Year Honours Degree with or without the Minor Specialization. Drawing upon the strengths of the University and the department, the minor specialization will be offered in the areas of Management and Data Science. In line with the objectives of NEP 2020 and the curriculum framework of undergraduate programmes proposed by UGC, the course structure will include multidisciplinary courses to broaden the intellectual experience of the students; ability enhancement courses to enable the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, and skill-enhancement courses, including value-added courses which will seek to impart practical skills, hands-on training, soft skills, etc., to enhance the employability of students.
