ARTHIK KHAYAL 4.0	EcoTech-The Economics Society of USME, DTU organised the fourth edition of 'Arthik Khayal' – the bilingual open forum, judged by Ms. Aakanksha Kaushik, Assistant Professor, USME. It was a pleasure to have the eloquent speakers across the college. The judge's insightful opinions and the strong and comprehensive views of the intellectual participants made the event successful and fruitful.	11th October, 2020	Mr. Virender Kumar and Ms. Aakanksha Kaushik
Sectoral Analysis – Agriculture	After successfully releasing the inaugural edition of our magazine Arthik", we're proud to present 'Sectoral Analysis- Agriculture', a continuation to Arthik" Volume 1. With contributions from some of the brightest economics enthusiasts from the college, this is an exemplary academic article that provides glimpses into the economics of agriculture in India. It encompasses a broad spectrum of areas ranging from labour conditions to policy talk, from dairy farming to agricultural stocks.	3rd December, 2020	
First ever online fest – 'Arthvyuh'	EcoTech, the Economics Society of Delhi Technological University organised its much awaited annual event *Arthvyuh*. It consists of various competitions, mini book fair, webinars, and sponsors. Picturesque- This competition combined the love for photography and Economics by giving students the opportunity to showcase their understanding of economics and relating it to the real-life moments captured through their camera. Stickerama- This competition provided a platform to make learning of economics more interesting by asking participants to channel their creativity and imagination by making informative memes, stickers or gifs. KBE (Kaun Banega Economist)- KBE was our very own economics themed quiz. Starting with the fastest finger first round, the winners of this round were given the opportunity to sit on a 'hot seat' and use their knowledge of core economics to conquer the subsequent rounds to become the winner. Spotted- Spotted was an innovative competition which gave the participants a platform to strategize their creativity, invent ideas and implement it by making a unique audio advertisement.	9-10th January, 2021
