Project Sahara	<p>India was witnessing an unprecedented crisis which shattered our Public Health System, people are struggling to survive everywhere, including the capital. EcoTech - The Economics Society of USME DTU has decided to launch Project Sahara to help the students of NCT. We connected students with experts in various domains (Consulting, Economics, Policy, Mental Health, MBA) for Personalised, 1 on 1, Career Counselling and Mentoring in which they would share with you their own journey, experiences and tips in the field of interest. Students had to make a small donation to an organisation of your choice to avail the personalised session. Our Esteemed Panel Members included Gaurav Jha, Rohan Singh, Aryan Agarwal and Yoshima Singh. We were extremely grateful to them for volunteering for this noble initiative with their precious time.</p>	29th April, 2021
