# Value Addition courses (VAC)

- VAC 20-SPORTS I
- VAC 21-SPORTS II

Physical education has evolved significantly over time, becoming a multidisciplinary subject that encompasses much more than just physical fitness and an understanding of the rules of various games and sports. Today, physical education integrates knowledge from diverse fields such as science, biology, genetics, psychology, and sociology. This multidisciplinary approach offers students a deeper and more holistic understanding of the role that sports and physical activity play in their lives. By studying various aspects of physical education, students can gain insights into how sports impact both their physical well-being and mental health, and how this knowledge can contribute to their overall development.

At Delhi Technological University (DTU), sports are not merely seen as recreational activities but are viewed as an integral part of student life that significantly contributes to their holistic development. The university recognizes the essential role sports play in promoting physical fitness, mental resilience, and academic excellence. Engaging in sports enhances teamwork, discipline, and leadership skills—qualities that are vital for personal and professional success. By incorporating sports into the daily routines of students, DTU provides them with an opportunity to develop these crucial attributes in a structured and supportive environment.

Beyond promoting physical fitness, sports at DTU serve as a powerful means of stress relief, helping students cope with the pressures of their demanding academic workloads. Balancing rigorous academic schedules with regular physical activity enables students to maintain both their mental and physical health, leading to improved concentration and academic performance. The university's focus on the importance of sports extends to creating a well-rounded campus experience that fosters social interaction and a strong sense of community among students.

DTU offers a variety of sports facilities and organizes numerous events that encourage student participation in both inter-college and intramural competitions. These events are not only a platform for showcasing athletic talent but also a way to strengthen bonds among students, cultivate school spirit, and encourage a healthy competitive environment. By participating in sports, students develop interpersonal skills and learn to work effectively in teams—skills that will prove invaluable in their future careers.

Furthermore, the emphasis on sports at DTU is aligned with the university's mission to produce well-rounded graduates who are not only academically proficient but also physically and emotionally resilient. By nurturing these qualities through sports, DTU helps students prepare for the challenges they may face beyond their academic journey, whether in their personal lives or professional careers.

In conclusion, sports at Delhi Technological University are far more than a physical activity; they are an essential part of student development that enhances both personal and academic success. Through the Value Addition Courses VAC 20 - SPORTS I and VAC 21 - SPORTS II, students have the opportunity to explore the wide-reaching benefits of physical education, gaining knowledge and skills that will serve them well throughout their lives. The university's commitment to sports ensures that students leave with not only a degree but also the physical and mental fortitude to excel in all areas of life.

## 1) NATIONAL YOUTH DAY RUN (12TH JANUARY 2024)

The National Youth Day Run was organized by the sports council DTU at Delhi Technological University (DTU) Sports Complex on January 12th, 2024 to commemorate the birth anniversary of influential spiritual leader Swami Vivekananda. Established in 1984, the day honors Vivekananda's teachings and emphasizes the importance of youth in nation-building.

Fig. 1A – Honorable vice chancellor along with other dignitaries flagging off the veteran's India run

The event was commenced at 9:00 AM. Our Hon'ble Vice Chancellor Prof Prateek Sharma was the Chief Patron of the event. The other honourable dignitaries were Prof. Rajeev Chaudary, Dean (Student Discipline) and Prof. R.C. Singh, Chairman, Sports Council and Head of Department (HoD)

Fig-2-A-Participants geared up for the run

Fig-2-B-Group photograph of all the participants, run along with all the dignitaries

The National Youth Day event was marked by a vibrant flag-off ceremony attended by esteemed university officials, faculty members, and notable figures from the sports and fitness industry. This inclusive running event witnessed enthusiastic participation from students of DTU and neighbouring colleges, fostering a sense of community and sportsmanship among runners of all age groups and fitness levels.

Fig-3-B-Winners being awarded with medal, certificates and a water bottle with VC Sr.

The event culminated with a prize distribution ceremony, where outstanding performers were recognized with trophies, medals, and certificates, reinforcing a spirit of friendly competition. In addition to sports, the event featured cultural performances and community initiatives, creating a holistic experience for the participants. The DTU Sports Council was commended for organizing an event that not only celebrated youth but also encouraged personal growth and unity.

## 2) REPUBLIC DAY CELEBRATION 2024 (26TH JANUARY 2024)

On the occasion of Republic Day, DTU Sports Council organized an eventful day filled with sports activities to celebrate the spirit of the nation. The event commenced with a Republic Day Run, followed by an exciting cricket match between the faculty team and the students.

Figure 1 Honourable Vice Chancellor Prof. Prateek Sharma being awarded by the token of appreciation by Prof. R.C. Singh Chairman Sports Council DTU.

Figure 2 Hon. Registrar Prof. Madhusudhan Singh being awarded by the token of appreciation for his gracious presence.

Figure 3 Honourable Vice Chancellor and other dignitaries at Sports Complex office discussing on future events

Figure 4- Prof. S. Indu, Dean Students Welfare, Prof. Rajeshwari Pandey, Dean Academics UG along with wife of VC sir the chief guest for the event.

The Republic Day celebrations saw the presence of many honourable dignitaries such as our honourable Vice-Chancellor Prof. Prateek Sharma, Registrar Prof. Madhusudan Singh and Prof. R.C. Singh, chairman Sports Council DTU and Head of Department, Department of Design at 10:00 Am at the DTU Sports Complex. The run was open to both students and faculty members, and it saw enthusiastic participation from the DTU community.

The event saw a diverse participation of students from DTU. Participants from different age groups and fitness levels came together to celebrate the essence of youth and sportsmanship. The inclusive nature of the event fostered a sense of community among the participants.

### 3) PARAAKRAM 2024 (14TH-17TH FEBRUARY 2024)

“PARAAKRAM” the sports meet for faculties and staff of Delhi Technological University was organized between the 14th to 17th of February, 2024. It was organized for professors, PhD scholar and other staff members of all the departments.

Figure 3 All the honourable dignitaries standing up for the National Anthem

Figure 4 All the dignitaries at the lamp-lighting ceremony

“PARAAKRAM – 2024” was one of the best-executed events that the sports council has partaken this year. It was an event that effectively showcased that there is immense potential and participation in sports and fitness activities that DTU organizes. The event not only fostered a sense of competition but also promoted camaraderie and a shared passion for sports among the DTU community.

Figure 7 Our Hon. V.C. Sir receiving the token of appreciation by Prof. R.C. Singh, Chairman, Sports Council DTU

Figure 8 Our Hon. Registrar, Prof. Madhusudhan Singh receiving token of appreciation by Prof. Rajeev Chaudary, Vice Chairperson Sports Council DTU, and Dean, Student Discipline

The Closing ceremony was also conducted on High Note. Trophies, medals and token of appreciation were given to respected participant, organiser, honourable dignitaries etc. Everyone came together and celebrated the unique blend of camaraderie and sportsmanship among everyone taking out time from routine work.

The Following sports were played in the same (for both Men and Women category):

1. Cricket
2. Football
3. Badminton
4. Chess
5. Carrom
6. Table tennis
7. Lawn tennis
8. Athletics
9. Volleyball (Men)
10. Throwball (Women)
11. Basketball
12. Kabaddi

## 4) AAHVAAN 2024 (5TH-7TH APRIL 2024)

AAHVAAN'24 annual national level event organised by Sports Council, Delhi Technological University on 5th - 7th April, 2024 and 3rd & 4th April, 2024 as Day zero. This grand event is meticulously organized by the dedicated student committee, reflecting the enthusiasm and commitment of DTU's dynamic community. Celebrated as one of the premier sports festivals nationwide, AAHVAAN'24 enjoys a prestigious reputation, drawing participants and spectators from all corners of the country.

At its essence, AAHVAAN'24 embodies a comprehensive vision that goes beyond a mere sports event. It is a vibrant platform designed to offer Universities students an exceptional opportunity to display their athletic skills. Furthermore, it acts as a beacon for rising talents, nurturing an environment conducive to their development and success.

The mission of AAHVAAN'24 is multifaceted, emphasizing not only the celebration of athleticism but also the promotion of a spirited culture of healthy competition. It is a convergence point for the brightest young minds, showcasing their abilities while fostering an atmosphere of camaraderie, sportsmanship, and excellence.

### OPENING CEREMONY

The opening ceremony, gracing DTU's Sports Complex on April 5th, 2024, witnessed Hon'ble Vice Chancellor Prof. Prateek Sharma inspiring young sportsmen as shown in Fig. 1. The esteemed lineup of chief guests, including distinguished sports personalities, leaders added a palpable excitement, setting the stage for an exceptional sporting extravaganza. Their presence not only elevated the event but also ignited a spirit of camaraderie and excellence among participants. Hon'ble even tried some shots in the middle to boost the team confidence as shown in Fig, 3

Shahbad Daulatpur, Main Bawana Road, Delhi-110042

Varanasi, October 20, 2024 — Delhi Technological University (DTU) showcased its athletic prowess at Spardha 2024, the annual sports festival hosted by IIT (BHU), Varanasi. With over 38 years of celebrated history, Spardha has grown into one of Northern India's largest and most eagerly awaited sports festivals. This year, it saw the participation of over a thousand athletes from institutions across the country, competing in sports ranging from hockey and basketball to cricket, boxing, and tennis.

DTU's spirited participation in the event was marked by its Kabaddi team competing in fiercely contested matches against both PIET and LMNIT. After a series of intense performances, DTU secured the third position and proudly claimed the **Bronze medal**, showcasing their strategic depth, physical endurance, and teamwork. The matches, held at IIT (BHU)'s grand sports arena, thrilled spectators as DTU's players battled fiercely against strong opponents, delivering an exciting and memorable performance.

Fig 1: DTU Kabaddi team in action, competing against the INVERTIS team in a thrilling match at Spardha 2024

The competition took place against the backdrop of Spardha's vibrant atmosphere, fueled by the presence of celebrated sports personalities and an enthusiastic audience. This dynamic environment motivated participants to push the boundaries of their performance, with DTU's athletes embodying the event's core spirit of excellence and sportsmanship.

Spardha 2024 brought together not only top-tier athletes but also leading sports organizations and firms, making the festival a convergence point for both talent and opportunity. DTU's Kabaddi team, led by coach insert miss prakriti , represented the university's growing presence in the competitive sports circuit, standing shoulder to shoulder with the best from across the country.

Spardha's legacy continues to inspire athletes to aim higher and exceed their limits. For DTU, this year's event was another stepping stone in its journey towards building a strong sporting culture. With memories of electrifying moments, thrilling performances, and shared camaraderie, Spardha 2024 left a lasting impact on all who participated.

DTU showcased dominant performances in the Kabaddi event

- DTU won their first Kabaddi match against PIET with a score of 29-15.
- They followed up with another big win against IMNIT, 43-14.

Shahbad Daulatpur, Main Bawana Road, Delhi-110042

IIT Mandi, October 26, 2024 — Delhi Technological University (DTU) participated with great enthusiasm in Rann-Neeti 2024, the annual inter-college sports fest hosted by IIT Mandi. This year, Rann-Neeti brought together over a thousand athletes from technical institutes across India, making it a prominent event for showcasing student talent in various sports. Spanning October 26 to October 28, the fest provided a platform for competitors in athletics, basketball, chess, cricket, football, and more, highlighting the immense sporting potential of students nationwide.

DTU's teams demonstrated remarkable spirit and skill across multiple events, continuing the university's tradition of sporting excellence. Rann-Neeti has grown each year as a nexus of competitive energy and sportsmanship, allowing young athletes to push their limits and engage in thrilling competitions. Representing DTU, our athletes showcased not only their skills but also their commitment to teamwork and resilience, leaving an indelible mark on this esteemed sports fest. This report delves into DTU's outstanding performances, team highlights, and memorable moments across events at Rann-Neeti 2024.

DTU's team participated in a broad spectrum of sports at Rann-Neeti 2024, including athletics, basketball, chess, cricket, football, table tennis, and volleyball. Each event demonstrated the talent, dedication, and sportsmanship of DTU athletes, who competed with skill and resilience. This extensive representation across various sports exemplified DTU's commitment to athletic excellence, bringing pride and recognition to the university. The team's dynamic performances and spirited participation left a memorable impact on the festival, celebrating the unity and competitive spirit of collegiate sports.

# Cricket

The cricket competition at Rann-Neeti 2024 showcased an intense final match between Delhi Technological University (DTU) and the host team, IIT Mandi. Both teams exhibited exceptional skill, delivering strong performances in batting and bowling that kept the crowd captivated. DTU ultimately secured the gold medal, a testament to their teamwork and resilience. This hard-fought victory not only underscored DTU's dominance in cricket but also celebrated the dedication and hard work of the team, marking a memorable highlight for DTU at Rann-Neeti 2024.

## REPORT ON SPORTS EVENTS - DECEMBER 2024

### Fit India Run - 2nd December 2024

The Sports Council of DTU successfully organized the **Fit India Run** on 2nd December 2024 as part of the nationwide Fit India Week 6.0 initiative, following UGC guidelines. The event was conducted under the guidance of the Hon'ble Vice Chancellor, Prof. Prateek Sharma, and drew enthusiastic participation from students, faculty, and stakeholders across the campus.

The primary objective of the run was to raise awareness about physical fitness and promote the importance of a healthy lifestyle within the university community. The initiative encouraged students and faculty to prioritize their well-being and highlighted the importance of integrating physical activity into daily routines.

Over 500 participants actively took part in the run, which followed a carefully planned route within the DTU Sports Complex. The event fostered a strong sense of community and camaraderie among participants, creating an engaging and positive atmosphere throughout the day.

## Event Highlights:

**Warm-Up Session:** The event commenced with a dynamic warm-up session conducted by the Department of Physical Education and Sports, ensuring participants were energized and prepared for the run.

**Community Participation:** The presence of faculty, administrative staff, and students from various departments reinforced the importance of collective action toward achieving fitness goals.

Fig :Participants gather eagerly at the starting point, ready to begin the Fit India Run at DTU, with excitement filling the air.

Participants expressed appreciation for the event, highlighting how initiatives like the Fit India Run promote not only physical health but also mental well-being and stress relief.

## Feedback and Future Recommendations:

**Feedback:** Participants suggested organizing similar events at regular intervals to maintain momentum and foster a sustainable fitness culture at DTU.

The winners stand proudly celebrating their success and dedication to fitness

# Friendly Cricket Match-12th December 2024

## Report on Friendly Cricket Match between Mechanical and Civil Engineering Departments at DTU

The Sports Council of Delhi Technological University (DTU) successfully organized a Friendly Cricket Match between the **Department of Mechanical Engineering and the Department of Civil Engineering** on 12th December 2024. The highly anticipated event took place at the DTU Sports Complex, starting at 11:00 AM. This match was part of the university's ongoing efforts to foster a spirit of unity and collaboration through sports and recreational activities.

### Objective:

The primary goal of this cricket match was to encourage teamwork, sportsmanship, and healthy competition among students from different academic backgrounds. By bringing together students from the Civil and Mechanical Engineering departments, the event aimed to strengthen inter-departmental relationships and promote physical activity as a vital component of a balanced student life.

### Participants:

The match saw enthusiastic participation from both departments, with 11 players representing each team. The event drew a crowd of approximately 150 spectators, including faculty members, staff, and students, who came together to support and cheer for their respective departments. The high level of engagement and excitement from the audience added to the lively atmosphere of the match.

The Civil Engineering team won the match, successfully chasing the target set by the Mechanical Engineering team.

Civil Engineering's determination and teamwork led them to victory in a closely contested game.

Fig: Players from the Civil Engineering and Mechanical Engineering teams in action during the Friendly Cricket Match, demonstrating skill, teamwork, and competitive spirit on the field.

Outcomes:

The friendly match successfully achieved its objectives by:

**Strengthening Inter-departmental Bonds** – The event provided students with an opportunity to interact outside the classroom, fostering friendships and collaboration across departments.

**Boosting Participation in Sports** – The event highlighted the importance of sports as a means to de-stress and build community, motivating more students to engage in university sports activities.

**Encouraging Physical Activity** – By promoting cricket and other sports, the match served as a reminder of the value of maintaining physical fitness and leading a healthy lifestyle.

Overall, the match was a resounding success, creating cherished memories for participants and spectators alike while reinforcing the university's commitment to holistic student development.

# Friendly Football Match -22nd December 2024

## Report on the Friendly Football Match between ISFT and an Outside Team at DTU

### The Friendly Football Match between the International Student Football Team

(ISFT) and an Outside Team was successfully organized on 22nd December 2024 at the DTU Sports Complex. The match aimed to foster camaraderie, sportsmanship, and cultural exchange between the diverse student groups at DTU.

Both teams displayed exceptional skill and teamwork throughout the match, creating an exciting and engaging atmosphere for the spectators. The ISFT team, consisting of students from various countries, showcased outstanding coordination and unity, reflecting the diversity and collaborative spirit that defines the international student community at DTU.

#### Match Highlights:

The match was competitive, with both teams putting up a strong fight. The ISFT team emerged victorious with a final score of 3-2.

The match was a thrilling spectacle, with skillful passes, remarkable saves, and high-energy gameplay from both sides.

#### Impact and Outcomes:

**Enhanced Student Engagement:** The match attracted a large audience, with students, faculty, and staff coming together to cheer on the teams. This increased participation in sports events across the campus.

**Cultural Exchange:** The football match provided a unique opportunity for international students to engage with their peers from different backgrounds, promoting a sense of inclusivity and unity within the university.

**Physical and Mental Well-being:** By encouraging physical activity, the match contributed to the overall well-being of participants and spectators alike, promoting a healthy and active lifestyle.

# National Mathematics Day-23rd December 2024

## Report on the Event "Mathematics: The Bridge to Innovation and Progress" Celebrating National Mathematics Day at DTU

The Department of Applied Mathematics, in collaboration with the Department of Physical Education and Sports, organized a one-day event titled "Mathematics: The Bridge to Innovation and Progress" on 23rd December 2024. The event celebrated National Mathematics Day, honoring the legacy of Srinivasa Ramanujan.

### Objective:

The event aimed to highlight the importance of mathematics in fostering innovation and progress while engaging participants through sports to encourage enthusiasm and teamwork.

### Sports Events:

As part of the celebration, cricket matches and chess matches were organized. These events provided a platform for participants to engage in friendly competition, promoting strategic thinking and collaboration.

- **Cricket Matches:** Teams from various departments participated, showcasing their skills and sportsmanship. The matches drew significant interest and support from the audience.
- **Chess Matches:** Chess, often referred to as the 'game of intellect,' attracted participants eager to test their strategic abilities. The matches were closely contested, highlighting the importance of critical thinking.

Fig: Students engaging in a lively cricket match during the National Mathematics Day celebration at DTU, promoting teamwork and enthusiasm.

Fig: The cricket team gather for a group photo, celebrating teamwork and participation on National Mathematics Day at DTU

#### Participation:

The event saw enthusiastic participation from students and faculty members. The combination of cricket and chess brought together individuals with diverse interests, fostering a sense of unity and healthy competition.

The National Mathematics Day celebration was a resounding success, blending sports with the spirit of mathematics. The cricket and chess matches added excitement to the event, creating an atmosphere of camaraderie and engagement.

The Department of Applied Mathematics expresses its gratitude to all participants, organizers, and stakeholders for making the event meaningful and memorable.
