

# One Week Online Workshop on Deep Learning & Its Application

23<sup>rd</sup> to 27<sup>th</sup> March 2021

Organized by  
**Department of Electronics and  
Communication Engineering  
Delhi Technological University  
Delhi-110042**

## ABOUT THE INSTITUTE

Delhi Technological University located in Delhi is a premier institution of Engineering and Technology in India. The university plays a key role in the national and global knowledge network, empowering India with the wings of knowledge and innovation. The university aims to imbibe a culture of methodical research and to develop a scientific temper for the integration of science, engineering and management. DTU has been ranked amongst the top institutions in multiple reputed national and international surveys.

## ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering has experienced considerable growth since its inception in 1976. The vision of the department is to focus on the incubation of innovations in the areas of electronic design/ fabrication, and communication technologies, which are needed to address the growing challenges of tomorrow. The overall aim is to harbor a sustainable, and continuously evolving scientific, technological and educational environment which is both internationally-adapted and industry-relevant.

## OBJECTIVE OF THE WORKSHOP

Deep Learning methods play a pivotal role in the Modern-day Machine Learning and are used in various research areas. The objective of the workshop is to make the participants understand the basic concepts of deep learning and to provide hands on experience of relevant tools, so that they can use Deep Learning for implementing their research ideas.

## PARTICIPATION

The program is open to the faculty members of AICTE / UGC approved Engineering Institutes / Universities / R&D Labs and research scholars and students interested in the area of deep learning. The interested person should fill the Google form by clicking on the link below latest by 15<sup>th</sup> March 2021. No Registration fees is required for attending this workshop.
