Delhi 110042

Dear Sir, Madam

Central library, Delhi Technological University is organizing workshop on DrillBit on 30th June 2025 (Monday) at 11 am in the library at 3rd floor. The DrillBit is a plagiarism checker that reads between the lines. A global checker that uses the most advanced technology to catch the most sophisticated forms of plagiarism. A cloud-based software that uses AI and ML to detect and prevent plagiarism. It is used by students, researchers, and teachers. DrillBit supports various file formats like PDF, DOC, DOCX, TXT, HTML, HTM, DOTX, ODT, PPTX, XLSX, RTF, TIFF. Each document is allowed up to 800 pages and 100 MB file size. DrillBit supports plagiarism check in regional languages. Kannada, Hindi, Urdu, Telugu, Tamil, Malayalam, Punjabi, Bengali, Marathi, Assamese, Gujarati, Sanskrit, Sindhi, Santhali, Manipuri, Oriya, Punjabi, Bengali. There are no restrictions on Fonts for regional languages. DrillBit will not save any files to the repository. Users can check the same files many times, but it will not be saved in the Repository. it covers all the major premium Publisher content in plagiarism search. DrillBit has been selected for empanelment with AICTE NEAT 3.0 and by INFLIBNET Centre for all the Indian Universities under the aegis of Ministry of Education, Govt. of India.

All Deans, HODs, faculty members, research scholars and students are invited to attend this training session in the library at 3rd floor.
