Dear Karika,

**Welcome to Saint Gobain!!!!**

Congratulations on being selected to join us in the SG Next Program. You would be happy to know that you are among a select few from the 1500+ that we screened for this program.

SG NEXT is a platform that Saint-Gobain offers graduate engineering students to Experience, Learn, Join & Grow with us in the organisation.

Saint-Gobain is the world leader in sustainable habitat. We believe in enhancing living places with innovative products and solutions to make the world a better place to live in. What helps us to make this difference is the People of the organization. I am sure you are competent, have a desire to succeed with a learning orientation and a want to change the future. So Saint-Gobain is the place for you.

In this program you would be working on a live project "*Activate the residential segment through actions among the window maker*". During your Internship you will be based out of Delhi.

You are welcome to join us in Delhi on 1<sup>ST</sup> of June 2018. You would have a short training for 2 days in Delhi prior to commencement of your project. The guideline document attached with this letter will give you more specific details, should you require any further details, please do not hesitate to reach out to my colleague from HR, Mr. Subramanian S.

Wishing you an enriching learning experience.

Best Regards,

  
A R Unnikrishnan

**Sub: Summer Internship/Industrial Training in respect of Sh. Pratyush Sharma, Electrical Engineering student at CWC, Corporate Office, New Delhi...reg.**

Sir/Madam,

Sh. Pratyush Sharma, Electrical Engineering student of Delhi Technological University has been allowed by the Competent Authority for summer internship for 1 month (June 2018) as part of academic requirement in Engineering Division.

His placement in CWC for the said summer internship/industrial training will however be subject to compliance of following terms and conditions: -

- He will make his own arrangement for board/lodging/transportation during the training.
- The Corporation shall be absolved of any responsibility for any unfortunate incident/accident or injury sustained during the period of training.
- He will not claim any employment from the Corporation after the end of the placement training/summer internship.
- A copy of the training report including suggestions of the participants shall be made available to the Corporation by him.
- The guidance/facilities provided by the Corporation should also be duly acknowledged in the project report.

Sh. Pratyush Sharma may please be advised to report to CWC, Corporate Office, Engineering Division, New Delhi for starting his summer internship/industrial training immediately.

Yours sincerely,

(Ruchi Yadav) 06/18  
Sr. Asstt. Manager (Trng.)

**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that Mr. Naman Jain has worked as an intern with Vijayash Foundation from June 2016 to December 2016 .He used to visit our organization twice a week thereby teaching the students and doing other volunteer work.

During his internship he demonstrated good skills with a self motivated attitude. His performance met our expectations and he completed all the responsibilities successfully on time and was found punctual, hardworking & very cooperative.

We wish his every success in life and all the best for his future endeavors.
