

## ► CHIEF PATRON

Prof. Yogesh Singh  
Hon'ble Vice Chancellor, DTU

## ► PATRON

Prof. Jaigopal Sharma  
HoD, Biotechnology Department, DTU

## ► ADVISORY BOARD

Prof. Shyam K Sharan  
National Institutes of Health, USA

Prof. Rajiv K Saxena  
Vice President, South Asian University

Prof. Jaigopal Sharma  
HoD, Biotechnology Department, DTU

Prof. Pravir Kumar  
Department of Biotechnology, DTU

Prof. B.D. Malhotra  
Department of Biotechnology, DTU

## ► CONVENOR

Dr. Asmita Das

## ► FACULTY SUPPORT

Dr. Yasha Hasija

Dr. Nirala Ramachari

Dr. Navneeta Bharadwaja

Dr. Smita Rastogi Verma

Dr. Kriti Bhandari

Dr. Prakash Chandra

Dr. Rashmi Kataria

Dr. Simran Bhullar

## DELHI TECHNOLOGICAL UNIVERSITY

Delhi Technological University (DTU), formerly, Delhi College of Engineering (DCE), is one of the country's most reputed higher education institutes. It consists of two schools and 12 departments that offer various undergraduate (BTech), postgraduate (MTech, MSc), and doctoral (Ph.D.) programs in disciplines like technology, engineering, science, and management. DTU has recently established a campus in east Delhi too. The Department of Biotechnology, DTU is committed towards providing academic training and research in the interdisciplinary areas of biotechnology with particular emphasis on extending the knowledge generated from basic studies towards the development of innovative technologies.

## CONFERENCE SCOPE

International Conference on Innovations in Biotechnology and Life Sciences 2020 hosted by the Department of Biotechnology (Delhi Technological University) aims to provide a conducive environment that will enable accomplished scientists to share their experiences and research accomplishments related to novel and fundamental advances in the field of Biotechnology and Life Sciences. In these restricted times, the conference will also serve to foster communication and opportunities to those working in many interdisciplinary scientific domains with common interests to converge on a virtual forum. Being a virtual conference, it will also allow vivid scientific ideas to flourish without any demographic restraints.

DEPARTMENT OF  
BIOTECHNOLOGY

# International Conference On Innovations In Biotechnology And Life Sciences

DECEMBER 18-20, 2020

ONLINE

[www.icibls.com](http://www.icibls.com)

## CONFERENCE OVERVIEW

- Invited Talks
- Paper Presentations
- E-Abstract Book Publication
- E-Certificates for all Participants

## TOPICS COVERED IN CONFERENCE

The conference will consist of invited lectures, presentations on the following sub topics, therefore delegates are requested to submit their abstracts on the following (but not limited to) sub topics:

Animal and Plant Biotechnology  
Biomaterials, Biomechanics, Bioengineering  
Bio-Nanotechnology  
Bio-Safety and Bioethics  
Bioprocess and Fermentation Technology  
Biophysics  
Bioremediation  
Bioinformatics and Biosensors  
Biotechnology in Health care  
Cancer Biology  
Cell and Molecular Biology  
Computational Biology  
Diagnostics and Therapeutics  
Drug Delivery and Discovery  
Enzyme Technology  
Environmental Biotechnology  
Genomics and Proteomics  
Genetic Engineering  
Immunology and Immunotechnology  
Industrial Biotechnology  
Infectious Diseases and Therapies  
Microbiology  
Neuroscience  
Stem Cells  
Synthetic Biology  
Toxicology and Safety

## IMPORTANT DATES

Registration Open : 2nd Nov, 2020  
Registration Deadline : 1st Dec, 2020  
Conference : 18th-20th Dec, 2020

## WHO CAN PARTICIPATE?

- Biotechnologists
- Scientists
- Professionals from industry and health care sector
- Research scholars
- Students from branch of biotechnology, life sciences and allied courses

## REGISTRATION AND ABSTRACT SUBMISSION GUIDELINES

- Registration is **free**.
- All abstracts must be written exclusively in English under 300 words.
- Times New Roman, Font size 14 (Heading) and 12 for all other text including abstract text and keywords, full Names(s) of presenting author and co-authors, author affiliations and corresponding author email.
- Participants will be notified about the abstract acceptance status within two weeks of submission.
- Select abstracts will be called for presentations.
- Selected delegates would be invited to submit full length papers for publication in Scopus/SCIE indexed journals, subject to payment of approved publication charges.
- For submission visit our website: **[www.icibls.com](http://www.icibls.com)**

# EMINENT SPEAKERS

- **Dr. Kajal Biswas**, Center for Cancer Research, National Institute of Health, USA
- **Dr. Tuhina Gupta**, Department of Infectious Diseases, University of Georgia
- **Dr. Suchandrima Banerjee**, Neurology, University of California, Berkeley
- **Dr. Mithilesh Mishra**, Molecular Cell Biology and Cytoskeletal Dynamics, Department of Biological Science, TIFR
- **Dr. Sushil Kumar Jha**, Neuroscience, School of Life Sciences, JNU
- **Prof. Varsha Gupta**, Department of Life Sciences, Chhatrapati Shivaji Maharaj University, Kanpur
- **Dr. Tulika Prasad**, AIRF and Center for Nanosciences, JNU
- **Dr. Niti Puri**, Immunology, School of Life Sciences, JNU
- **Dr. Manjishtha Sengupta**, Clinical Trials Specialist, National Institutes of Health, USA
- **Dr. Monideepa Roy**, Vice President, Akamara Therapeutics Inc.
