## NOTICE FOR SELECTION OF INTERN

Delhi Technological University has launched University Student Internship Program (USIP) to engage DTU students in various activities of the university in December 2016. To strengthen the activities in respect of this vision, the University has launched the DTU-Innovation and Incubation Foundation (DTU-IIF) program within DTU Campus. The impetus of the program is to provide opportunity to expose students to real life environment and to help university in improving processes and activities undertaken time to time. The interns have to contribute towards various portfolios like Flutter Developer, Graphic Designer, Content Writer, Social Media Manager, Designer (Fashion Sense), Android Developer, Software Developer (Full Stack), Research and Data Analyst, Video Editor, Frontend Developer and UI/UX Developer. The selected interns are required to work for eight hours a week including weekends and holidays, and will be paid Rs. 3500/- per month.

It is now planned to select interns for DTU-IIF tentatively on 2<sup>nd</sup> week of August, 2022. Interested students are required to fill the online form available at link:
