

List of Eligible /Not Eligible Researcher for Citation Award 2024.

S.No.	Name of Applicant	Applicant Type	Department Name	1. Please Tick the Category(ies) to which applicant is seeking consideration for award:	Details of paper for Highly Citation Award & total of Citation	Eligible/ Not Eligible	Remark
1	Pravin Kumar	Faculty	Mechanical Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Eligible	
2	Prof. D.Kumar	Faculty	Applied Chemistry.	Cumulative Citation Award (Gold), Highly Citation Award, Yearly Citation Award (Early Research Impact and Influence Award)	Two papers	1. Cumulative Citation Award Gold: Not Eligible 2. Highly Citation Award: Not Eligible 3. Yearly Citation Award : Eligible	Cumulative Citation Award gold already received. Highly Cited paper not Eligible already awarded. Other papers neither first/second/ corresponding author
3	Prof. Rishu Chaujar	Faculty	Applied Physics.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Eligible	
4	Manjeet Kumar	Faculty	Electronics and Communication Engineering.	Cumulative Citation Award (Silver), Yearly Citation Award (Early Research Impact and Influence Award)		1. Cumulative Citation Award Silver: Not Eligible 2. Yearly Citation Award: Not Eligible	Scopus ID No DTU Affilaition
5	Prof O P Verma	Faculty	Electronics and Communication Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Eligible	
6	Rajeev Kumar	Faculty	Computer Science & Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Not Eligible	No Scopus Id with DTU affiliation
7	Neeta Pandey	Faculty	Electronics and Communication Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Eligible	
8	Roli Purwar	Faculty	Applied Chemistry.	Cumulative Citation Award (Silver), Yearly Citation Award (Early Research Impact and Influence Award)		1. Cumulative Citation award silver: Eligible 2. Yearly Citation Award: Eligible	
9	Dr. M. M. Tripathi	Faculty	Electrical Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Eligible	

10	Prof. Dinesh Kumar Vishwakarma	Faculty	Information Technology.	Cumulative Citation Award (Gold), Cumulative Citation Award (Silver), Highly Citation Award, Yearly Citation Award (Early Research Impact and Influence Award)	1) Sentiment analysis using deep learning architectures: a review A Yadav, DK Vishwakarma Artificial Intelligence Review 53 (6), 4335-4385 596 2) Fake news, rumor, information pollution in social media and web: A contemporary survey of state-of-the-arts, challenges and opportunities P Meel, DK Vishwakarma Expert Systems with Applications 153, 112986 426	1. Cumulative Citation award Gold: Eligible 2. Highly Citation award : Paper -1 : Not Eligible , Paper- 2 : Eligible 3. Yearly Citation Award: Eligible	Fake news, rumor, information pollution in social media and web: A contemporary survey of state-of-the-arts, challenges and opportunities P Meel, DK Vishwakarma Expert Systems with Applications 153, 112986 426, Eligible
11	Dr. Prem Prakash	Faculty	Electrical Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)	18 and 480	Yearly Citation Award: Not Eligible	Citations below 200
12	DR. ANIL KUMAR	Faculty	Mechanical Engineering.	Cumulative Citation Award (Platinum), Highly Citation Award, Yearly Citation Award (Early Research Impact and Influence Award)	144	1. Cumulative Citation Award (Platinum): Eligible 2. Yearly Citation Award: Eligible	
13	saurabh agrawal	Faculty	DSM.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Eligible	
14	ANIL KUMAR HARITASH	Faculty	Environmental Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Eligible	
15	Prof. Qasim Murtaza	Faculty	Mechanical Engineering.	Cumulative Citation Award (Silver), Yearly Citation Award (Early Research Impact and Influence Award)		1. Cumulative Citation award silver: Eligible 2. Yearly Citation Award: Eligible	
16	Prof. Pravir Kumar	Faculty	Bio -Technology.	Cumulative Citation Award (Gold), Highly Citation Award, Yearly Citation Award (Early Research Impact and Influence Award)	Artificial intelligence to deep learning: machine intelligence approach for drug discovery Gupta, R. , Srivastava, D. , Sahu, M. , ... Ambasta, R.K. , Kumar, P. Molecular Diversity, 2021, 25(3), pp. 1315–1360; Total citation:300 (https://www.scopus.com/authid/detail.uri?authid=14831447800)	1. Cumulative Citation award Gold: Eligible 2. Highly Citation Award: Eligible 3. 17	Ruchika Malhotra	Faculty	Software Engineering.	Cumulative Citation Award (Gold), Yearly Citation Award (Early Research Impact and Influence Award)		1. Cumulative Citation Award (Gold): Eligible 2. Yearly Citation award: Eligible	
18	Prof. Raju Sarkar	Faculty	Civil Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Eligible	
19	Dr Sanjay Kumar	Faculty	Computer Science & Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)		Yearly Citation Award: Not Eligible	Citations below 200
20	Prof. Qasim Murtaza	Faculty	Mechanical Engineering.	Cumulative Citation Award (Silver), Yearly Citation Award (Early Research Impact and Influence Award)		repeat entry	

21	Prof Suresh Kumar Garg	Faculty	Mechanical Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)			repeat entry
22	Prof Suresh Kumar Garg	Faculty	Mechanical Engineering.	Cumulative Citation Award (Silver), Yearly Citation Award (Early Research Impact and Influence Award)			1. Cumulative Citation award silver: Eligible 2. Yearly Citation Award: Eligible
23	Dr. Virender Ranga	Faculty	Information Technology.	Cumulative Citation Award (Silver), Highly Citation Award, Yearly Citation Award (Early Research Impact and Influence Award)	Machine Learning based Intrusion Detection Systems for IoT Applications-181		1. Cumulative Citation award silver: Eligible 2. Highly Citation Award: Not Eligible 3. Yearly Citation Award: Eligible Not eligible highly cited paper award: affiliation with NIT
24	Prof. Rahul Katarya	Faculty	Computer Science & Engineering.	Cumulative Citation Award (Silver)Yearly Citation Award (Early Research Impact and Influence Award)			1. Cumulative Citation award silver: Eligible 2. Yearly Citation Award: Eligible
25	A. Srinivasa Rao	Faculty	Applied Physics.	Yearly Citation Award (Early Research Impact and Influence Award)			Yearly Citation Award: Eligible
26	Dr. Mohan Singh Mehata	Faculty	Applied Physics.	Cumulative Citation Award (Silver), Highly Citation Award, Yearly Citation Award (Early Research Impact and Influence Award)	Jain S., Mehata, M. S.* Medicinal plant leaf extract and pure flavonoid mediated green synthesis of silver nanoparticles and their enhanced antibacterial property. Scientific Reports 7 (2017) 15867		1. Cumulative Citation award silver: Eligible 2. Highly Citation Award: Not Eligible 3. Yearly Citation Award: Eligible Highly Citation Award Paper is Open Access
27	Husain Mehdi	Student	Mechanical Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)	Sharma, H., Mishra, K.C., Influence of Rotation Stir Processing on Weld Temperature Distribution and Mechanical Properties of TiG-Welded Joint of AA6061 and AA7075, Transactions of the Indian Institute of Metals, 2020, 73(7), pp. 1773–1788, citation of this		Yearly Citation Award: Not Eligible Not eligible for yearly citation award, No SCOPUS ID with DTU Affiliation
28	Dr. Mohammad Zunaid	Faculty	Mechanical Engineering.	Yearly Citation Award (Early Research Impact and Influence Award)			Yearly Citation Award: Not Eligible Citations below 200
29	Navneeta Bharadvaja	Faculty	Bio -Technology.	Yearly Citation Award (Early Research Impact and Influence Award)	NA		Yearly Citation Award: Eligible
30	Dr. M. JAYASIMHADRI	Faculty	Applied Physics.	Yearly Citation Award (Early Research Impact and Influence Award)			Yearly Citation Award: Eligible
31	Rajeshwari Pandey	Faculty	Electronics and Communication E	Yearly Citation Award (Early Research Impact and Influence Award)			Yearly Citation Award: Eligible
