## NOTICE

Training and Placement Department, DTU is pleased to announce the registration for the **SLB Bridge Program**, an early career and mentorship initiative at SLB Technology Centre.

TnP DTU is excited to introduce the "Bridge" program, which seeks to create impactful connections between students and experienced professionals, providing mentorship to guide students in their academic and professional journeys.

**Benefits for Students:**
- Exposure to industry best practices and real-world insights
- Guidance from experienced professionals
- Networking opportunities to enhance career development

**Internship and Job Consideration:**
While participation in the "Bridge" program does not guarantee a job or internship at SLB, SLB are committed to considering students from this program for opportunities based on their performance and alignment with our organization's needs.

**Student Eligibility Criteria:**
**B. Tech.**: 2nd and 3rd-year students without any backlog
**Eligible Branches:** Mechanical Engineering, Production and Industrial Engineering, Automobile Engineering, Electrical Engineering, Electronics and Communication Engineering, Engineering Physics, Computer Science Engineering, Software Engineering, Information Technology, Mathematics and Computer Engineering.
**M.Tech**: 1st- year students without any backlog: All programs related to Mechanical Engineering, Electrical Engineering & Computer Science Engineering
**CGPA criteria**: 6.5 & above
