

**Subject: Regarding Group Allocation to Re-registered Students of Mathematics-II (AM102).**

All students **re-registered** in Mathematics-II (AM102/MA102) are required to register in a group. Please follow these steps to complete your registration:

1. **Review the 2nd Semester Central Time Table ([file0112.pdf](#)):** Go through the 2<sup>nd</sup> semester central time table carefully to understand the schedule of different groups for AM102. This will help you to select a group that best suits your convenience.
2. **Select a Group:** Based on your review of the central time table, select a group that suits you without clash with your current semester timetable.
3. **Fill Out the Google Form:** Register your selected group by filling out the Google form (<https://forms.gle/oeDJRf932XZm54ay5>). (Use only DTU email ID)

**Note:** No change will be allowed subsequently.

**Important:** Registering in a group is mandatory. **The deadline for completing the registration is 16th January 2025.**

**Students who fail to register by the due date will be solely responsible for any academic or administrative consequences resulting from their non-compliance.**

Please ensure timely registration to avoid any issues.
