DELHI TECHNOLOGICAL UNIVERSITY

MINUTES

of

62nd Meeting

BOARD OF MANAGEMENT

Date : **15.10.2026**

Time : **11:00 a.m.**

Venue : **Vigyan Hall, 2nd Floor,**
Administrative Block,
Delhi Technological University

Shahbad Daulatpur, Bawana Road, Delhi-110042

INDEX

Item No.	Description	Page No.
Agenda 62.1	Opening remarks by the Vice Chancellor.	2 – 8
Agenda 62.2	Confirmation of the minutes of the 60th and the Emergent (61st) meetings of the Board of Management held on 25.08.2026 and 18.09.2026 respectively	9
Agenda 62.3	Action taken report on the decisions taken in the 60th and in the Emergent (61st) meetings of the Board of Management held on 25.08.2026 and 18.09.2026 respectively	10 – 19
Agenda 62.4	Conferment of degrees on the graduands who have successfully completed the requirements prescribed under the ordinances of the University	20 – 22
Agenda 62.5	Applicability of payment of Leave Encashment & Gratuity to the contractual employees of DTU	23
Agenda 62.6	Non-submission of prior intimation regarding immovable property and non-disclosure in Annual Immovable Property Returns (AIPRs) by the faculty members of erstwhile DCE/DTU	24 – 25
Agenda 62.7	Minor amendment in Recruitment Guidelines for Professor and Associate Professor	26 – 29
Agenda 62.8	To consider the amendment in the existing Professional Development Fund (PDF) Guidelines regarding eligibility of newly appointed faculty members	30
Agenda 62.9	To consider and approve the revised "Guidelines for Sponsored Research Project Award for Principal Investigator of Delhi Technological University"	31
Agenda 62.10	To consider and approve the revised "Guidelines for the Award for Submission of Ph.D. Thesis within Stipulated Period"	32
Agenda 62.11	To consider and approve the revised "Guidelines for Innovation Research Awards for the Inventors of Delhi Technological University"	33

Agenda 62.12	To consider and approve the revised "Guidelines for Research & Development Scheme for Faculty"	34
Agenda 62.13	Matter for Ratification: i. Termination of Sh. Girish Chandra Prasad, Controller of Finance, DTU ii. Promotion under Career Advancement Scheme (CAS) Stage 3 to Stage 4 in respect of Dr. Lovleen Gupta, Assistant Professor, Department of Environmental Science and Engineering. iii. Additional criteria for resolving Tie marks in Written Test / Computer Based Test (CBT) for preparation of the final merit list for recruitment to the non-teaching ministerial Group 'C' posts of Junior Office Assistant (JOA) and Office Assistant (OA)/Data Entry Operator (DEO) through direct recruitment vide Advertisement No.03/2025 dated 06.11.2025	35 – 36
Agenda 62.14	Matter of Information: i. Appointment of faculty positions between the disciplines of Mathematics & Computing (M&C) and Applied Mathematics (AM). ii. Relieving of Non-teaching staff of the University	37 – 38
Agenda 62.15	Any other item with the permission of the Chair: Proposal for appointment of Mr. Rakesh Mehrotra as Distinguished Honorary Professor in the Department of Environmental Science and Engineering	38
Supplementary Agenda 62.16	In-principle approval for launch of Integrated M.Sc in Department of Geospatial Science and Technology in view of Vacancy Creation	39
Supplementary Agenda 62.17	In-principle approval for Establishment of DTU Technological Innovation Cell (DTU-TIC)	40 – 41
	ANNEXURE	*1 – 37*

Delhi Technological University

Established under Govt. of NCT of Delhi vide Act 6 of 2009
(*Formerly Delhi College of Engineering*)

Minutes of 62nd meeting of the Board of Management of Delhi Technological University held in hybrid mode on 15th October, 2026 at 11:00 a.m. in Vigyan Hall, 2nd Floor, Admin Block, Delhi Technological University, Delhi.

The following members were present:

1. Prof. Prateek Sharma, Vice Chancellor, Delhi Technological University.
2. Sh. Parveen Bhargava, Deputy Secretary, Finance Department, Government of NCT of Delhi, (Nominee of Pr. Secretary, Finance) through video conferencing
3. Sh. Tapan Jha, Deputy Director, Directorate of Training and Technical Education, Government of NCT of Delhi (Nominee of Secretary, DTTE)
4. Sh. Manoj Kumar, Directorate of Higher Education (Nominee of Secretary, Higher Education)
5. Sh. Binod Doley, Registrar, DTU

Following officers also joined the meeting as Special Invitees:

1. Prof. S. Indu, Dean, Digital Education
2. Prof. Shilpa Pal, Director, Internal Quality Assurance Cell
3. Prof. T. Vijay Kumar, Chief Vigilance Officer
4. Sh. P.V. Ramkumar, Director, Recruitment Cell

Agenda 62.1 : Opening remarks by the Vice Chancellor

Hon'ble Vice Chancellor welcomed Sh. Parveen Bhargava, Deputy Secretary, Finance Department, Government of NCT of Delhi; Sh. Tapan Jha, Deputy Director, Directorate of Training and Technical Education, Government of NCT of Delhi; Sh. Manoj Kumar, Directorate of Higher Education, Government of NCT of Delhi; Sh. Binod Doley, Registrar, DTU and other special invitees in the 62nd meeting of the Board of Management.

Thereafter, Hon'ble Vice Chancellor highlighted some of the achievements/events in DTU since last meeting of the Board of Management as under:

The **Seva First Innovation Challenge 2026** was launched on 19 September 2026 at DTU by **Shri Ashish Sood Ji, Hon'ble Minister of Education, Government of NCT of Delhi.** This national level challenge, anchored by DTU for the northern region, invites young Indians to observe problems in their own surroundings and carry them through a structured journey of ideation, design, prototyping, validation and deployment. The event commenced with the inauguration of the Innovation Exhibition by the Hon'ble Education Minister, who interacted with various student teams and appreciated the innovative prototypes developed by them.

Delhi Technological University (DTU) was honoured to welcome **Dr. Nirmaljeet Singh Kalsi, IAS (Retd.)**, Former Chairperson, National Council for Vocational Education and Training (NCVET), Government of India, and Former Additional Chief Secretary, Government of Punjab, as the **Keynote Speaker** at the workshop on ***"NCrF-Aligned Curriculum Design for Flexible, Multidisciplinary and Inclusive Pathways."***

Delhi Technological University through its Centre for Technology Enhanced Learning (CTEL) under the Department of Digital Education, inaugurated the first batch of the **Online Certificate Program, Advanced Program in Renewable and Sustainable Energy** with an orientation session attended by university leaders, industry experts, faculty members, and participants from India and abroad.

Delhi Technological University through its Centre for Technology Enhanced Learning (CTEL) under the Department of Digital Education, inaugurated the first batch of the **Online Certificate Program, Leadership program on CSR, ESG and Corporate Sustainability** with an orientation session attended by university leaders, industry experts, faculty members, and participants from India and abroad.

Delhi Technological University celebrated **Excellence in Research, innovation and knowledge creation at the Research & Innovation Excellence Awards 2026**, held on 18 September, 2026. The event was graced by **Dr. Shivkumar Kalyanaraman, CEO, Anusandhan National Research Foundation (ANRF)**, as the Chief Guest, and Prof. Shantanu Bhattacharya, Director, CSIR-Central Scientific Instruments Organisation (CSIO), as the Guest of Honour.

On 7th October, DTU brings together engineering and literature for a special seminar — "Equations, Codes, and Stories: The Surprising Overlap Between Engineering and Literature." Keynote by renowned physicist and author Prof. H.C. Verma, Panel discussion with DTU faculty and students, and Book Launch of the Duology The Unforgiving Stars by author, IIT alumnus and Air Force veteran Dr. Rajiv Seth were the attractions of the event.

Delhi Technological University (DTU) proudly announces the successful launch and completion of its **first Industry Micro-Credential Course in Semiconductor Design**, marking a significant step towards strengthening industry-academia collaboration and advancing semiconductor skilling in India.Offered through the **Vinod Dham Centre of Excellence for Semiconductors and Microelectronics (VDSemiX) in academic partnership with ANSYS-Synopsys.**

AllSecureX has been selected as one of the NASSCOM Emerge50 Award 2026 winners. Chosen from more than 800 deep-tech startups from across the country, AllSecureX has earned a place among India's Top 50 most promising technology ventures. The award was presented at the NASSCOM Emerge50 Awards 2026, held in Bengaluru alongside the Government of Karnataka, recognizing startups driving innovation through cutting-edge science, engineering, and technology.

Delhi Technological University (Formerly DCE) proudly inaugurated the **3rd Summer School on AI: Deep Dive into Deep Learning, 2026**, organized by the Machine Learning Research Laboratory (MLRL) under the Department of Computer Science and Engineering.

Delhi Technological University proudly welcomed the incoming undergraduate batch on 27 July through its Orientation-cum-Induction Programme 2026, marking the beginning of a transformative academic journey for over 2,600 newly admitted students. The Chief Guest was Chief Guest **Dr. Kiran Bed**i, former Lieutenant Governor of Puducherry and India's first woman IPS officer; Guest of Honor **Brigadier Dr. Gautam Ganguly**, VSM, SM (Retd.), Force Commander (Retd.), NSG; and Guest of Honor **Shri Karnal Singh**, former Director of the Enforcement Directorate.

The Centre for Extension and Field Outreach (CEFO), Delhi Technological University (Formerly DCE), successfully organized **Exploring Engineering 2026** from 20–25 July 2026, welcoming nearly 200 school students for an immersive six-day journey into the world of engineering.

The 9th edition of the Distinguished Speaker Series at Delhi Technological University was held on 19 August 2026, with **Vice Admiral Deepak Kapoor,** Indian Navy Veteran, Ati Vishisht Seva Medal, and former Controller of Logistics at the Indian Navy, as the Distinguished Speaker.

Delhi Technological University (Formerly DCE) hosted **Smt.Nidhi Bansal, Outstanding Scientist & Director, TDF, DRDO**, Ministry of Defence, Govt. of India, and **Dr. Ram Prakash, Additional Director, TDF, DRDO**, for an engaging interaction on R&D, innovation, entrepreneurship and defence technology on 19th August.The programme showcased innovative work by DTU startups and student technology teams, along with faculty-led defence-related research initiatives.

A research team from the Department of Civil Engineering, Delhi Technological University (DTU), has been honoured with the Jury Special Award at the 5th CE&CR Annual Awards 2026. **Ms. Khyati Saggu,** Doctoral Research Scholar and her supervisors **Prof. Shilpa Pal** and **Prof. Nirendra Dev**, received the award in the category "Outstanding Research Paper in Civil Engineering" for their research paper titled "**Evaluating the Bonding Compatibility of Lime and Cement Mortars with Historical Mortars."**

We are delighted to share the successful completion of the three-day 'Campus Immersion' for DTU's first online program'Leadership Program in CSR, ESG and Corporate Sustainability (LPCECS)'**. During 11-13 Sept 2026.**

We are delighted to share the encouraging response to APRSEM, an Online Certificate Programme at Delhi Technological University (DTU), connecting renewable energy technologies with project development, management, and sustainability. The campus immersion program was successfully completed during 25-27 September 2026.

Patents Awarded

1. A Smart Headphone With Surrounding Awareness For Accident Prevention By Dr. Ruchika Malhotra, Dr. Sanjay Patidar, Dr. Krishan Walia, Dr. Raajshekhar Rajan, Dr. Gaurav Mishra
2. "System For Progressive Contextual Trajectory Prediction" Neha Sharma, Chhavi Dhiman, And S. Indu
3. "AI-Driven Configuration Clustering And Blockchain Privacy System" Dr. Sonal Gandhi, Dr Pallavi Ranjan And Dr Ankur.

4. "Photothermal Absorber Device Using Sweet Lime Peel-Based Biochar For Solar Water Evaporation Applications" 1. Karothiya Krishna Kumar, 2. K. Manjunath, 3. Mishra R. S.
5. "System And Method For Detecting Fire-Prone Areas Using An Unmanned Aerial Vehicle" Has Been Successfully Granted" Dr. Dinesh Kumar Vishwakarma, Dr. Virendra Ranga, Dr. Sumit Kumar Sharma, Dr. Abhishek Verma
6. "System And Method For Adaptive Multi-Factor Biometric Authentication With Dynamic Obfuscation" Dr. Rajeev Kumar And Dr. Sanjay Kumar
7. "Biosensor Device For Label-Free Detection Of Biomolecules And Method Thereof" Dr Deva Nand, Dr Sonam Rewari, Amit Yadav, Snehalatha Yadav, Apurva Kaul And Shivani Yadav.
8. "Testing System And Method For Calibration And Efficiency Assessment Of Developed Tilt Sensor" Prof Amit Kumar Srivastava And Mr Abhishek Kumar Paswan
9. "System And Method To Engage A Player In A Game Simulation" Dr Rajeev Kumar And Mr Ayush Kumar
10. "System And Method For Prioritized Data Delivery" Dr Rajeev Kumar And Mr Ajith Kumar Yadav
11. "System And Method For Lithium/Sodium Melting For Enhanced Electrode–Electrolyte Interface Engineering" Dr Amrish Kumar Panwar And Mr Sharad Singh Jadun.

MOU Signed

1. With the objective of establishing a **Centre of Excellence (CoE) in Geospatial Technologies, with a special emphasis on GeoAI**, Delhi Technological University (DTU), signed a Memorandum of Understanding (MoU) on **June 25, 2026 with Esri** India, a leading provider of Geographic Information System (GIS) software, location intelligence, and mapping solutions in India,
2. The **Ministry of Statistics and Programme Implementation (MoSPI)**, Government of India, through GoIStats, and **Delhi Technological University** (DTU), formerly known as Delhi College of Engineering (DCE), signed a Memorandum of Understanding (MoU) to foster **collaboration in the areas of training, capacity building, research, innovation, and knowledge sharing in the field of official statistics.**
3. The Department of Applied Chemistry, Delhi Technological University is delighted to announce the signing of a Memorandum of Understanding (MoU) with **Delhi Pharmaceutical Sciences and Research University (DPSRU), marking the beginning of a promising partnership in research, innovation, and academic excellence. On 4th August 2026.**

4. Delhi Technological University (DTU) and CSIR–Central Scientific Instruments Organisation (CSIR-CSIO) have signed a Memorandum of Understanding (MoU) to strengthen academic, research, training, and skill-development collaboration between the two premier institutions.
5. On 14th August 2026 Delhi Technological University (DTU) is pleased to announce the signing of a Memorandum of Understanding **(MoU) with Deepmindz Innovations Pvt. Ltd.** The MoU **aims to strengthen industry–academia collaboration in the fields of Artificial Intelligence, Data Science, and other emerging technologies** through joint research, technology development, innovation, training, proof-of-concept projects, and opportunities for faculty and students to translate research and ideas into real-world solutions.
6. **Delhi School of Management,** Delhi Technological University is pleased to announce the signing of a Memorandum of Understanding (MoU) with **Bajaj Auto Foundation** on 27th August 2026, marking a significant step towards strengthening industry–academia collaboration and creating meaningful learning and skill-development opportunities for students. The MoU will facilitate collaboration in the area of financial services and BFSI skills, including the proposed BOLD: Certification Course in BFSI Skills, aimed at enhancing students' industry readiness, financial knowledge and employability.
7. Delhi Technological University and the **FEDERATION OF INDIAN EXPORT ORGANISATIONS (FIEO)**, New Delhi, signed an MoU on 30 September 2026 at DTU to strengthen collaboration in research, training, knowledge exchange, internships and professional development, with a special focus on emerging opportunities in global trade and technology.

Celebrations

- Delhi Technological University enthusiastically observed the 2026 International Day of Yoga. Through the practice of yoga, the event brought together students, faculty, staff, and members of the university community to promote mental wellness, physical fitness, and a healthy lifestyle.
- Delhi Technological University (Formerly DCE) organized a Mega Tree Plantation Drive under the "Mission 70 Lakh Tree Plantation Campaign – Delhi Green Warriors" to promote environmental sustainability on July 7, 2026.
- Delhi Technological University (Formerly DCE) celebrated the 6th Anniversary of the National Education Policy (NEP) 2020 on 29 July 2026, organized by the IQAC and NEP Cell under the aegis of the Institution's Innovation Council (IIC).
- The IAStructE DTU Student Chapter, Department of Civil Engineering, Delhi Technological University, in association with the Industry Supported Lab by Hilti India Pvt. Ltd., celebrated Engineers' Day on 15th September 2026.

- Delhi Technological University celebrated the 80th Independence Day of India with fervour and patriotic spirit. The celebrations commenced with the hoisting of the National Flag, followed by the National Anthem. The celebrations were enriched by spirited performances by the wards of faculty and staff members, bringing a vibrant national flavour to the occasion. The university's student societies, including Madhurima and Nrityangna, along with the NCC contingent and others, added to the patriotic spirit through their performances. A special theatrical presentation by Group Fitoor, centred on the journey and significance of women's empowerment in India, further highlighted the nation's social transformation and the power of its people.
- Delhi Technological University (DTU) celebrated National Sports Day from 28 to 30 August 2026 with great enthusiasm and active participation from students, faculty, and staff. The three-day celebration was organized to commemorate the birth anniversary of Major Dhyan Chand, one of India's greatest sporting legends, and to promote the values of fitness, discipline, teamwork, and sportsmanship among the DTU community.
- Delhi Technological University (Formerly DCE) celebrated **World Teachers' Day** on **5 October 2026**, recognising the invaluable contribution of teachers in shaping minds, nurturing character and building the future of society. The celebration was graced by Prof Yogesh Singh, Hon'ble Vice Chancellor, University of Delhi, as the Chief Guest, and Prof. Prateek Sharma, Hon'ble Vice Chancellor, DTU. The event brought together distinguished retired faculty members of DTU, Deans, Directors, Heads of Departments and faculty members, making it a meaningful celebration of the University's rich academic legacy.

Workshops and webinars and FDP and Lecture Series

1. The Department of Computer Science & Engineering, Delhi Technological University in association with the Institution's Innovation Council (IIC), DTU, successfully organized a one-day workshop on "Using AI for Fundraising and Investor Pitch Preparation" on 19th August 2026.
2. Delhi Technological University through its Vinod Dham Centre of Excellence for Semiconductor & Microelectronics (VDSemiX), in association with the IEEE Electronics Packaging Society (EPS) Delhi Chapter, organized a One-Day Awareness Workshop on "IPR & Semiconductor Technologies" on 10 September 2026.The programme brought together expert insights and first-hand research exposure, with a carefully designed two-part engagement.
3. Delhi Technological University organized "Welcome & Connect – A Welcome Programme for New Faculty, Officers & Staff" at the Dr. B. R. Ambedkar Auditorium. The programme was conceived with the vision of welcoming and motivating our young faculty and newly joined colleagues, while helping them connect with the University, its people, culture and larger institutional vision.

4. The Department of Environmental Science and Engineering, Delhi Technological University (DTU), in collaboration with the Green Institute for Research and Development (GIRD), and with the support of the Ministry of Earth Sciences, Government of India, organized a National Seminar on World Ozone Day 2026 on 16 September 2026 on the theme "Beyond the Shield: Bridging Ozone Recovery & Climate Action," the seminar brought together eminent academicians, scientists, environmental experts, researchers, faculty members, and students to discuss ozone-layer protection, climate action, environmental sustainability, and scientific collaboration.

5. The Department of Applied Physics, Delhi Technological University (DTU), in association with the Office of the Dean (Outreach & Extension Activities), organised an outreach activity on 25 September 2026 for 25 selected students of Rukmini Devi Public School, Pitampura, accompanied by their science faculty member, Mrs. Priyanka Dhawan.

Industrial visit

1. The Vinod Dham Centre of Excellence for Semiconductors and Microelectronics (VDSemiX), Delhi Technological University (Formerly DCE), in collaboration with the Department of Applied Physics, DTU, organized an industrial visit to STMicroelectronics, Greater Noida on 19 August 2026 for students of B.Tech. Electrical Engineering, Engineering Physics, and Electronics & Communication Engineering.

Sponsored Project

1. Delhi Technological University proudly congratulates Dr. Rajeev Kumar Mishra, Associate Professor, Department of Environmental Science and Engineering, on receiving a Sponsored Research Project Grant for:"Performance Evaluation of Mechanical Road Sweeping Technologies for Dust Mitigation in Delhi"The project is funded by the Commission for Air Quality Management (CAQM), NCR.

Awards and Honours

1. **Prof. Shilpa Pal**, Professor, Department of Civil Engineering, Delhi Technological University has received the **"ENGINEER OF YEAR (FEMALE) AWARD"** on 26th September 2026 on the occasion of ENGINEERS DAY celebration of **Concrete Engineers Association** in a ceremony held at Constitution Club of India, Delhi.

2. Dr. Rajeev Kumar, Assistant Professor, Delhi Technological University has been awarded the **INSA Visiting Scientist Fellowship 2026–27** for collaborative research at IIT Guwahati

Agenda 62.2 : Confirmation of the minutes of the 60th and the Emergent (61st) meetings of the Board of Management held on 25.08.2026 and 18.09.2026 respectively

The Board of Management was apprised that the minutes of the 60th meeting of the Board of Management held on 25.08.2026, were circulated among all the members vide forwarding no. F.DTU/Council/BOM/98/2026/823 dated 08.09.2026 and the minutes of the Emergent (61st) meeting of the Board of Management held on 18.09.2026, were circulated among all the members vide forwarding no. F.DTU/ Council/ BOM/ 101/ 2026/ 856 dated 21.09.2026. No comments were received from any member.

Copy of the minutes of 60th meeting was placed at annexure pages 1 to 103 and copy of minutes of Emergent (61st) meeting was placed at annexure pages 104 to 115 in the agenda note.

Decision : The Board of Management confirmed the minutes of the 60th meeting and the Emergent (61st) meeting of the Board of Management held on 25.08.2026 and 18.09.2026 respectively.

Agenda 62.3 : Action taken report on the decisions taken in the 60th and in the Emergent (61st) meetings of the Board of Management held on 25.08.2026 and 18.09.2026 respectively

The Board of Management was informed that decisions taken by the Board in its 60th meeting held on 25.08.2026 were circulated vide forwarding no. F.DTU/ Council/ BOM/ 98/ 2026/ 823 dated 08.09.2026 and the decision taken in the Emergent (61st) meeting held on 18.09.2026 was circulated vide forwarding no. F.DTU/Council/BOM/101/2026/856 dated 21.09.2026. The Agenda items, decisions taken and the action taken thereon by the University were as under for information of the Board:

Action Taken Report on 60th meeting:

Item No.	Agenda Item	Decision Taken	Action Taken Report
60.1	Opening remarks by the Vice Chancellor.	Noted.	Matter of record.
60.2	Confirmation of the minutes of 59th meeting of the Board of Management held on 07.05.2026.	The Board of Management confirmed the minutes of the 59th meeting of the Board of Management held on 07.05.2026.	Matter of record.
60.3	Action taken report on the decisions taken in the 59th meeting of the Board of Management held on 07.05.2026.	The Board of Management took the Action Taken Report on record.	Matter of record.
60.4	Introduction of new program B.Tech in Mechanical and Automation Engineering	Introduction of new program B.Tech in Mechanical and Automation Engineering	Implemented in the Department of Mechanical Engineering
60.5	Renaming of "Department of Applied Chemistry" to "Department of Chemical Science and Engineering"	The Board of Management considered and approved the recommendations of Academic Council for renaming of "Department of Applied Chemistry" to "Department of Chemical Science and Engineering".	Renaming of "Department of Applied Chemistry" to "Department of Chemical Science and Engineering" has been notified vide no. F.DTU/Council/BOM-Notification/71/2025/826 dated 10.09.2026.

60.6	Nomenclature change for faculty positions from "Polymer Science and Chemical Technology" to "Chemical Engineering"	The Board of Management considered and approved the recommendations of Academic Council to change the nomenclature for faculty positions from "*Polymer Science and Chemical Technology*" to "*Chemical Engineering*".	Notified vide notification no. F.DTU/Council/BOM-Notification/71/2025/846 dated 16.09.2026.
60.7	To approve the Erasmus+ KA171 Inter-Institutional Agreement (IIA) Template for International Academic Collaboration under Erasmus+ Programme	The Board of Management considered and approved the recommendations of Academic Council for adoption of the Erasmus+ KA171 Inter-Institutional Agreement (IIA) Template for facilitating international collaborations with European Universities under the Erasmus+ Programme with effect from the Academic Year 2026–27.	Emails have been forwarded to eligible foreign universities for initiating and entering into Erasmus+ KA171 partnership.
60.8	Revision of "Vision" and "Mission" statements of Delhi Technological University	The Board of Management considered and approved the recommendation of Academic Council for revision of "Vision" and "Mission" statements of Delhi Technological University.	Notified vide notification no. F.DTU/Council/BOM-Notification/71/2025/847 dated 16.09.2026.
60.9	In-principle approval for starting of new program M.Sc. Applied Psychology (with two specialization of Clinical & Counselling Psychology and Organizational Behaviour)	The Board of Management considered and approved the recommendations of Academic Council in principle for starting of M.Sc. Applied Psychology (with two specialization of Clinical & Counselling Psychology and Organizational Behaviour) in Centre of Excellence for Science of Happiness.	Requirement of infrastructure and man-power is submitted to competent authority.
60.10	Approval of Recruitment Rules (RRs) and Recruitment Guidelines for department of Geospatial Science and Technology	The Board of Management considered the recommendations of Academic Council and approved the Recruitment Guidelines and the Recruitment Rules for Assistant Professors in Geospatial Science and Geospatial Technology for the	The Recruitment Rules for Assistant Professors in Geospatial Science and Geospatial Technology for the Department of Geospatial Science and Technology have been notified on 23.09.2026.

		Department of Geospatial Science and Technology including the revised age criteria.	***(Copy placed at Annexure pages 1 to 6).***
60.11	Lateral absorption of medically boarded-out cadets from Pre-Commission Training Institutes / Establishments of Indian Army imparting technical training to cadets into UG programs at Delhi Technological University	The Board of Management considered the recommendations of the Academic Council and approved for lateral absorption of medically boarded-out cadets from Pre-Commission Training Institutes / Establishments of Indian Army imparting technical training to cadets into UG programs at Delhi Technological University.	The guidelines have been notified vide notification no. F.DTU/ Council/ BOM-Notification/ 71/ 2026/ 848 on 16.09.2026 after approval of Board of Management in its 60th meeting held on 25.08.2026. The Indian Army has been informed about the decision and they will initiate further action before the next admissions.
60.12	Proposal for reserved vacancies for Indian Army Personnel in various PG programs offered at Delhi Technological University and conduct of Specially Curated Courses	The Board of Management considered and approved the recommendations of Academic Council to reserved vacancies for Indian Army Personnel in various PG programs offered at Delhi Technological University and conduct of Specially Curated Courses.	The Indian Army has been informed about the decision and they will initiate further action before the next admissions.
60.13	Renaming of the Department of Humanities to the "Department of Humanities and Social Sciences"	The Board of management considered and approved the recommendations of Academic Council for renaming of the Department of Humanities to *"Department of Humanities and Social Sciences"*.	Renaming of the Department of Humanities to the "Department of Humanities and Social Sciences"has been notified vide no. F.DTU/Council/BOM-Notification/71/2025/827 dated 10.09.2026.
60.14	In-principle approval for establishment of a new "Centre of Excellence for Artificial Intelligence (AI)" in the Department of CSE	The Board of Management considered the recommendations of Academic Council and approved in-principle for establishment of a new "Centre of Excellence for Artificial Intelligence (AI)" in the Department of CSE.	In accordance with the advice of the Academic Council, the administrative structure and other operational details are being formulated and are in process.
60.15	Starting of a new undergraduate program, B.Tech in Computer Science and Engineering–	The Board of Management considered and approved in principle the recommendations of Academic Council for starting a	The remaining modalities for implementation of the proposed programme are in process.

	Artificial Intelligence, under the Department of Computer Science and Engineering	new undergraduate program, B.Tech in Computer Science and Engineering–Artificial Intelligence, under the Department of Computer Science and Engineering.	
60.16	Revised guidelines for the Citation Award under Research & Innovation Excellence Awards (RIEA)	The Board of Management considered the recommendations of Academic Council and approved the revised Guidelines for the Citation Award under Research & Innovation Excellence Awards (RIEA) as proposed.	Notified vide notification no. F.DTU/Council/BOM-Notification/71/2025/849 dated 16.09.2026.
60.17	Revision of Guidelines for Utilization of Research Faculty Development Fund (RFDF)	The Board of Management considered the recommendations of Academic Council and Finance Committee and approved the revised Guidelines for Utilization of Research Faculty Development Fund (RFDF).	Notified vide notification no. F.DTU/Council/BOM-Notification/71/2025/850 dated 16.09.2026.
60.18	Engagement of eminent persons as Distinguished Professor (Practice) on honorary basis in Department of Civil Engineering	The Board of Management considered and approved for engagement of above mentioned eminent persons on honorary basis as proposed.	The matter is under process.
60.19	Revision in age for holding the post of Deans of the University	The Board of Management considered and approved the amendment in the DTU Statutes (First), 2009 for enhancement of age for holding the post of Dean up to the age of superannuation. The Board advised to send the proposal to the Government of assent of the Chancellor.	A proposal for enhancement of age for holding the post of Dean up to the age of superannuation has sent to the Government for amendment in the DTU Statutes (First), 2009.
60.20	Minor revision in the Recruitment Regulations (RRs) for the post of Assistant Professor of Practice (T&P) and Professor of Practice (T&P) in DTU	The Board of Management considered and approved the proposed minor revision in the Recruitment Regulations (RRs) for the post of Assistant Professor of Practice (T&P) and Professor of Practice (T&P) in DTU.	The matter is under process.

60.21	Nomination of a new member in Planning Board of the University due to untimely demise of an existing member	The Board of Management considered and nominated *Dr. Nikhil Agarwal, Managing Director, FIIT-IIT Delhi* as a new member in the Planning Board of the University for rest of the term as per provision laid down in the Statues (First), 2009 of the University.	Notified vide notification no. F.DTU/ORG/Planning Board/2012/68/851 dated 16.09.2026.
60.22	Establishment of DTU Press and DTU Digital Printing Unit – Approval of Financial Support and Budget for Five Years	The Board of Management considered the recommendations of the Planning Board and Finance Committee and approved for establishment of DTU Press and DTU Digital Printing Unit with a Financial Support and Budget for Five Years	The matter is under process.
60.23	Provision for Engagement of Regular/Permanent Faculty Members for Additional Teaching Load on Remuneration Basis to Address Acute Faculty Shortage in DTU	The Board of Management considered the recommendations of the Finance Committee and approved the provisions for engagement of regular/permanent faculty members for additional teaching load on remuneration basis to address acute faculty shortage in DTU	Notified vide notification no. F.DTU/Council/BOM-Notification/71/2025/852 dated 16.09.2026.
60.24	Guidelines and Ceiling of Funding Amounts for Innovative Projects Admissible to DTU Tech Teams (Version II)	The Board of Management considered the recommendations of Finance Committee and approved the guidelines and ceiling of funding amounts for Innovative Projects admissible to DTU Tech Teams (Version II).	Notified vide notification no. F.DTU/Council/BOM-Notification/71/2025/853 dated 16.09.2026.
60.25	Policy for Engagement, Entitlements and Salary Fixation of Academic Positions other than regular at Delhi Technological University	The Board of Management considered the recommendations of the Finance Committee and approved the Policy for Engagement, Entitlements and Salary Fixation of Academic Positions other than regular at Delhi Technological University. S.A. 60.35	Budget Proposal for Sustainability Cell	The Board of Management considered the recommendations of the Finance Committee and approved the budget proposal for Sustainability Cell.	The budget has been allocated.
S.A. 60.36	Revision of Quality Policy and Quality Objectives of Delhi Technological University (DTU)	The Board of Management considered and approved the revised Quality Policy and Quality Objectives of the University, as proposed.	Notified vide notification no. F.DTU/Council/BOM-Notification/71/2025/845 dated 16.09.2026 has been issued.
S.A. 60.37	Confirmation of Honorary position of "Distinguished Professor (Practice)" to ex-ISRO Scientists Dr. Tapan Misra, Dr. Surendra Pal and Dr. A. S. Arya	The Board of Management considered and approved the conferment of Honorary position of "Distinguished Professor (Practice)" to Dr. Tapan Misra, Dr. Surendra Pal and Dr. A.S. Arya in the Department of Geospatial Science and Technology, Delhi Technological University.	The matter is under process.

Action Taken Report on Emergent (61st) meeting:

Item No.	Agenda Item	Decision Taken	Action Taken Report
61.1	Opening remarks by the Vice Chancellor.	Noted.	Matter of record.
61.2	Regularization of Non-teaching staffs (Contractual) as per decision of the Hon'ble High Court of Delhi (Mohd. Ansari & Ors vs DTU)	The Board of Management considered and as discussed, decided the following in the matter: 1. To wait for the decision of the Hon'ble Supreme Court of India on the SLP filed by DTU before taking any decision regarding the regularization of the contractual staff, in accordance with the judgement of the Hon'ble High Court of Delhi (in Mohd. Ansari & Ors vs DTU). 2. Further, if no such decision on the SLP is received within the timeline prescribed by the Hon'ble Division Bench, i.e. by 19.11.2026, another meeting of the BoM may be convened to consider and decide the matter.	Letters have been sent to the concerned Advocates. a) To Mr. Anil Kaushik, Addl. Solicitor General for India to file an SLP in the Hon'ble Supreme Court of India in the matter of LPA 481/26 & 487/26. b) To Advocate Kanu Agrawal to file an SLP alongwith Mr. Anil Kaushik, Addl. Solicitor General for India in the Hon'ble Supreme Court of India against the order dated 19.08.2026 passed by the Hon'ble High Court of Delhi in LPA nos. 481 & 487 of 2026. He has further been requested to file an appeal before the Hon'ble Supreme Court for urgent hearing in this matter as DTU has a prescribed time limit as per order dated 19.08.2026 and request to allow DTU for declaring the result of Adv. No. 03/2025. c) It is further apprised that the SLP has been filed in the Hon'ble Supreme Court of India vide Dy. No. 58368/ 2026 and is likely to be listed on 16.10.2026 as informed by the Counsel, DTU. Copy of the above letters is placed at ***Annexure pages 8 & 9.***

Decision : The Board of Management took the above Action Taken Reports on record.

Agenda 62.4 : Conferment of degrees on the graduands who have successfully completed the requirements prescribed under the ordinances of the University

The Board was apprised that 12th Convocation of the University is to be held on 22.10.2026. Degrees are to be conferred on the graduands who have successfully completed requirements prescribed under the ordinances of the University in the Academic Year 2024-25 and 2025-26. Program-wise number of eligible graduands till date are as follows:

S.No.	Programme	Qualified in AY 2024-2025 & 2025-2026 considered till 22-05-2026*	Qualified in AY 2025-2026 beyond 22.05.2026 @	TOTAL
1	Bachelor of Arts(Hons.) (Economics)	150	1	151
2	Bachelor of Arts(Hons/Research) (Economics) (4th Year Extension)		18	18
3	Bachelor of Arts (Exit option after 3 years from the 4 year program)		4	4
4	Bachelor of Business Administration	158	2	160
5	Bachelor of Business Administration (4th Year Extension)		18	18
6	Bachelor of Business Administration (Exit option after 3 years from the 4 year program)		104	104

	Grand Total (A+B+C)	**4043**	**3807**	**7850**

* . Includes Qualified in AY 2024-2025 and placed in 43rd AC Meeting dated 24-11-2025. Ph.D Data is mentioned considered upto 11 March 2026

@ Ph.D Data is mentioned considered from 12 March 2026 to till date

The matter along with list of graduands eligible for award of degree in 12th Convocation- 2026 was also placed before the Academic Council in its 46th meeting held on 10.10.2026. The Council recommended the matter to the Board of Management for conferment of degrees. List of the graduands was tabled separately.

All UG and PG programmes data given for AY 2024-25 and 2025-2026. The updated list of graduands eligible for award of degree in 12th Convocation-2026 was placed as ***Annexure Book separately*** and the same was tabled.

Decision : The Board of Management considered and approved for conferment of degrees on the graduands who have successfully completed the requirements prescribed under the ordinances of the University. The Board also authorized the Vice Chancellor to approve any change in the list of graduands eligible for conferment of degree in 12th Convocation-2026.

Agenda 62.5 : Applicability of payment of Leave Encashment & Gratuity to the contractual employees of DTU

The Board of Management was apprised that some of requests/ representations have been received from the Ex-contractual employees of Delhi Technological University regarding payment of leave encashment and gratuity. Therefore, a committee was constituted vide Office Order No. 2093 dated 21.11.2025 to examine the applicability of the **Payment of Gratuity Act, 1972** and the Office Memoranda (OMs) issued from time to time regarding **Leave Encashment and Payment of Gratuity to the contractual employees of Delhi Technological University (DTU)** were held on **03.02.2026 at 12:30 p.m.** and **04.08.2026 at 3:30 p.m.** in the Chamber of the Registrar, Main Administrative Building, DTU.

The Committee examined the provisions relating to **Payment of Gratuity and Earned Leave Encashment** to the contractual employees of DTU in the light of the **Payment of Gratuity Act, 1972**, as amended from time to time, and the relevant Office Memoranda issued regarding Leave Encashment.

After detailed deliberations and examination of the relevant provisions, appointment conditions, previous approvals of the Board of Management vide Item No. 29.14 regarding grant of HRA & TA, vide Item No. 27.15 regarding Employees' Provident Fund (EPF) and Item No.12.12 regarding grant of Earned Leave (EL), to the contractual staff working in the University and the benefits already extended to contractual employees, the Committee recommended that

1. **Leave Encashment may not be extended to contractual employees at this stage**, in the absence of approval of the Board of Management.
2. **Gratuity may be extended to eligible contractual employees as per the Payment of Gratuity Act, 1972, as amended from time to time**, subject to the approval of the **Board of Management, DTU**, and subject to fulfilment of the eligibility and other statutory conditions prescribed under the Act.

The copy of minutes of meeting of the Committee is placed at ***Annexure pages 10 to 12.***

Decision : The Board of Management considered and approved the above recommendations of the Committee regarding applicability of payment of Leave Encashment & Gratuity to the contractual employees of DTU.

Agenda 62.6 : Non-submission of prior intimation regarding immovable property and non-disclosure in Annual Immovable Property Returns (AIPRs) by the faculty members of erstwhile DCE/DTU

The Board of Management was apprised that the following faculty members of DCE/DTU purchased /booked their immovable properties and did not submit prior intimation and non-disclosure of immovable property in the Annual Immovable Property Returns (AIPRs) by the following faculty members:

Sr. No.	Name of Faculty member	Prior Intimation	Disclosure of property in AIPR(s) in subsequent year	Address of Intimated Property	Date of Booking/ First Transaction	Intimation Submission date in DTU
1.	Dr. N. Jayanthi, Associate Professor, Dept. of E&C, DTU **(erstwhile DCE Faculty)**	Not submitted	Not Disclosed	Flat no.-408, TDI Kenderyavihar pase III , Avadi Chennai	01.10.2018	10.03.2026
2.	Dr.Avinash Ratre Associate Professor, Dept. of E&C, DTU **(erstwhile DCE Faculty)**	Not submitted	The faculty has purchased the property in the current year i.e.2026. Therefore, AIPR(s) is not applicable	DDA HIG residential flat 403, 4th Floor, Block -A, Pocket-3, Sector A1 to A4 Narela, Delhi-110040	13.02.2026	15.07.2026
3.	Prof. S. Anbu, Dept. of Civil Engg. DTU **(erstwhile DCE faculty)**	Not submitted	Not Disclosed	Flat no.-408, TDI Kenderyavihar pase III , Avadi Chennai	01.10.2018	10.03.2026
4.	Dr. Rituraj, Assistant Professor Dept. of Civil Engg. DTU **(DTU faculty)**	Not submitted	Disclosed	**1.**D-1/106-107, Upper Ground Floor, Rohini, Sector-16, Delhi **2.** C-2,11, Ist floor, Sector-16, Rohini Delhi	**Sr. No. 1 property** 10.11.2022 **Sr. No. 2** property 2025	15.04.2026

It was further submitted that the above-mentioned faculty members had submitted intimation regarding the purchase of immovable property. Accordingly, the matter was processed in the personal files of the concerned faculty members.

The Competent Authority observed that the prior intimation regarding the purchase of the said immovable property had not been submitted to the University by the above-mentioned faculty members before booking/purchase, as required under Rule 18(2) of the Central Civil Services (Conduct) Rules. Accordingly, the Competent Authority decided to call explanations and reasons for the same form the concerned faculty members of erstwhile DCE/DTU. Regarding non-submission of prior intimation under Rule 18(2) of the CCS (Conduct) Rules and, wherever applicable, the non-disclosure of the aforesaid immovable properties in their Annual Immovable Property Returns (AIPRs) during subsequent year.

The replies/explanations submitted by the concerned faculty members were placed before the Competent Authority of DTU. The Competent Authority of DTU examined the submitted explanations and found unsatisfactory.

Therefore, the Competent Authority DTU, decided to place the matter of Non-submission of prior intimation regarding immovable property and non-disclosure in Annual Immovable Property Returns (AIPRs) by the faculty members of erstwhile DCE/DTU before the Board of Management in its next meeting for necessary directions and appropriate decision.

In this regard the Rule states that *"As per rule 18(2) of CCS (Conduct) Rules, no government servant shall, except with the previous knowledge of the prescribed authority, acquire or dispose of any immovable property by lease, mortgage, purchase, sale, gift or otherwise either in his own name or in the name of any member of his family. Provided that the previous sanction of the prescribed authority shall be obtained by the government servant if any such transaction is with a person having official dealings with him."*

Decision : The Board of Management considered and directed the followings:

1. **To issue warnings to the faculty members concerned, as well as other similar cases, for non-compliance with the applicable rules regarding prior intimation of immovable property transactions and disclosure thereof.**
2. **To issue a General Advisory to all concerned faculty members regarding the requirement of obtaining prior permission/ intimation, wherever applicable, for transactions involving immovable property and the timely submission of the Annual Immovable Property Return (AIPR), in accordance with the applicable rules.**
3. **The Board directed that any further default in this regard shall be viewed seriously, and appropriate action shall be initiated in accordance with the applicable rules.**

Agenda 62.7 : Minor amendment in Recruitment Guidelines for Professor and Associate Professor

The Board of Management was apprised that in its 34th meeting held on 21.10.2019, vide Agenda Item no. 34.4 had approved the guidelines for recruitment to the post of Professor and Associate Professor. The said guidelines were subsequently notified vide Notification no. F.DTU/Rectt./Asst.Prof/2019/F-828/445 at 25.11.2019.

Further, the Recruitment Rules for the posts of Professor and Associate Professor were revised in accordance with the AICTE Notification dated 01.03.2019 and UGC Notification dated 18.07.2018 and were approved by the Board of Management, DTU in its 35th Meeting held on 06.12.2019. The revised Recruitment Rules prescribe specific minimum requirements relating to research publications/research score for determining the eligibility of candidates for the posts of Professor and Associate Professor, with separate criteria applicable to candidates having Engineering and non-Engineering backgrounds.

To ensure uniformity and consistency in the assessment of candidates from engineering and non-engineering backgrounds, while largely retaining the prescribed eligibility requirements under the Recruitment Rules, certain minor amendments in the Research & Experience Performance component, Score Card for Screening Committee, Criteria for shortlisting of candidates and minor changes in Annexure 34.4E_p & 34.4E_aop were approved by the Competent Authority.

Therefore, the minor amendments in Point-B of Table-I (Experience & Research Performance) were approved by the competent authority and implemented as detailed below: -

Table I

<table>
<tr><td></td><td>Passed in 34th BOM</td><td>Proposed Changes as approved by the competent authority</td></tr>
<tr><td>B.</td><td>Experience & Research Performance</td><td>Experience & Research Performance</td></tr>
<tr><td></td><td>
<table>
<tr><td></td><td>Assoc. Prof.</td><td>Prof.</td></tr>
<tr><td></td><td>Points</td><td>Points</td></tr>
<tr><td>TOTAL POINTS–B</td><td>50##</td><td>50###</td></tr>
</table>
To be scaled down to 30
To be scaled down to 30

Further, for the posts of Associate Professor and Professor, Experience & Research Performance component shall have two parts; score out of 30 points as calculated and verified from the table 1(B), plus five percent of (total API score as verified by the committee – (minus) 300σ or 400λ) subject to maximum of 10 points (σ: Associate Professor, λ: Professor) thus making the Experience & Research Performance component a total of 40 points.
</td><td>
<table>
<tr><td></td><td>Assoc. Prof.</td><td>Prof.</td></tr>
<tr><td></td><td>Points</td><td>Points</td></tr>
<tr><td>TOTAL POINTS–B</td><td>50##</td><td>50##</td></tr>
</table>
To be scaled down to 40
</td></tr>
</table>

Accordingly, the Score Cards for the Screening Committee for all disciplines for the posts of Professor and Associate Professor, as provided in Annexures 34.4B_p and 34.4B_aop respectively, shall also stand amended/revised as under:

Existing Score Card for Screening Committee (Passed in 34th BOM)

Post : Professor

S. No	Name of Candidate	Application No.	Category	Academic Record	Experience and Research Performance		
				20 Points	**30 Points** (From Table 1(B))	**10 Points** (From API Score)	**Total (40 Points)**

Annexures 34.4B_p

Revised Score Card for Screening Committee

Post : Professor

S. No	Name of Candidate	Application No.	Category	Academic Record	Experience and Research Performance
				20 Points	**40 Points** (Scaled down from Table 1(B))

Existing Score Card for Screening Committee (Passed in 34th BOM)

Post : Associate Professor

S. No	Name of Candidate	Application No.	Category	Academic Record	Experience and Research Performance		
				20 Points	**30 Points** (From Table 1(B))	**10 Points** (From API Score)	**Total (40 Points)**

Annexures 34.4B_aop

Revised Score Card for Screening Committee

Post : Associate Professor

S. No	Name of Candidate	Application No.	Category	Academic Record	Experience and Research Performance
				20 Points	**40 Points** (Scaled down from Table 1(B))

Criteria for Shortlisting of candidates

Out of provisionally eligible candidates, 10 candidates shall be shortlisted for the first post and 5 candidates for each subsequent post for Document & Point Mark Verification, Presentation and Interview, on the basis of their aggregate scores under Point 'A' (Academic Record), and Point 'B' (Experience & Research Performance), of Table-I, carrying 20 marks and 40 points, respectively, i.e. total of 60 points.

To avoid any error at decimal level in **conversion of Grades to Marks/Points of Presentation Assessment Committee**, the following minor amendments are proposed in Annexure 34.4E_p & 34.4E_aop of guidelines for recruitment to the post of Associate Professor and Professor issued vide notification no. F.DTU/Rectt./Asst. Prof/2019/F-828/445 dated 25.11.2019: -

Formula for conversion of Grades to Marks/Points (out of 10 marks)

Passed in 34th BOM	**Annexure 34.4E_p & 34.4E_aop Amended as**
$Marks/Points\ Obtained$ $= 1.66 \times (Number\ of\ A's) + 1.11 \times (Number\ of\ B's) + 0.55 \times (Number\ of\ C's)$ $Fraction\ of\ 0.5\ or\ above\ to\ be\ taken\ as\ 1$	$\boldsymbol{Marks/Points\ Obtained}$ **= 15/9 (Number of A's) + 10/9 (Number of B's) + 5/9 (Number of C's)** To be calculated upto two decimals

The above amendments were made to streamline the recruitment process and ensuring uniformity, consistency and transparency in the assessment and shortlisting of candidates.

Decision : The Board of Management considered and approved the proposed minor amendment in Recruitment Guidelines for Professor and Associate Professor.

Agenda 62.8 : To consider the amendment in the existing Professional Development Fund (PDF) Guidelines regarding eligibility of newly appointed faculty members

The Board of Management was apprised that the existing Professional Development Fund (PDF) guidelines currently allow the PDF facility to all newly appointed faculty members from the date of joining. However, as per the applicable university rules and norms, the PDF facility should ideally be extended only to faculty members who have successfully completed their probation period/ one year of continuous service.

To address this inconsistency, an expert committee was constituted by the Competent Authority to review and propose necessary amendments to the existing PDF guidelines.

The constituted committee met to deliberate on the matter. The following members were present in the meeting:

1. Prof. S. Indu, Dean (Digital Education) – Chairperson
2. Prof. Rajeshwari Pandey, Dean (Faculty Affairs) – Member
3. Prof. Ram Singh, Dean (Student Discipline) – Member
4. Prof. Nand Kumar, Department of Humanities – Member
5. Prof. Roli Purwar, Department of Applied Chemistry (AC) – Member

After detailed deliberations, the committee recommended for amending Point (C) of the existing PDF guidelines.

Clause	Existing Provision	Proposed Provision
Point (C)	If a faculty member joins the University or retires from the University service in between a block period, he/she shall be entitled to this allowance on a pro-rata basis.	**(A).** A faculty member who joins the University during an ongoing block period shall be eligible to avail of the PDF on a pro-rata basis, **subject to the completion of one year of continuous service in the University**. **(B).** A faculty member who retires from the University before the completion of a block period shall be entitled to the PDF on a pro-rata basis, in accordance with the period of service rendered during that block period.

Decision : The Board of Management considered and approved the proposed amendment in Clause (C) of the Professional Development Fund (PDF) guidelines.

Agenda 62.9 : To consider and approve the revised "Guidelines for Sponsored Research Project Award for Principal Investigator of Delhi Technological University"

The Board of Management was apprised that a Committee was constituted vide Office Order No. DTU/R&D/2025/148/3114 dated 11.11.2025 for the revision of the guidelines for various categories. The draft guidelines prepared by the Committee were presented in the Deans/HODs meeting held on 05.08.2026. The suggestions received during the meeting were duly incorporated into the proposed Guidelines.

Thereafter, the Hon'ble Vice Chancellor, in the capacity of Chairman, Academic Council, approved the revised "Guidelines for Sponsored Research Project Award for Principal Investigator of Delhi Technological University".

The revised guidelines were placed before the Academic Council in its 46th meeting held on 10.10.2026. The Council ratified the revised "Guidelines for Sponsored Research Project Award for Principal Investigator of Delhi Technological University" and recommended the same to the Board of Management for approval.

The revised guidelines are placed at ***Annexure pages 13 to 14.***

Decision : The Board of Management considered and approved the revised "Guidelines for Sponsored Research Project Award for Principal Investigator of Delhi Technological University".

Agenda 62.10 : To consider and approve the revised "Guidelines for the Award for Submission of Ph.D. Thesis within Stipulated Period"

The Board of Management was apprised that a Committee was constituted vide Office Order No. DTU/R&D/2025/148/3114 dated 11.11.2025 for the revision of the guidelines for various categories. The draft guidelines prepared by the Committee were presented in the Deans/HODs meeting held on 05.08.2026. The suggestions received during the meeting were duly incorporated into the proposed Guidelines.

Thereafter, the Hon'ble Vice Chancellor, in the capacity of Chairman, Academic Council, approved the revised "Guidelines for the Award for Submission of Ph.D. Thesis within Stipulated Period".

The revised guidelines were placed before the Academic Council in its 46th meeting held on 10.10.2026. The Council ratified the revised "Guidelines for the Award for Submission of Ph.D. Thesis within Stipulated Period" and recommended the same to the Board of Management for approval.

The revised guidelines are placed at ***Annexure pages 15 to 16.***

Decision : The Board of Management considered and approved the revised "Guidelines for the Award for Submission of Ph.D. Thesis within Stipulated Period".

Agenda 62.11 : To consider and approve the revised "Guidelines for Innovation Research Awards for the Inventors of Delhi Technological University"

The Board of Management was apprised that a Committee was constituted vide Office Order No. DTU/R&D/2025/148/3114 dated 11.11.2025 for the revision of the guidelines for various categories. The draft guidelines prepared by the Committee were presented in the Deans/HODs meeting held on 05.08.2026. The suggestions received during the meeting were duly incorporated into the proposed Guidelines.

Thereafter, the Hon'ble Vice Chancellor, in the capacity of Chairman, Academic Council, approved the revised "Guidelines for Innovation Research Awards for the Inventors of Delhi Technological University".

The revised guidelines were placed before the Academic Council in its 46th meeting held on 10.10.2026. The Council ratified the revised "Guidelines for Innovation Research Awards for the Inventors of Delhi Technological University" and recommended the same to the Board of Management for approval.

The revised guidelines are placed at ***Annexure pages 17 to 18.***

Decision : The Board of Management considered and approved the revised "Guidelines for Innovation Research Awards for the Inventors of Delhi Technological University".

Agenda 62.12 : To consider and approve the revised "Guidelines for Research & Development Scheme for Faculty"

The Board of Management was apprised that a Committee was constituted vide Office Order No. DTU/R&D/2025/148/3114 dated 11.11.2025 for the revision of the guidelines for various categories. The draft guidelines prepared by the Committee were presented in the Deans/HODs meeting held on 05.08.2026. The suggestions received during the meeting were duly incorporated into the proposed Guidelines.

Thereafter, the Hon'ble Vice Chancellor, in the capacity of Chairman, Academic Council, approved the revised "Guidelines for Research & Development Scheme for Faculty".

The revised guidelines were placed before the Academic Council in its 46th meeting held on 10.10.2026. The Council ratified the revised "Guidelines for Research & Development Scheme for Faculty" and recommended the same to the Board of Management for approval.

The revised guidelines are placed at ***Annexure pages 19 to 24.***

Decision : The Board of Management considered and approved the revised "Guidelines for Research & Development Scheme for Faculty".

Agenda 62.13 : Matter for Ratification:

i. **Termination of Sh. Girish Chandra Prasad, Controller of Finance**
The Board of Management was apprised that Sh. Girish Chandra Prasad was appointed to the post of Controller of Finance vide Memorandum No. F.1/2-940/2025/Estt./DTU/1397 dated 21.08.2025 and taken on the strength of this University w.e.f. 09.09.2025 (A/N) vide Office Order No. F.1/2-940/2025/Estt./DTU/1695 dated 08.10.2025.

In this regard, it was further apprised that the services of the officer have been terminated from this University w.e.f. 09.10.2026 vide Office Order No.320/26 dated 09.10.2026 *(Copy was placed in the Agenda note)*, as stipulated under clause 05 of the aforesaid Memorandum dated 21.08.2025.

ii. **Promotion under Career Advancement Scheme (CAS) Stage 3 to Stage 4 in respect of Dr. Lovleen Gupta, Assistant Professor, Department of Environmental Science and Engineering**
It was submitted to the Board that the Selection Committee has reviewed and recommended the case of Dr. Lovleen Gupata, Assistant Professor, Department of Environmental Science and Engineering to grant the promotion under CAS from Assistant Professor Level 12 (Stage 3) to Assistant Professor Level 13A (Stage 4). As per the recommendation of the Committee an office order dated 24.09.2026 has been issued. (Copy placed at ***Annexure page 25).***

iii. **Additional criteria for resolving Tie marks in Written Test / Computer Based Test (CBT) for preparation of the final merit list for recruitment to the non-teaching ministerial Group 'C' posts of Junior Office Assistant (JOA) and Office Assistant (OA)/Data Entry Operator (DEO) through direct recruitment vide Advertisement No.03/2025 dated 06.11.2025**
It was submitted to the Board that Delhi Technological University had advertised recruitment to the non-teaching ministerial Group 'C' posts of **Junior Office Assistant (JOA) and Office Assistant (OA) / Data Entry Operator (DEO)** through direct recruitment **vide Advertisement No. 03/2025 dated 06.11.2025.**

It was noticed that, as per **Point No. 3(v)** of the said Advertisement Notice, in case of candidates securing the same marks in the Written Test/Computer Based Test (CBT), the **candidate older in age is given preference in the final merit list.**

During the said recruitment process, it was anticipated that a considerable number of candidates might secure identical marks in the Written Test / CBT, and the tie may remain unresolved even after applying the abovesaid criterion **i.e.** in case of candidates securing the same marks in the Written Test/Computer Based Test (CBT), the **candidate older in age is given preference in the final merit list**. Therefore, in continuation of the tie-breaking rule already mentioned in the Advertisement Notice, the Competent Authority of DTU approved the issuance of **Notice no. F.DTU/Rectt./2024/F-962/4950 dated 13.03.2026,** wherein the following additional criteria were applied sequentially for resolving such ties which is **reproduced as**:

*In case where the Date of Birth(s) are also the same, the cases of **Tie marks** will be resolved by applying the following methods one after another till the Tie is resolved:*

a) With the candidate acquiring the Essential Qualification earlier will be placed higher.

b) The candidate with a higher percentage / aggregate of marks in the Essential Qualification will be placed higher.

c) The candidate whose first name comes first in alphabetical order (in English) is to be placed higher in merit.

Since the aforesaid additional tie-breaking criteria were applied sequentially with the approval of the Competent Authority of DTU issued vide Notice no. **F.DTU/Rectt./2024/F-962/4950 dated 13.03.2026,** subsequent to the issuance of Advertisement No. 03/2025 dated 06.11.2025

Decision : The Board of Management ratified the above three actions of the University.

Agenda 62.14 : Matter for Information:

i. **Appointment of faculty positions between the disciplines of Mathematics & Computing (M&C) and Applied Mathematics (AM).**

The Board of Management was informed that the competent authority has approved for appointment of faculty positions between the disciplines of Mathematics & Computing (M&C) and Applied Mathematics (AM) as below:

1. The **current status** in the discipline of M&C and AM as per Office Order F.No.DTU/034/2026/STAT/2867 dated 25.10.2017-

Discipline	Professor	Assoc. Prof.	Asst. Prof.	Total
M&C	03	05	12	**20**
AM	01	03	09	**13**

2. As approved by the Hon'ble Vice Chancellor, and **after dividing** the discipline of M&C and AM in the ratio of 50:50, the distribution proposed is as below:

Discipline	Professor	Assoc. Prof.	Asst. Prof.	Total
M&C	01	03	06	**10**
AM	02	02	06	**10**

3. Accordingly, the **final status** of the faculty position after the division of the disciplines of M&C and AM shall be as under:

Discipline	Professor	Assoc. Prof.	Asst. Prof.	Total
M&C	01	03	06	**10**
AM	03	05	15	**23**

ii. **Relieving of Non-teaching staff of the University**

It was submitted that the Board of Management that following non-teaching staff of the University have been relieved from the University:

Sr. No.	Name & Designation of incumbent	Date of Relieving	Remarks
1.	Sh. Vikas, System Manager	30.09.2026 (A/N)	Vide Office Order No.149840/ 2026 dated 30.09.2026, with a lien for a period of one year ***(Annexure Page 39.26)***.

2.	Sh. Krishan, Sr. Office Assistant (On contractual basis)	21.09.2026 (F/N)	Vide Office Order No.18 dated 07.10.2026 ***(Annexure Page 29 27)***.

Agenda 62.15 : Any other item with the permission of the Chair.

Agenda : Proposal for appointment of Mr. Rakesh Mehrotra as Distinguished Honorary Professor in the Department of Environmental Science and Engineering

The Board of Management was apprised that the Department of Environmental Science and Engineering proposed to consider for appointment of **Mr. Rakesh Mehrotra** as a **Distinguished Honorary Professor**, in view of his extensive academic and professional experience in environmental engineering, research, consultancy and sustainable environmental management.

His association is expected to strengthen the Department through expert guidance to faculty and students, research mentoring, curriculum enrichment and knowledge sharing in areas such as water and waste water management, solid waste management and sustainable environmental practices.

In view of anticipated academic and institutional benefits, approval of the Hon'ble Vice Chancellor is solicited to place te proposal before the Board of Management for consideration and approval, subject to the applicable University Rules and Procedures.

Curriculum-Vitae of Mr. Rkesh Mehrotra is placed at ***Annexure page 28 to 35***.

Decision : The Board of Management considered and approved for engagement of Mr. Rakesh Mehrotra as Distinguished Honorary Professor in the Department of Environmental Science and Engineering.

Suppl. Agenda 62.16 : In-principle approval for launch of Integrated M.Sc in Department of Geospatial Science and Technology in view of Vacancy Creation

It was submitted to the Board of Management that the proposal for the launch of the five-year Integrated M.Sc. in Geospatial Science was approved by the Academic Council (AC) vide Agenda Item No. 38.9, however, BOM vide Agenda 50.29 attached approved the commencement of five-year Integrated M.Sc. Programs in r/o Applied Mathematics, Applied Physics, Applied Chemistry, Humanities and Biotechnology departments but the same was not approved for Department of Geospatial Science and Technology. It was informed that the reason for the same was that at that time, there existed only a Centre (Multidisciplinary Centre for Geoinformatics) and it was felt that it may not be appropriate to launch an UG program in a Centre. the Department did not exist and the proposal was submitted by the, hence, perhaps this is why it was not approved.

However, a new Department for Geospatial Science and Technology (DGST) had been established and there was a requirement to take up the proposal for creation of vacancies with the Government for the department. Creation of sanctioned posts (teaching as well as non-teaching) depends upon approved programs and as per AICTE/UGC laid guidelines for calculation of vacancies.

Currently M.Tech (Geoinformatics) and M.Sc. (Geospatial Science) programs were running. The BoM had formally approved the launch of B.Tech.(Geoinformatics) vide BOM (Agenda 58.19. Proposal for creation of vacancies in r/o M.Tech (Geoinformatics) and M.Sc. (Geospatial Science) had already been processed but the same was not done in r/o B.Tech (Geoinformatics)

Since, DGST, DTU aspired to launch Integrated M.Sc program in Geospatial Science as well in future, and since it was approved vide AC Agenda 38.9, it was proposed that the approval of the BOM may be obtained before processing the case for creation of sanctioned posts in r/o of the pending programs.

It was therefore, submitted to the BOM to consider and accord in-principle approval for the launch of Integrated M.Sc in the Department Of Geospatial Science and Technology from the point of view of creation of sanctioned posts.

Decision : The Board of Management considered and approved in-principal for launch of Integrated M.Sc in the Department of Geospatial Science and Technology in view of vacancy creation.

Suppl. Agenda 62.17 : In-principle approval for Establishment of DTU Technological Innovation Cell (DTU-TIC)

The Board of Management was apprised that the Delhi Technological University (DTU) has a strong tradition of student innovation through its various Tech Societies and Tech Teams, which have brought distinction to the University through notable achievements in national and international competitions. Currently, Tech Societies and its innovation activities are managed through the office of the Dean Students Welfare (DSW). The Tech Societies have performed very well under the present arrangements, however, it may be appreciated that in case, DTU Tech Societies have to compete worldwide, then it needs to be managed independently by a Tech Innovation Cell (TIC) and a troika of R&D – TIC - IIF needs to be established so that all lab/project based research works are tested nationally/internationally under the TIC and then moved for a Startup under IIF. The proposal was also discussed in the Deans/HoDs meeting and recommended for adoption.

It was accordingly proposed to establish the **DTU Technological Innovation Cell (DTU-TIC)** as the nodal institutional mechanism for promoting, facilitating and monitoring student innovation, prototype development, technology demonstration, competitions, and intellectual property and industry/R&D linkages.

Salient Details – Certain Salient details of the TIC are given below :

(a) **Organisational Structure** – The DTU-TIC shall function under the overall guidance of the Hon'ble Vice Chancellor. An Advisory Committee shall be constituted which will meet quarterly and give recommendations to the HVC on a regular basis. Dean (R&D), CEO DSRF and CEO IIF too will provide institutional oversight. The Cell shall be headed by a **Director, DTU-TIC**, who shall be responsible for the day-to-day functioning, coordination of Tech Societies and Tech Teams, implementation of approved programmes, monitoring of projects and coordination with external organisations. **Director, DTU-TIC** will be nominated from amongst the Faculty Advisors of the Tech Societies at the discretion of HVC for a period of a 2 – 3 years.

(b) **Budget, Finances and Procurements** – The budget passed for the Tech Societies in the 60th BOM meeting shall be used to meet the current financial requirements. Additional requirements, if any will be projected separately.

(c) **Office and Staff** – One of the faculty rooms will be used to operationalize the office, JOA and MTS and other staff required will be catered from the budget already approved in the 60th BOM.

Further, it was proposed to constitute a Committee to clearly delineate the roles and responsibilities of Cell to ensure effective coordination and avoid duplication of functions, particularly in project evaluation, funding, intellectual property management, industry linkages and incubation. A time-bound implementation plan with measurable performance indicators may be prescribed to monitor the functioning and outcomes of DTU-TIC.

Decision : The Board of Management considered and approved in-principle for Establishment of DTU Technological Innovation Cell (DTU-TIC).

The meeting ended with a vote of thanks to the members.

The minutes are issued with the approval of the Vice Chancellor for circulation to the Hon'ble members, who are requested to give their comments, if any, on these circulated minutes.

OFFICE ORDER

This is in continuation to the Office order no. **F.1/2-1201/Estt. /DTU/2026/CAS(DTU)1398 dated 11.08.2026,** vide which the promotion under the Career Advancement Scheme (CAS) was granted to Dr. Deepika Sipal, Assistant Professor, Department of Electronics and Communication Engineering, DTU as Assistant Professor, Level-10 (Stage-1) to Assistant Professor, Level-11 (Stage-2). The matter was placed before the Board of Management (BOM) in its 60th meeting held on 25.08.2026 for ratification vide Agenda item no. 60.28(i). The BOM considered the matter and decided to withhold the promotion of Dr. Deepika Sipal due to discrepancy in her eligibility date.

Therefore, the promotion of Dr. Deepika Sipal, Assistant Professor, Department of Electronics and Communication Engineering, from Assistant Professor, Level-10 (Stage-1) to Assistant Professor, Level-11 (Stage-2) is hereby withheld.

This issues with approval of the Competent Authority, DTU.

SHAHABAD DAULATPUR, BAWANA ROAD, DELHI-110042

Minutes of Meeting

The meetings of the Committee constituted vide Office Order No. 2093 dated 21.11.2025 to examine the applicability of the **Payment of Gratuity Act, 1972** and the Office Memoranda (OMs) issued from time to time regarding **Leave Encashment and Payment of Gratuity to the contractual employees of Delhi Technological University (DTU)** were held on **03.02.2026 at 12:30 p.m.** and **04.08.2026 at 3:30 p.m.** in the Chamber of the Registrar, Main Administrative Building, DTU.

The Following members of the Committee were present in the meeting:

1.	Sh. Binod Doley, Registrar, DTU	: Chairperson
2.	Sh. Girish Chandra Prasad, Controller of Finance, DTU	: Member
3.	Dr. Ravinder Kaushik, Dy. Registrar (Estt.)	: Member
4.	Sh. Praveen Kumar Babloo, SO (Estt.)	: Member Secretary

The Chairperson welcomed all the members of the committee and the Member Secretary appraised the agenda of the meeting.

The Committee examined the provisions relating to **Payment of Gratuity and Earned Leave Encashment** to the contractual employees of DTU in the light of the **Payment of Gratuity Act, 1972**, as amended from time to time, and the relevant Office Memoranda issued regarding Leave Encashment.

In this regard, the Committee was apprised that, as per **Clause 4 of the appointment orders** issued to contractual employees of DTU, the following provision exists:

"The appointee shall not be entitled to any benefit for provident fund, pension, gratuity, medical attendance, any treatment, TA of any other benefits available to Government servants, appointed on regular basis."

However, it was noted that certain benefits were subsequently extended to the contractual employees of the University.

The Committee noted that **House Rent Allowance (HRA)** and **Travelling Allowance (TA)** were extended to contractual employees in compliance with the directions of the Hon'ble High Court vide order dated **14.11.2018** and with the approval of the Board of Management in its **29th meeting**, vide Agenda Item No. **29.14**, held on 30.11.2018. Accordingly, Office Order No. **F.1/HRA&TPT(Contd.)/Estt./DTU/10119 dated 26.11.2018** was issued regarding grant of HRA and TA to contractual employees.

— 10 —

The Committee was further apprised that the facility of **Employees' Provident Fund (EPF)** was extended to all contractual employees of the University with effect from **01.03.2018**, vide Notification No. **F.1/2-710/Estt/EPF/2018/DTU/2565-72 dated 31.05.2018**, pursuant to the approval of the Board of Management in its **27th meeting held on 23.02.2018 vide agenda item No. 27.15**.

The Committee was further apprised that as per **Clause 8 of the appointment orders** issued to contractual employees, the following provision exists:

"The appointee shall be entitled for casual leave of 8 days with the approval of the In-charge of the concerned department in a year in addition to Government holidays. No other leave/vacation will be admissible."

In this context, the Committee was apprised that the agenda regarding grant of **Earned Leave (EL), Half Pay Leave (HPL), Extra Ordinary Leave (EOL) and Leave Encashment** to contractual staff working in the University was placed before the Board of Management in its **12th meeting**, vide Agenda Item No. **12.12**.

However, the Board of Management approved **Earned Leave at the rate of 2½ days per month with effect from 01.01.2014 onwards and did not approve the sanction of other benefits**. Hence, the proposal for sanction of other leave-related benefits, including Leave Encashment, was not approved by the Board of Management.

Accordingly, vide Office Order No. **F.DTU/orders/BOM/14/2011/1582-90 dated 05.05.2014**, Earned Leave was granted to contractual employees at the rate of **2½ days per month with effect from 01.01.2014**.

The Committee was further apprised that, in respect of the applicability of the **Payment of Gratuity Act, 1972** to contractual employees of Delhi Technological University, gratuity had already been paid to the family members of **three (03) deceased contractual employees**, after obtaining legal opinion from the Legal Counsel of DTU.

After detailed deliberations and examination of the relevant provisions, appointment conditions, previous approvals of the Board of Management and the benefits already extended to contractual employees, the Committee arrived at the following conclusions:

Leave Encashment

The Committee is of the view that **Leave Encashment may not be granted to contractual employees at this stage**, since the same has not been approved by the Board of Management, DTU.

Gratuity

In regard to **Gratuity**, the Committee is of the view that the benefit may be extended to **eligible contractual employees in accordance with the provisions of the Payment of Gratuity Act, 1972, as amended from time to time**, subject to obtaining the **approval of the Board of Management, DTU**, and fulfillment of the conditions prescribed under the said Act.

The Committee further noted that gratuity has already been paid in the cases of three deceased contractual employees after obtaining legal opinion, which may also be taken into consideration while placing the matter before the competent authority/Board of Management.

In view of the above, the Committee recommends that:

1. **Leave Encashment may not be extended to contractual employees at this stage**, in the absence of approval of the Board of Management.
2. **Gratuity may be extended to eligible contractual employees as per the Payment of Gratuity Act, 1972, as amended from time to time**, subject to the approval of the **Board of Management, DTU**, and subject to fulfillment of the eligibility and other statutory conditions prescribed under the Act.

The matter may accordingly be placed before the **Competent Authority/Board of Management for consideration and approval**.

The meeting ended with a vote of thanks to the Chair.

Annexure 62.9

The revised guidelines for "Sponsored Research Project Award" for Principal Investigator of Delhi Technological University are as follows:

A. PREAMBLE

Sponsored research project awards shall be conferred upon Principal Investigators of Delhi Technological University (DTU) in recognition of their achievement in securing sponsored research grant from any national and international funding agencies. The award aims to motivate and recognize individual excellence and contributions in research and development.

The award will be given for the sponsored projects completed during each year (1st January - 31st December). Principal investigators from DTU shall be eligible to apply for the award. A notice will be circulated annually inviting applications. The eligible Principal Investigators shall submit the prescribed application form, along with the required details and supporting documents of the completed sponsored research project, to the concerned section for consideration under the prescribed selection criteria.

B. DEFINITIONS

(i) **"University"** shall mean Delhi Technological University (DTU), Delhi.

(ii) **"Sponsored Research Project"** means research projects sponsored by Government organization, national/international funding agencies. Generally, the project cost including expenditure towards manpower, equipment, consumables and University support services, is borne by the sponsor. Normally, no honorarium or other payment is made to the principal investigator for undertaking the project.

(iii) **"Sponsor"** means an organization or funding agency that awards a Project to the University and provides the necessary financial support for its successful completion of the project in time.

(iv) **"Principal Investigator (P.I.)"** means, a faculty/ scientist /emeritus fellow/ chair professor/ visiting professor of the University with the necessary expertise and competence to undertake and conduct a sponsored research work. Normally, the faculty/scientist/ emeritus fellow/chair professor/ visiting professor, who submits the project proposal and is instrumental in securing the project funding shall be designated as the Principal Investigator (PI).

(v) **"Co-Principal Investigator (Co-PI)"** means a faculty/ scientist/ emeritus fellow/ chair professor/ visiting professor of the University with the necessary expertise and competence to conduct a Sponsored Research work. A Co-PI may share equal responsibility with the PI for project oversight, budget management, and reporting as part of a multi-investigator team or may be responsible for a specific portion of the project and retain limited administrative oversight over the grant.

(vi) **Research Faculty Development Fund (RFDF)** means a sub-account created by the R&D Office under R&D office under the R&D account for individual academic staff, including faculty members/ scientists/ emeritus fellows/ chair professors/ visiting professors) to which the Sponsored Research Project Award shall be credited. The University's share of overhead charges from sponsored research projects is also transferred to this account.

120/C

C. AWARD MONEY AND SELECTION CRITERIA

1. The award money shall be released only after submission of the final project completion report to the funding agency, along with the Utilization Certificate (UC) and Statement of Expenditure (SE), duly certified by the Controller of Finance or an authorized nominee of the University.

2. **The award money shall be:**

Actual Project Fund Utilization (excluding overhead charges)	Award Money
Less than ₹20 lakh	10% of the actual project fund utilization, subject to a maximum ceiling of ₹1.50 lakh.
₹20 lakh to less than ₹50 lakh	7.5% of the actual project fund utilization, subject to a maximum ceiling of ₹2 lakh.
₹50 lakh and above	2% of the actual project fund utilization, subject to a minimum of ₹2 lakh and a maximum of ₹10 lakh

D. AWARD MONEY AND DISTRIBUTION

1. The maximum ceiling amount for the award money shall be Rs. 10 Lakh. Fifty percent (50%) of the award money shall be paid as cash award to Principal Investigator (PI) and Co-Principal Investigator(s) (Co-PIs). The remaining Fifty percent (50%) award money shall be credited to RFDF account of the PI and Co-PI(s).
2. In case of consortia project, the award money distributed to member/PI shall be calculated on the basis of the actual amount utilized against the sanctioned project amount allocated to DTU, excluding overhead charges.
3. Distribution of Award Money among PI and Co-PIs
   (a) The PI will decide the distribution of award money among the Co-PI(s), subject to the provisions specified below.
   (b) Out of 50% of the total award money earmarked as cash award, a minimum 25% and a maximum of 50% award money shall be allocated to Co-PI(s), as decided by the PI.
   (c) The distribution of the award money allocated to Co-PIs shall be among the eligible DTU faculty members/scientist/emeritus fellow/chair professor/ visiting professors who are designated as Co-PIs. In case one or more Co-PI(s) are from outside DTU, the part of the award money of the external Co-PI will not be deducted from the award money of the DTU Co-PI(s).

E. POWER TO REMOVE DIFFICULTIES:

If any difficulty arises in giving effect to the provisions of these guidelines, the Vice Chancellor may make such provisions, as appeared to be necessary or expedient for removing the difficulty.

Note: These guidelines will be implemented with effective from 1st January, 2027.

-14-

Annexure 62.10

The revised guidelines for the award for submission of Ph.D. thesis within stipulated period are as follows:

A. PREAMBLE:

In recognition of the importance the timely completion of high-quality research and to encourage excellence and innovation among Ph.D. scholars, the cash award shall be given to Ph.D. scholars and their respective supervisors for submission of the Ph.D. thesis within the prescribed period, as stipulated in the Ph.D. Ordinance, along with significant research contributions.

B. DEFINITIONS:

(i) **"University"** shall mean Delhi Technological University (DTU), Delhi.

(ii) **"Supervisor":** An individual who is a regular faculty member approved by the Academic Council to guide/supervise Ph.D. candidates of the University.

(iii) **"Ph.D. Candidate":** An individual who is registered for a Ph.D. degree in the Delhi Technological University.

(iv) **"DTU Ph.D. Ordinance":** The rules with which a Ph.D. candidate is governed during the Ph.D. period.

C. NATURE OF THE AWARD

The award will be granted to Ph.D. students studying in various departments/Centres and their respective supervisors. The candidates will be awarded a cash prize along with a certificate of merit.

D. ELIGIBILITY CRITERIA

This award shall be granted subject to the fulfilment of the following conditions:

1. **Timely submission of Ph.D. Thesis:**
   The Ph.D. thesis has been successfully submitted by the candidate within the three months beyond the minimum prescribed period, as per the DTU Ph.D. Ordinance. The award shall be subject to the final award of the Ph.D. degree by the University.
2. **Qualifying Research Outputs:**
   The candidate must have achieved minimum three qualifying research outputs, satisfying any one of the following criteria:
   (i) Three publications in journals indexed in the Web of Science Core Collection and included in the JCR, with an average JIF percentile ≥ 50; or
   (ii) Three Utility Patents Granted in either IP5 or India. The IP5 refers to a group of the five largest intellectual property offices (IPOs) in the world, that includes the United States Patent and Trademark Office (USPTO), the European Patent Office (EPO), the Japan Patent Office (JPO), the Korean Intellectual Property Office (KIPO), and the State Intellectual Property Office of the People's Republic of China (SIPO, now CNIPA - China National Intellectual Property Administration); or
   (iii) Any combination of qualifying publications and the granted patents totalling three research outputs; or
   (iv) Development of technology achieving a minimum Technology Readiness Level (TRL-4).

   The publications and/or patents considered for the purpose of this award must be related to and form part of the research work reported in the Ph.D. thesis.

3. The Ph.D. candidate must have successfully completed the Course Work, Comprehensive Examination, and approval of the Research Plan within the stipulated period, as prescribed under the DTU Ph.D. Ordinance.
4. The Ph.D. Candidate has not made any of the mandatory publications prescribed under the DTU Ph.D. ordinance in journals that levy Article Processing Fees/Charges.
5. The Ph.D. thesis must have been recommended by both examiners for the award of the Ph.D. degree, either without revisions or subject only to minor revisions.
6. The candidate must submit Ph.D. thesis submission certificate and the Ph.D. Award notification issued by the University.
7.

E. AWARD MONEY AND DISTRIBUTION

A cash award of Rs. 50,000/- will be awarded to the Ph.D. Student and a cash award of Rs. 50,000/- will be awarded to the thesis supervisor/joint supervisor(s) along with the Certificate of Merit.

(i) In case there is more than one supervisor/joint supervisor, an equal amount will be distributed to all the supervisors/joint supervisors.

(ii) In case one or more External Supervisors are involved, then an equal amount will be deducted from the total cash award, and the remaining amount will be distributed equally among the internal supervisors/joint supervisors.

F. PROCEDURE FOR THE AWARD

(i) A notice shall be issued annually inviting applications for the award, along with the prescribed entry form. A committee will be constituted by Hon'ble Vice Chancellor to determine the eligibility of the entries.

(ii) A certificate regarding the completion of the Comprehensive Examination within the stipulated period, as prescribed in the DTU Ph.D. Ordinance, shall be obtained from the Supervisor through the Chairperson, DRC.

(iii) A certificate regarding the recommendation of the Ph.D. thesis by both examiners for the award of the degree, either without revisions or subject only to minor revisions, shall be obtained from the Supervisor through the Chairperson, DRC.

G. DISCLAIMER:

DTU reserves the right to consider or reject any application, determine the date and procedure for the award, and take decisions on any matter not specifically covered under these guidelines. The decision of DTU regarding the selection of awardees shall be final and binding.

H. POWER TO REMOVE DIFFICULTIES:

If any difficulty arises in giving effect to the provisions of these guidelines, the Vice Chancellor may make such provisions, as appeared to be necessary or expedient for removing the difficulty.

Note: These guidelines will be implemented with effective from 1st January, 2027.

62.11

The revised guidelines for innovation research awards for the inventors of Delhi Technological University are as follows:

The cash award will be given to inventors in recognition of the grant of their Patent applications in India and/ or IP5. The IP5 refers to a group of the five largest intellectual property offices (IPOs) in the world, that includes the United States Patent and Trademark Office (USPTO), the European Patent Office (EPO), the Japan Patent Office (JPO), the Korean Intellectual Property Office (KIPO), and the State Intellectual Property Office of the People's Republic of China (SIPO, now CNIPA - China National Intellectual Property Administration). The awards are aimed to motivate and recognize individual excellence in innovation. The awards will be given for the patents granted in each year (1st January - 31st December). Inventors from DTU can apply for the award. A notice will be circulated annually and the application form for getting the details of granted patents qualifying the selection criteria will be submitted to the concerned section.

DEFINITIONS:

1. **"University"** shall mean Delhi Technological University (DTU), Delhi.
2. **"Patent application"**: A document filed in a patent office for the grant of exclusive rights pertaining to a novel invention, which has not been assigned a patent grant/ issue number but has an application number.
3. **"Patent"**: A document appearing in a patent office journal having both patent application number and corresponding grant/ issuance number, providing exclusive rights on an invention and its processes to its applicant(s).
4. **"Faculty Member of the University"**: An individual who is a regular faculty member of the University.
5. **"University Student"**: An individual who is registered for any degree in the Delhi Technological University.
6. **"Inventor"**: An individual who is either a faculty member of the university or a university student and his/ her name appears in the list of inventors on either the certificate of Patent Grant or equivalent.
7. **"Applicant"**: The person/ organization who has the right to file the patent application for the protection in the patent office.
8. **"Patentee"**: The person/ organization/ entity to whom a patent is granted.

AWARD MONEY:

a) A cash award of ₹50,000 (Rupees Fifty Thousand only) shall be awarded to a University innovator(s) for each patent granted. However, a maximum of three cash awards shall be awarded to an individual in a calendar year.

b) If any University innovator is granted more than three patents in a calendar year, the additional patents beyond the first three shall be eligible for the award of a Certificate of Merit.

c) However, if a patented technology is commercialized through technology transfer, the inventor(s) shall be entitled to receive an incentive equivalent to 1% of the total value received from the technology transfer, subject to a maximum ceiling of ₹ 5,00,000 (Rupees Five Lakh only), in addition to the cash award specified above.

118/C

SELECTION CRITERIA:

(i) The patent application must have been GRANTED by either the Indian patent office or any of the offices of IP5.

(ii) One of the patentees must be 'Delhi Technological University' with a minimum of 20% of financial share in case of mortgage/ commercialization/ monetization of the granted patent.

(iii) The original term of the granted patent must be 20 years from the date of the filing.

(iv) The follow-up inventions (either in the same country or foreign filings) linked to a particular priority date, for which an award has already been granted, will only be considered for the certificate and not for the prize money.

REGULATIONS FOR DIVISION & DISTRIBUTION OF AWARD PRIZE:

Case 1: Equal distribution of the award money amongst the inventors from the University.

Case 2: If one (or more) of the inventor(s) is/ are external to the University and University is one of the applicants, then the award amount will be proportional to the financial share of university (i<=Financial share<=100) as decided in NoC/ MoU at the time of filing the patent application.

POWER TO REMOVE DIFFICULTIES:

If any difficulty arises in giving effect to the provisions of these guidelines, the Vice Chancellor may make such provisions, as appeared to be necessary or expedient for removing the difficulty.

Note: These guidelines will be implemented for the Patents granted with effective from 1st January, 2027.

Annexure 62.12

The revised guidelines for research & development schemes for faculty are as follows:

Research & Development (R&D) schemes for faculty are designed to strengthen the academic and intellectual environment within the University. These schemes aim to promote innovation, facilitate interdisciplinary collaboration, and enhance the quality of education and research output. The primary objective of these funding schemes is to secure external grants from sponsoring agencies, which play a vital link between researchers and funding bodies, ensuring that promising ideas receive the necessary support to materialize into impactful outcomes.

1.1 General

Faculty members are eligible to avail the schemes during their tenure at the University. A faculty member may serve as the Principal Investigator (PI) of only one Scheme at a time and may avail themselves of each Scheme only once as Principal Investigator during their tenure at the University. A faculty member may serve as a Co-Principal Investigator (Co-PI) multiple times under any scheme, except under YFG, where the provision for a Co-PI is not permitted. However, a faculty member shall not simultaneously serve as the PI or Co-PI of more than one project under any of the Schemes. Preference shall be given to persons with disabilities (PwD), subject to the fulfilment of the eligibility and other requirements of the respective scheme.

1.2 Young Faculty Grant

Under this scheme, the R&D Office shall invite project proposals annually from Assistant Professors who meet either of the following eligibility criteria:

(i) They have joined the University within the last five years and hold a PhD degree;

or

(ii) They have completed their PhD within the last two years and have joined the University within the last seven years.

The project duration will be two years. Faculty members whose project proposals are selected/awarded will receive a total grant of up to Rs. 5,00,000/- (Rupees five lakh). However, Co-PI is not permitted under this scheme.

1.2.1 Information required in a project proposal.

a. Project title
b. Details of Principal Investigator (Name, Department, education qualification, publications in last five years)
c. Origin and Importance of the project
d. National and International status of the project
e. Objectives
f. Methodology
g. Budget
h. Expected outcome(s) from the project.

1.2.2 Selection of projects and funding

Projects will be selected for funding solely on the basis of scientific merit, as assessed by a review committee established by the University. Upon selection, a sanction letter detailing the budget breakdown will be issued to the Principal Investigator of the selected project. Initially, fifty percent of the grant will be disbursed for the first year. The release of funding for the second year will be contingent upon the review of the annual progress report.

a) The funds of the projects shall only be used for the purposes specified in the sanction letter vis-a-vis small equipment, consumables, contingencies and travel. The funds shall NOT be used for salary/honorarium payments to Ph.D. students, JRF, SRF, staff, etc.
b) Any deviation from the budget or project duration requires prior approval from the competent authority.

1.2.4 Submission of Report

a) PI is required to submit a project progress report after the completion of one year, which includes the submission of at least one research project to an external funding agency.
b) PI must submit a final technical report upon completion of the project, highlighting the achievements vis-a-vis proposed objectives, outcomes in terms of publications, patents and information on projects submitted to external funding agencies.

1.2.5 Expected Outcome(s)

The success of the project will be judged based on:

a) Submission of the project proposal to an external funding source and receipt of an external grant.
b) Two publications in Web of Science Core Collection journals included in the JCR with an average JIF percentile ≥ 50; or
c) Two granted patents; or
d) Any combination of qualifying publications and granted patents, totalling two research outputs.

The publications must acknowledge the funding and scheme.

1.3 Equipment Matching Grant for Faculty

The Equipment Matching Grant scheme aims to support faculty members in strengthening their research capabilities by providing financial support to develop new capabilities and establish high-value research facilities in emerging areas, as well as for acquiring essential research equipment. Under the scheme, the R&D Office will provide a matching grant of up to ₹35 Lakhs or an amount equivalent to the external funds secured by the faculty member under the equipment/non-recurring grant head, whichever is lower. To qualify for this matching grant, faculty members must obtain external funding of an equivalent amount specifically towards the equipment/non-recurring head.

1.3.1 Information required:

a) Project details under which the equipment is sanctioned.
b) Amount of Equipment Grant Sanctioned by the funding agency & details thereof.
c) Amount of Matching Grant required from R&D.
d) Equipment proposed to be purchased.
e) Justification to avail a matching grant.
f) Names of other faculty/departments/centers/schools who/which can utilize the equipment.

1.4 Faculty Interdisciplinary Research Projects (FIRP)

The aim of the Faculty Interdisciplinary Research Project (FIRP) scheme is to enhance interdisciplinary and collaborative research in the University. FIRP proposals are to be submitted by teams of two or more faculty members working in different departments and having expertise in different disciplines.

These interdisciplinary research groups are anticipated to expand in size or merge with other research groups, thereby enhancing the level of expertise and research scope within a specific interdisciplinary theme. Furthermore, these interdisciplinary research groups are expected to attract significant support from external funding agencies and facilitate synergistic cross-research activities among faculty members across the University, resulting in joint research publications, patents, and PhD supervision.

The R&D Office shall annually invite proposals for FIRP, including those aligned with the Sustainable Development Goals (SDGs). In addition, a special call for research proposals based on the SDGs may be issued annually, subject to the approval of the competent authority. The teams whose project proposals are selected/awarded will receive a total grant of Rs. 10 Lakhs, with Rs. 5 Lakhs allocated as seed funding for the first year. The remaining Rs. 5 Lakhs shall be released after completion of the first year, subject to the successful submission of at least one research project proposal with a value exceeding 50 Lakhs to an external funding agency.

1.4.1 Information required:

a. Project title
b. Details of faculty members of the team (One of the team members to be listed as PI and the others as Co-PIs)
c. Origin and Importance of the Project
d. National and International status of the project
e. Objectives
f. Methodology
g. Expected outcomes
h. Interdisciplinary component of the project
i. Importance and relevance of the research expertise of the collaborators towards the project
j. Project Timeline & Milestone
k. Details of the funding agency to which project proposal can be submitted after the first year.
l. Budget breakup (maximum Rs 5 lacs per year)
m. Details of Reviewer(s) from the University (Optional)

1.4.2 Selection of projects and funding

Projects will be selected for funding purely on the basis of scientific merit and evaluated by a review committee constituted by the University. A sanction letter, along with the approved budget breakup will be released for the selected project to the Principal Investigator. Initially, fifty percent of the sanctioned grant will be released for the first year. In exceptional cases, up to seventy-five percent of the sanctioned grant may be released in the first year itself with the approval of the Dean R&D. The release of remaining funding for the second year will be contingent upon the review of the annual progress report and subject to the submission at least one research proposal worth more than 50 Lakhs to an external funding agency..

1.4.3 Utilization of funds

a) The funds of the projects shall only be used for the purposes specified in the sanction letter vis-a-vis small equipment, consumables, contingencies and travel expenses. The funds shall NOT be used for salary/honorarium/stipend payments for PhD students, JRF, SRF, staff, etc.

b) Any deviation from the allocated budget or project duration requires prior approval from the competent authority.

1.4.4 Submission of Report

a) PI is required to submit a project progress report upon the completion of one year. This report must include the submission of at least one research project to an external funding agency.

b) Following the completion of the project, the PIs are obligated to submit a final technical report, highlighting the achievements vis-a-vis proposed objectives, outcomes in terms of publications and details regarding projects submitted to external funding agencies.

1.4.5 Expected Outcome(s)

The success of the project will be evaluated after 3 years:

i. Submission of a project proposal exceeding 50 lakhs to an external funding agency and receiving of an external grant.

ii. Three publications in Web of Science Core Collection journals included in the JCR with an average JIF percentile ≥ 50; or

iii. Three granted patents; orAny combination of qualifying publications and granted patents totalling three research outputs; or

iv. Achievement of Technology Readiness Level (TRL-3).

The publications must acknowledge the funding and scheme.

1.5 Multi- organizational Faculty Interdisciplinary Research Projects (MFIRP)

The goal of the Multi-organizational Faculty Interdisciplinary Research Projects (MFIRP) is to promote collaborative research among partnering institutes, universities, and research laboratories, and to secure substantial support from external funding agencies. This scheme is applicable to institutions, universities, organizations and research laboratories with which DTU has Memorandums of Understanding (MoUs) for MFIRP. The R&D office encourages faculty members to collaborate with counterparts from other institutions, both within India and internationally. The scheme provides funding to teams comprising faculty members from different institutions or universities, requiring at least two Principal Investigators (PIs), one from each participating entity. Additionally, PIs have the flexibility to include Co-PIs from the same or different departments without any additional financial implications.

General Guidelines

i. **Funding & Duration**

a) The project duration and grant can vary depending on the collaborating Institute.

b) In general, the project duration ranges from 6 months to 2 years.

c) The supporting grant typically amounts to approximately Rs. 5 Lakhs per year from DTU, with a matching contribution expected from each of the collaborating institute, university, organization or research laboratory.

ii. **Submission of Project**

a) The complete MFIRP proposal should be submitted by the PI from DTU to the Dean R&D.

b) Each team is allowed to submit only one proposal at a time.

c) The PI from the other institutes/universities/organization must also submit one printed copy of the same proposal to the respective office of the collaborating institute/university/organization, following the provisions outlined in the call.

iii). **Selection of projects**

a) Projects will be selected for first-phase funding purely on the basis of scientific merit, as evaluated by a review committee constituted by the DTU.

b) Out of the selected project proposals, DTU PI will be awarded Rs. 5 Lakhs and a similar matching contribution to the other institute/University PIs from the collaborating Institutes for the first year.

c) The release of funding for the second year will be contingent upon the review of the annual progress report and the submission of a joint project proposal worth more than 50 Lakhs to an external funding agency.

d) To request a budget revision and tenure extension for the second year of funding and project tenure extension, the PIs must submit a "Budget Revision & Tenure Extension" request.

iv). **Utilization of funds**

a) The funds of the projects should only be used for the purposes specified in the sanction letter vis-a-vis consumables, contingencies and support staff salaries. The funds should NOT be used for supporting PhD students, JRF, SRF, etc. Additionally, supporting staff should not receive financial support from two funding sources simultaneously.

b) Funds may only be used for core research activities.

c) Any deviation from the budget/project duration requires prior approval from the competent authority.

v). **Collaborative Activities**

Collaboration activities between the two universities/institutions may involve:

a) Incorporating project work as part of students' dissertation work. In such cases, the respective student will be jointly supervised by both the Principal Investigators (PIs) of the collaborating institutes.

b) Undertaking joint research projects aimed at advancing knowledge and addressing research challenges collaboratively.

c) Promoting and implementing any other form of partnership that is mutually beneficial to both DTU and the collaborating institute. Such partnerships will be jointly identified and executed by both entities.

vi). **Conflict Resolution**

The issues pertaining to Collaborative Research Agreement, Intellectual Property Rights, and joint supervision will be addressed in accordance with the guidelines outlined in the Memorandum of Understanding (MoU) between DTU and the collaborating institutes/organizations. These guidelines are detailed in the MoU document and provide a framework for managing collaborative research endeavours, addressing intellectual property concerns, and facilitating joint supervision arrangements.

vii). Submission of Report

a) An interim project progress report is required upon the completion of the first year, which should include the submission of at least one research project worth of more than 50 Lakhs to an external funding agency and/or a project progress presentation.

b) Upon the completion of the joint project, the PIs are required to submit a final technical report. This report should outline the achievements in relation to the proposed objectives, including outcomes such as publications, patents, conference proceedings, etc. Additionally, it should provide details on projects submitted to external agencies, following the format mutually agreed upon with the collaborating institute.

viii). Expected Outcome(s)

i. Submission of the project to an external funding source and receiving an external grant.

ii. Three publications in Web of Science Core Collection journals included in the JCR with an average JIF percentile ≥ 50; or

- Three granted patents; or
- Any combination of qualifying publications and granted patents totalling three research outputs; or
- Achievement of Technology readiness level (TRL-4).

The publications must acknowledge the funding and scheme.

ix). Call Schedule

Subsequent calls for proposals will be announced depending on factors such the availability of funds, the success of previous calls, and opportunities for collaboration with other institutes.

Note: While general guidelines are provided in the project call for proposals, specific terms and conditions for foreign projects collaborating with foreign universities/institutes are formulated only after mutual agreement. Some criterion outlined in the guidelines may vary depending on the participating university/institute. For example, eligibility conditions, call duration, supporting funds, etc., may differ based on the partner university/institute.

x). POWER TO REMOVE DIFFICULTIES:

If any difficulty arises in giving effect to the provisions of these guidelines, the Vice Chancellor may make such provisions, as appeared to be necessary or expedient for removing the difficulty.

Note: These guidelines will be implemented with effective from 1st January, 2027.

SHAHBAD DAULATPUR, BAWANA ROAD, DELHI-110042

No.F.1/2-1201/Estt./DTU/2026/CAS(DTU)/1723 Dated 24/09/2026

OFFICE ORDER

This is in continuation to office order No.F.1/2-1201/ Estt./ DTU/2026/ CAS(DTU)/ 1398 dated 11.08.2026 , Selection committee has reviewed and recommend the case of Dr. Lovleen Gupta, Assistant Professor, Department of Environmental Engineering to grant the promotion under Career Advancement Scheme (CAS) from Assistant Professor Level 12 **(Stage 3)** to Associate Professor-Level 13A **(Stage 4)** in accordance with provision laid down in the 6thCPC and 7th CPC guidelines of AICTE/UGC, with effect from the date shown against her name and the recommendation of the Selection committee has considered and approved by the Competent Authority :

From Assistant Professor-Level 12 (Stage 3) to Associate Professor Level 13A (Stage 4)

S.No.	Name of the Faculty	With Effect From	Department
1	Dr. Lovleen Gupta	07.02.2024	Environmental Science & Engg.

Further, Dr. Lovleen Gupta is requested to submit her option cum undertaking (in the prescribed format attached) for pay fixation on the basis of provisions of FR 22(I) (a) (1) read with DoP&T OM No. 13/02/2017-Estt.(Pay-I) dated 27.07.2017 within one month from issue of this office order.

EMPLOYMENT DETAILS

Name of Employer with Address	Post Held	Period		Scale of pay & basic pay (Rs)	Nature of duties
Delhi College of Engg. / DTU Delhi	Assistant Prof./Associate Prof.	Oct 1990	Sep 2018	Basic pay 1.99 lac	Consultancy Teaching ME/BE, Research
- do -	Sr. Lecturer/Lecturer	Jan79	Oct 90	3000-5000 2200 – 4000	-do-
U.P Jal Nigam Ghaziabad H.O, Rana Pratap Marg Lucknow-1	Assistant Engineer	Nov 77	Jan79	550 – 1200 + Post grad pay/allowance	Design, Execution of Environmental Engg. Works (water supply,sewerage& storm water drainage)for an Industrial Township (Noida)

EXPERIENCE IN THE SUBJECT/FIELD

- From Nov 1977 to Jan 1979, worked as Asst. Engineer in U .P Jal Nigam on Design and execution of Water supply , Sewerage and drainage works- Therefore Project Design, Execution and Management Exposure on large Scale Work

- From Jan 1979, worked as a Lecturer/ Asst. / Associate Professor in the Dept. of Civil Eng., Delhi College of Eng.(now DTU) ,UG/PG teaching, post graduate research guidance and Environmental Eng. consultancy. Contributed significantly in the Planning and development of Environmental Eng. Labs at DCE Campus.

- Reasonable proficiency in computer. I have working experience with Word,

NUMBER OF PAPERS PUBLISHED (Detail Encl.) : 57

NUMBER OF BOOKS

M Tech / B Tech project Guided : **44 / 50+**

Conference organized / Attended in India & Abroad : **12/350+**

Excel, Power point, Visual Basic, Oracle, C, Fortran etc.

- Exposure towards French and German languages
- Wide experience in the interdisciplinary areas of Science and technology as evidenced from the topics of research such as Bio energy, Environment etc.
- Participated in number of activities involving collaboration and interaction with other organizations. Carried out R&D projects in collaboration with TERI, Centre for Genomics and Integrative Biology, Delhi& IARI, New Delhi.
- Involved in coordinating the teaching of BE Environmental Engg. courses. This has provided opportunity to look for resource persons in several organizations like NTPC, NHPC, CII, CPCB and other organizations for making arrangements.
- Have been attending International conferences/ courses on Energy transition, Sustainability, SDGs,Green certification(GRIHA/ GEM),Environment/ Social responsibility , Green infrastructure, EHS and ESG for the last 10 yrs.
- Among the organizers for National Workshop on "Challenges in the management of Water Resources and Environment in the next millennium- Need for Inter Institute Collaboration" during Oct 99. This workshop was organized in association with Indian Water Resources Society & Indian Society for Hydraulics.
- Among key organizers for National Conference On "Innovative approaches in the Management of Environment" in collaboration with Indian Association for Environmental Management, Nagpur during Oct 2003.
- Among key organizers for :
    - Seminar on" Management of Urban and Rural Water Supply & Sewerage Systems in India" organized by Institution of Public Health Engineers, India - Delhi Regional Centre &Bentley Systems India Pvt. Ltd, New Delhi ,October 24, 2013.
    - National Conference "On Piped Water Supply And Sewerage Systems" organized by IPHE Delhi Regional Centre, New Delhi, Jan 24-25, 2014.
    - Workshop on "Solar powered water pumping systems" organized by IPHE-Delhi Centre &ICRC, New Delhi, Jun 19-20, 2014.
    - "National Consultation on Renewed Sanitation Agenda" organized by IPHE

and Sulabh International, Delhi, New Delhi13th - 14th February 2015.

- Workshop on Delhi Air Pollution : Status / Major Sources / Impacts and Management Strategies organized by IPHE(DRC) in collaboration with IAAPC(DC) , New Delhi, March10, 2016.

- National Seminar on" Management of Storm Water Drainage Systems in Urban India" organized by IPHE Delhi Regional Centre, IEI and IWRS, New Delhi, 21January, 2017.

- All India Seminar "Urban Flood Management: Challenges and Strategies in India" organized by Institution of Engineers and IPHE Delhi Regional Centre, Jun 16- 17, 2017.

- National Seminar on "Energy Efficient Green Options: Water and Wastewater Systems" organized by IPHE at India International Centre, N Delhi, Jan 18, 2018.

- National Conference on "Sustainable Infrastructure: Potable Water and Wastewater, organized by IPHE at .Hotel Suryaa, N Delhi, March31, 2019

- Attended several conferences on interdisciplinary areas of Science and technology in India and abroad. As a member of professional bodies particularly International bodies like International Water Association, continued to be in touch with the Scientific / Technical/ Research community all over the world. I have visited Japan, Thailand, Belgium, Netherlands, Germany and France for academic and Research Interactions In the past actively associated in forging collaboration between my institution and EPFL, Lusane and Zurich (Switzerland).

  - Worked on a live Project for "Integrated Water and Wastewater Management System for Boys Hostel Complex at Delhi College" of Engineering with partial funding by CPCB.

  - Involved in a live Project for **PURA scheme.** (Providing Urban amenities to Rural Areas). In the light of the above, some of the proposed projects at Delhi College of Engineering (DCE) in the first phase would be:

    1. Water Conservation
    2. Solid Waste Management

Water Conservation Project

Under the water conservation project, it was proposed to carry out rainwater harvesting and waste water management. The harvested rainwater is intended for reuse for washing and bathing. The waste water generated from washing activities would be further treated and reused for flushing WC in the hostel. The waste water from the WCs would then be treated for horticultural purposes.

Under the solid waste management project, the refuse from the campus would be segregated and the garbage would be used on a pilot scale for

(a) Bio-methanation
(b) Bio-gasification
(c) Vermi-composting

Such projects would provide valuable scientific information enabling improved design and better techno-economic aspects for further extension. These could be models of implementing decentralized waste (water and solid) management plans and thus ensuring sustainable development. DCE could become a hub of environment and energy management activities for extending these to the urban and rural areas of the states.

Involvement in other activities

Actively involved in teaching the following full one semester courses to BE Environmental Engg. students:

- Environmental Planning and Management of Environmental works
- Environmental Impact Assessment and audit
- Environmental integrated planning and Practice

Involved in developing a web site for information on Environmental issues.(www.greenstream-dce.org).

Played a key role in the planning, framing and instituting of BE Environmental Engg. Programme in DCE (started in 1998). Involved in curriculum development not only for B.E. Environmental Eng. but also for other programs. Proposed a common core course in Environmental Education for all Engineering Branches.

- Proposed setting up of Industry – Institute collaboration cell in Water and Environment at DTU
- In charge for Survey, Remote sensing, Geology Camps of 2 weeks duration for BE Environmental Eng. at Dehradun (3 times).

The subject of Environment has a very large domain that encompasses water,

air, soil, aquatic and terrestrial life forms and impacts of human activity & pollution etc. A B.E. Environmental Engineering curriculum cannot be expected to cover all the facets of the Environment, but an exposure as provided by this trip has widened the horizons and enlarged vision of our students and staff. Field visits to water and soil conservation sites, seeing the wildlife in the natural habitat, learning about various aspects of forest biodiversity and visits to the monumental projects such as Tehri Dam and Chilla Power Project (run of the river scheme) have all invigorated the young minds. Field visits to institutes such as Indian Institute of Remote Sensing, Survey of India, Wadia Institute of Himalayan Geology, Soil and Water Conservation Research and Training Institute, Forest Research Institute, Wild Life Institute of India, Chilla Wildlife Sanctuary, Chilla Hydro Power Plant, PCRI (BHEL, Haridwar), THDC and Tehri Dam during the course of the trip have widened the knowledge base of the students.

- Involved in organizing many industrial/ Field visits in Delhi and outside for our students. **BE Env Eng.** students have visited Hyderdpur Water works, Wazirabad water Works, Rithala / Okhla sewage treatment plant, Waste treatment units of Pepsi, Mother Dairy, Tanneries at Jhajjar etc.

- Involved in the conduct of Survey Camps of 2 weeks duration for BE Civil Eng. (5 times) and organization of many industrial/ Field visits in Delhi.

- Worked as a Volunteer for execution of Village School Building Project of CBRI, Roorkee (2.5 months during 1973 summer).

- Active member of UDYOG BHARTI (An NGO involved in developmental activities. I have taken part in NGO activities and possess a social commitment. I am involved with the NSS activities at my institution and recently we were actively involved in Yamuna clean up. I have also drafted a proposal for Solid Waste management at our Campus of 170 Acres. This Pilot project will be extended to other communities in the future.

- Foreign students adviser in Delhi College of Engg for 4 years.
- Member of Central Purchase committee at my institution for 4 years.
- Co-coordinator of Trekking Club at Delhi College of Engg.

Most of the Activities discussed above highlight networking skill, knowledge base as well as capacity to garner institutional support.. Linkages have been established between academic Institutions, R&D organizations, industry, Govt. and Public.

PROFESSIONAL & RESEARCH CONTRIBUTION - ENCLOSED

PROFESSIONAL MEMBERSHIP

- Member: International water Association, London
- Life Member Indian Association for Environmental Management, Nagpur
- Life Member: Indian Water Works Association., Mumbai
- Life Member: Indian Society for Hydraulics, Pune
- Life Member: Institution of Public Health Engineers (India), Kolkatta
- Life Fellow: Institution of Engineers (India), Kolkatta
- Life Member : Consulting Engineers Association of India

AWARDS & RECOGNITION

- **Awarded prize for best paper in the Journal of : Indian Water Works Association., Mumbai during 1989.**
- **Best Paper Award, 3rd International conference on "Trends & Recent Advances in Civil Engineering, organized by Amity University, UP, 20-21 Aug 2020.**
- **Awarded certificate of achievement by Indian Society for Technical Education, New Delhi for guiding best ME/ MTech thesis in Civil Engg. in the whole country during 1998.**
- Member Technical committee constituted for examining objections received in pursuance of Hon. Supreme Court order closing down 9000 Industries in Delhi State.
- Acted as an Expert committee member for Review of R&D, TAPTEC and MODROBS Schemes of AICTE.
- Member of Expert committee of " Environmental Protection and Waste Management" group of BIS for 15yrs.:
    - Environmental Protection and Waste Management Sectional Committee, CHD 32.
    - Solid Waste Management Sectional Committee, CHD 33.
    - Municipal Solid Waste, CHD 33:P2.
    - Air Quality Sectional Committee, CHD 35 and
    - Water Quality Sectional Committee, CHD 36.

- Academic Council Member 2019-2020- TERI School of Advanced Studies, New Delhi.

- Expert Committee member Environmental Research Committee, Min of Environment/ DSIR for evaluation of research proposals.

- Member Academic Council for Joint PG programs of Michigan state University& Construction Industry development Council, N Delhi.

- Member Independent Certification Board(Independent Director) "URS Certification Ltd "– A certification body with headquarter at Somerset ,U.K., offering certification towards national and international standards such as ISO 9000,ISO 14000 etc. worldwide.

- Independent Executive committee member URS Verification Pvt. Ltd responsible to CDM board through UNFCCC CDM Secretariat.

- Vice President/Secretary, Institution of Public Health Engineers (Kolkata) Delhi Chapter- last 6yrs, Present Secretary.

Any other academic activity not covered above

Working for a PhD - University of Delhi on the Topic "Treatment of Dairy Waste by up flow anaerobic expanded sludge bed reactor system ". The synopsis has been submitted. Thesis submission is due.
