NOTIFICATION

On the recommendation of the Committee, the following parameters to examine the cases for further extension of faculties working as Professor Emeritus, Adjunct Faculty, Visiting Faculty and Honorary Faculty are approved by the Competent Authority.

The application for further extension must be supported by a self-appraisal report of the concerned faculty member, along with the recommendations of the respective HoD, the self-appraisal report should contain measurable and verifiable contributions made by the faculty member in one or more from the following areas.

- (i). Industry networking and outreach activities.
- (ii). Research collaborations undertaken.
- (iii). Mentoring of young faculty members for preparation and submission of extramural research grant proposals.
- (iv). Organization/conduct of FDPs, conferences, seminars, workshops and related academic activities.
- (v). Teaching responsibilities handled, including the total teaching load undertaken by the concerned faculty member.

Further the contribution parameters/expectations to be fulfilled by such faculty members should be clearly communicated to the candidates at the stage of submission of applications and interview. The Selection Committee may also be apprised of these parameters so as to facilitate the selection of suitable candidates capable of contributing effectively in the identifies areas and application form may be suitably designed so as enable the candidates to clearly specify their areas of expertise and potential contribution, including their major areas of contribution and experience.

Further, the Committee emphasized that clear contribution parameters should be incorporated at the stage of application and selection so as to ensure transparency and facilitate the engagement of faculty members capable of making meaningful academic, research, and industry-oriented contributions to the University.

Further, all the concerned HoDs are requested to forward the applications of Emeritus, Adjunct, Visiting and Honorary faculties for further extensions after ensuring the above parameters.

This issues with the approval of Competent Authority.
